Introduction

Getting to Know Molina Healthcare

At Molina Healthcare of California, one of our most important activities is to communicate how we operate. This will help us keep you healthy.

Our Provider Directory will help you get started in making decisions about your health care. Here you will find a listing of doctors and hospitals that are available under Molina Healthcare's health plan. You will also learn some helpful tips on how to use Molina Healthcare's services and benefits.

Together, we can be partners for your good health!

What is The First Step to Good Health?

Your PCP is your Primary Care Physician who treats you when you need medical care.

He or she is your personal doctor who works with you to keep you healthy and guides you through your medical care.

Think of your PCP's office as your "medical home." Your first step is to choose a doctor from our list of Primary Care Physicians (PCPs).

What is a Primary Care Doctor?

(Primary Care Physician or "PCP")
A PCP knows you well. A PCP takes care of your health care needs. Call your PCP when you or your child is sick and you do not know what to do. You do not have to go to the emergency room unless you have something that is so serious your life is in danger.

You may think that you should not see your PCP until you are sick. That is not true. Get to know your PCP even when you are well, for yearly check ups and to stay healthy. Go to your PCP for check ups, tests and test results, shots, and -of course- when you are ill. Seeing your PCP for check ups allows problems to be found early. If you or your child needs special care, your PCP will help you get it. Your PCP and you work together to keep you and your child healthy.

If you want to know more about your PCP or other Molina Healthcare doctors, call Molina Healthcare Member Services toll- free at 1 (888) 665-4621. We can give you information about your doctor's qualifications, such as medical school attended, residency completed, and board certification status. We can also tell you which languages your doctor speaks.

Choosing Your Doctor

(Choice of Physician and Providers) To be covered services must be provided by Molina Healthcare doctors, hospitals, specialists or medical facilities that are assigned to you, except in the case of emergency services, out of area urgent services, or those services listed under "What is a Prior Authorization" in your Member Services Guide.

How do I choose a primary care doctor (PCP)?
Picking the right doctor for you and your family is very important. Molina's Member Services staff can help you choose. They can tell you what the doctor's regular office hours are and how to schedule an office visit.

Call and schedule your first visit to get to know your PCP. If you need help making an appointment, call Molina Healthcare toll free at 1 (888) 665-4621. If you are deaf or hard of hearing, you may contact us by dialing 711 for the California Relay Service, Monday through Friday between 7:00 a.m.
and 7:00 p.m.

Molina Healthcare can also help you find a PCP that is best for you. Tell us what is important to you in choosing a PCP. We are happy to help you. Call the Member Services Department if you want more information about your Molina Healthcare doctor.

Introduction

Here are the kinds of PCPs you may select:

- **Family Practice PCP**
  A Family Practice PCP may see the whole family.
- **General Practice PCP**
  A General Practice PCP may also see the entire family. •

Internal Medicine PCP
An Internal Medicine PCP sees adults only (21 years or older).

- **OB/GYN**
  An OB/GYN PCP sees women only. He or she specializes in women's health and maternity care.
- **Pediatrician**
  A Pediatrician sees only children up to age 21.

After you decide what kind of doctor you want as a PCP, your next step is to choose the right doctor for you. Here are some helpful tips:

- Choose a doctor in the city where you live.
- Write your doctor's Identification Number (ID) or his/her name on the Medi-Cal Health Plan Choice Form.
- Be sure you fill out the Medi-Cal Health Plan Choice form completely.
- Sign your name on the Medi-Cal Health Plan Choice form.
- Mail your completed Medi-Cal Health Plan Choice Form in our self addressed stamped envelope included with your packet to Health Care Options.

You, your doctor and your health plan will make decisions on where you will get other medical services such as vision, pharmacy, laboratory and hospital care.

For example, if you choose a doctor who is with Molina Healthcare, you will receive all your specialty care and prescriptions through providers andpharmacies that belong to the Molina Healthcare network.

Federally Qualified Health Centers and Rural Health Clinics

If you want to get care from a Federally Qualified Health Center (FQHC) or Rural Health Clinic (RHC) you can be assigned to an FQHC or RHC that has a contract with Molina Healthcare. If you see a ◆ next to the name of a clinic in this directory, you will know that it is either an FQHC or RHC.

Teen Friendly Doctors

There are many doctors that like to care for teens. Molina Healthcare supports the care of teens and encourages them to involve themselves in their health care. Enclosed you will find a list of doctors. If there is ■ next to the doctor's name this means that they are "teen friendly." These doctors and their staff have agreed to be listed as "teen friendly."

What if I Don't Choose a Primary Care Doctor?

Molina Healthcare asks that you select a primary care provider within 30 days of joining Molina Healthcare. However, if you don't choose a PCP, Molina Healthcare will choose one for you.

Introduction

Changing Your Doctor

What if I want to change my primary care doctor?
You can change your PCP at anytime. All changes completed by the 25th of the month will be in effect on the first day of the following calendar month. Any changes made on or after the 26th of the month will be in effect on the first day of the second calendar month. But first visit your doctor. Get to know your PCP before changing. Having a good relationship with your PCP is important to your health care. Call the Member Services Department if you want more information about your Molina Healthcare doctor.

Can my doctor request that I change to a different primary care doctor?
Your doctor may request that you be changed to a different PCP for any of the following reasons:

- You are not following medical instructions (Noncompliant behavior).
- You are being abusive, threatening or have violent behavior.
- Doctor patient relationship breakdown.

How Do I Choose an OB/GYN?

Women may see an OB/GYN without receiving prior approval from your PCP. You may also choose an OB/GYN in addition to your PCP. But it's very important that you select an OB/GYN who is a member of the same Medical Group (IPA) as your PCP.

If you need help in choosing an OB/GYN, or if you have questions about the PCP and OB/GYN who are a part of your Medical Group (IPA), call Molina Member Services at 1 -888 -665 -4621. If you are deaf or hard of hearing, you may contact us by dialing 711 for the California Relay Service, Monday through Friday between 7:00 a.m. and 7:00 p.m. Our representatives will be happy to help you or answer your questions.

How Does Molina Work With Your Doctor to Keep You Healthy?

Your PCP treats you when you are sick, gives you care to keep you well and prevents you from becoming ill. If you need to go to a hospital, Molina Healthcare will work with your PCP to make sure you get the proper care. When your doctor and Molina Healthcare work together in this way, it is called "Utilization Management." If you need care that can't be given by your doctor, your doctor will refer you to a specialist. We will help your doctor find the right kind of specialist for you.

Your PCP is the doctor who treats you when you need medical care. Think of your PCP's office as your *"medical home."*

When you need medical care, contact your PCP unless it is an emergency. If you are experiencing an emergency, dial 911. You also don't need to get a prior authorization from your PCP for a visit to Family Planning Services.

Introduction

Communication Services

Do you speak a language other than English?
Please tell your doctor or call Molina Healthcare if you are more at ease speaking a language other than English. Many of Molina Healthcare's doctors and staff speak other languages and are familiar with using relay services for our deaf members.

Molina Healthcare can get someone to help you talk with your doctor or us in your language. You can make your needs known and get services without delay. These services may include, but are not limited to, the following:

- Making an appointment
- Talking with your doctor or nurse
- Getting emergency care in a timely manner
- Filing a complaint or grievance
- Getting health education services
- Getting information from the pharmacist about how to take your medicine
- Request face to face or telephone interpreter services **including sign language** during discussions of complex medical conditions and accompanying proposed treatment options

- File grievances or complaints if language needs are not met

Tell your doctor or any one working in his or her office if you need an interpreter. If you have problems getting help, please call Molina Healthcare toll -free at **1 (888) 665-4621. If you are deaf or hard of hearing, you may contact us by dialing 711 for the California Relay Service, Monday through Friday between 7:00 a.m. and 7:00 p.m.**

Timely Access to Care

Your provider must provide timely access to care based on your health care needs. At minimum, they must offer you an appointment listed in the timeframes in the table below.

Sometimes waiting longer for an appointment is not a problem. Your provider might give you a longer wait time if it would not be harmful to your health. Also, if you prefer to wait for a later appointment that will better fit your schedule or go to another provider of your choice, your provider and Molina Healthcare will respect your wish.

The standards for appointment availability do not apply to preventive care. Your doctor may recommend a specific schedule for preventive services, depending on your needs. The specific standards listed below also do not apply to periodic follow-up care for ongoing conditions or standing referrals to specialists.

Appointment type	You should be able to get an appointment within:
Urgent care appointments that do not require pre-approval (prior authorization)	48 hours
Urgent care appointments that do require pre-approval (prior authorization)	96 hours
Non-urgent (routine) primary care appointments	10 business days
Non-urgent (routine) specialist care appointments	15 business days

Appointment type	You should be able to get an appointment within:
Non-urgent (routine) mental health provider (non-doctor) care appointments	10 business days
Non-urgent (routine) mental health provider (non-doctor) follow-up care appointments	10 business days of last appointment
Non-urgent (routine) appointments for ancillary (supporting) services for the diagnosis or treatment of injury, illness, or other health condition	15 business days

Other wait time standards	You should be able to get connected within:
Member services telephone wait times during normal business hours	10 minutes
Telephone wait times for Nurse Advice Line	30 minutes (connected to nurse)

Molina Healthcare must follow travel time or distance standards for your care. Those standards help make sure you can get care without having to travel too far from where you live. Travel time or distance standards depend on the county you live in. If Molina Healthcare is not able to provide care to you within these travel time or distance standards, the State may allow a different standard, called an alternative access standard.

If you need help finding a doctor, or help getting to these services (including transportation), call 1-888-665-4621 (TTY/TDD or 711); or the 24/7 Nurse Advice Line by calling 1-888-275-8750 (English) or 1-866-648-3537 (Spanish).

Tell us if you need interpreter services when you call Molina Healthcare or when you get covered services at your provider's office when scheduling an appointment. Interpreter services, including sign language, are available at no cost to you. We highly discourage the use of minors or family members as interpreters. To learn more about interpreter services we offer, call 1-888-665-4621.

Senior and Disability Access Services

Physical Access is critical. You need to make sure you can get in and around in your doctor's office. We have done a site review on many of your doctor's offices to check accessibility. You will find the words "Basic Access" and "Limited Access" after many of the doctors listed in this directory. Below will explain what Basic and Limited Access means:

Basic Access: Office meets all accessible parking, building, elevator, office, exam room and restroom criteria based on scores of the last site access review.

Enhanced Care Management (ECM) and Community Supports

Enhanced Care Management (ECM) and Community Supports are foundational parts of the transformation of Medi-Cal focused on:

- Breaking down the traditional walls of health care, extending beyond hospitals and health care settings into communities.
- Introducing a better way to coordinate care; and
- Providing high-need members with in-person care management where they live.

You can also call Molina Healthcare to find out if and when you can receive ECM. Or talk to your health care provider who can find out if you qualify for ECM and when and how you can receive it.

Covered ECM services:

If you qualify for ECM, you will have your own care team, including a care coordinator. This person will talk to you and your doctors, specialists, pharmacists, case managers, social services providers and others to make sure everyone works together to get you the care you need. A care coordinator can also help you find and apply for other services in your community. There is no cost to you for ECM services.

ECM includes:

- Outreach and engagement
- Comprehensive assessment and care management
- Enhanced coordination of care
- Health promotion
- Comprehensive transitional care
- Member and family support services
- Coordination and referral to community and social supports

Referrals for ECM can be made using the form located on Molina's website.

Prior authorization is needed for Enhanced Care Management and Community Supports services. Members must meet certain eligibility.

To find out if ECM may be right for you, talk to your health care provider or call Member Services at 1-888-665-4621 (English) (TTY/TDD 711), Monday-Friday 7:00 a.m. - 7:00 p.m. The call is toll free.

What are Community Supports?

Community Supports (CS) are services or settings that may be offered in place of other covered services or settings. They are a medically appropriate, cost-effective alternative to a service covered under Molina. CS are optional – members are not required to use a CS instead of a covered service or setting.

These services are available to eligible Medi-Cal members regardless of whether they qualify for ECM services.

ECM Population of Focus (PoF)

Members participating in ECM will primarily receive in-person care management services, provided in the member's community, by contracted ECM Provider agencies who serve the member's specific Population of Focus (PoF). ECM will coordinate all care for the highest-risk members with complex medical and social needs, including across the physical and behavioral health delivery systems, while also addressing social determinants of health.

You will also see the following PoF symbols after ECM providers in our network: A-HOM, A-HU, A-SMI/SUD, A-JI, A-LTC, A-NF, A-BEQ, CY-HOM, CY-HU, CY-SMI/SUD, CY-CCS, CY-CW, CY-JI, CY-BEQ. Below will explain what each code means. **A-HOM**: Adults Experiencing Homelessness

Conocer Molina Healthcare

En Molina Healthcare of California, una de nuestras actividades más importantes es informar sobre cómo funcionamos. De este modo, podremos ayudarlo a mantenerse saludable.

Nuestro Directorio de proveedores lo ayudará a comenzar a tomar decisiones sobre su atención médica. Aquí encontrará una lista de médicos y hospitales que están disponibles bajo el plan de salud de Molina Healthcare. También aprenderá algunos consejos útiles sobre cómo utilizar los servicios y beneficios de Molina Healthcare.

Juntos podemos contribuir a su buena salud!

¿Cuál es el primer paso para gozar de buena salud?

Su PCP es el médico de atención primaria que le atiende cuando necesita atención médica.

Es su médico personal que trabaja con usted para mantenerle saludable y guiarle en su atención médica.

Piense en el consultorio de su médico de atención primaria como su "hogar médico". El primer paso es elegir un médico de nuestra lista de médicos de atención primaria (PCP).

¿Qué es un médico de atención primaria?

(Primary Care Physician o "PCP")
Un PCP lo conoce bien. Un PCP se ocupa de sus necesidades de atención médica. Llame a su médico de atención primaria cuando usted o alguno de sus hijos esté enfermo y no sepa qué hacer.

Puede que piense que no debe acudir a su PCP hasta que se sienta mal. Eso no es cierto. Acuda a su PCP incluso cuando se encuentre bien, para las revisiones anuales y para mantenerse saludable. Acuda a su PCP para revisiones, pruebas y resultados de pruebas, vacunas y -por supuesto- cuando se sienta mal. Acudir a su PCP para las revisiones permite detectar los problemas a tiempo.

Si usted o sus hijos necesitan cuidados especiales, su PCP le ayudará a obtenerlos. Su PCP y usted trabajan juntos para mantenerles a usted y a sus hijos saludables.

Si desea saber más sobre su PCP u otros médicos de Molina Healthcare, comuníquese gratis con Servicios para Miembros de Molina Healthcare llamando al 1 (888) 665-4621. Podemos proporcionarle información acerca de las cualificaciones profesionales de su médico, tales como a qué escuela médica asistió, si completó el programa de residencia y el estado de certificación del Consejo Médico. También podemos decirle qué idiomas habla su médico.

Elegir a su médico

(Elección del médico y de los proveedores) Para estar cubiertos, los servicios deben ser prestados por médicos, hospitales, especialistas o centros médicos de Molina Healthcare que le hayan sido asignados, excepto en el caso de servicios de emergencia, servicios urgentes fuera del área o aquellos servicios enumerados en el apartado "¿Qué es una autorización previa?" de su Guía de Servicios para Miembros.

¿Cómo elijo un médico de atención primaria (PCP)?
Elegir al médico adecuado para usted y su familia es muy importante. El personal del Departamento de Servicios para Miembros puede ayudarle a elegir. Allí podrán indicarle cuál es el horario habitual de consulta del médico y cómo concertar una cita.

Llame y programe su primera consulta para conocer a su PCP. Si necesita ayuda para pedir una cita, llame gratis a Molina Healthcare al 1 (888) 665-4621. Si usted es sordo o tiene problemas de audición, puede contactarnos marcando el 711 para acceder al Servicio de Retransmisión de California (California Relay Service), de lunes a viernes, de 7:00 a.m. a 7:00 p.m.

Molina Healthcare también puede ayudarlo a encontrar el PCP que más le convenga. Díganos qué es importante para usted en la elección de un PCP. Será un placer ayudarlo(a). Llame al Departamento de Servicios para Miembros si desea más información sobre su médico de Molina Healthcare.

Introducción

Estos son los tipos de PCP que puede elegir:

- **PCP de medicina de familia**
  Un PCP de medicina de familia puede atender a toda la familia.
- **PCP de medicina general**
  Un PCP de medicina general también puede atender a toda la familia.
- **PCP de medicine interna**
  Un PCP de medicine interna atiende solo a adultos (21 años o más).
- **Obstetra/ginecólogo (OB/GYN)**
  Un obstetra/ginecólogo solo atiende a las mujeres. Se especializan en la salud de la mujer y la atención de maternidad.
- **Pediatra**
  Un pediatra solo atiende a niños de hasta 21 años.

Después de decidir qué tipo de médico quiere como PCP, su siguiente paso es elegir el médico adecuado para usted. Estos son algunos consejos útiles:

- Elija un médico en la ciudad donde vive.
- Escriba el número de identificación (ID) de su médico o su nombre en el Plan de salud de Medi-Cal. Formulario de elección.
- Asegúrese de completar en su totalidad el formulario de elección del Plan de salud de Medi-Cal.
- Firme con su nombre en el formulario de elección del Plan de salud de Medi-Cal.
- Envíe por correo a Health Care Options su formulario de elección de Plan de salud de Medi-Cal completado en el sobre con su dirección y franqueo incluido en su paquete.

Usted, su médico y su plan de salud tomarán las decisiones sobre dónde obtendrá otros servicios médicos como servicios para la vista, farmacia, laboratorio y atención hospitalaria.

Por ejemplo, si elige un médico que pertenece a Molina Healthcare, recibirá toda su atención especializada y sus recetas a través de proveedores y farmacias que pertenezcan a la red de Molina Healthcare.

Si desea obtener atención de un Centro de Salud Acreditado a Nivel Federal (Federally Qualified Health Center, FQHC) o de una Clínica de Salud Rural (RHC) puede ser asignado(a) a un FQHC o RHC que tiene un contrato con Molina Healthcare. Si hay un símbolo ◆ junto al nombre de una clínica en este directorio, sabrá que se trata de un FQHC o RHC.

Médicos orientados a los adolescentes

Hay muchos médicos a los que les gusta atender a adolescentes. Molina Healthcare apoya el cuidado de los adolescentes y les anima a implicarse en su atención médica. Adjunto encontrará una lista de médicos. Si hay un símbolo ■ junto al nombre del médico significa que está "orientado a los adolescentes". Estos médicos y su personal han aceptado figurar en la lista de "orientados a los adolescentes".

¿Qué pasa si no elijo un médico de atención primaria?

Molina Healthcare le pide que elija un proveedor de atención primaria en los primeros 30 días después de inscribirse en Molina Healthcare. Sin embargo, si no elige un PCP, Molina Healthcare elegirá uno por usted.

Cambiar de médico

¿Qué pasa si deseo cambiar a mi médico de atención primaria?
Usted puede cambiar a su PCP en cualquier momento. Todos los cambios realizados antes del 25 de cada mes serán efectivos el primer día del mes natural siguiente. Los cambios en o después del día 26 del mes estarán vigentes el primer día del segundo mes natural. Pero primero visite a su médico. Conozca a su PCP antes de hacer el cambio. Tener una buena relación con su PCP es importante para su atención médica. Llame al Departamento de Servicios para Miembros si desea más información sobre su médico de Molina Healthcare.

¿Puede mi médico pedirme que cambie de médico de atención primaria?
Su médico puede solicitar que se le cambie a un PCP diferente por cualquiera de las siguientes razones:

- No sigue las instrucciones médicas (Comportamiento contrario a las normas).
- Se comporta de forma ofensiva, amenazante o violenta.
- Se quebró la relación médico-paciente.

¿Cómo elijo un obstetra/ginecólogo (OB/GYN)?

Las mujeres pueden acudir a un ginecólogo/obstetra (OB/GYN) sin recibir la aprobación previa de su PCP. También puede elegir un OB/GYN además de su PCP. Pero es muy importante que elija un OB/GIN que sea miembro del mismo grupo médico (Asociación de Médicos Independientes (Independent Physician Association, IPA) que su PCP.

Si necesita ayuda para elegir un OB/GYN, o si tiene preguntas sobre el PCP y OB/GYN que forman parte de su grupo médico (IPA), llame al Departamento de Servicios para Miembros de Molina al 1-888 -665 -4621. Si usted es sordo o tiene problemas de audición, puede contactarnos marcando el 711 para acceder al Servicio de Retransmisión de California (California Relay Service), de lunes a viernes, de 7:00 a.m. a 7:00 p.m. Nuestros representantes estarán encantados de ayudarlo o responder a sus preguntas.

¿Cómo colabora Molina con su médico para mantenerle saludable?

Su PCP lo atiende cuando está enfermo(a), le brinda atención para que siga estando bien y evita que se enferme. Si necesita ir a un hospital, Molina Healthcare trabajará con su PCP para asegurarse de que usted reciba la atención adecuada. Cuando su médico y Molina Healthcare trabajan juntos de este modo, se llama "Administración de utilización". Si necesita cuidados que no puede dispensarle su médico, este último le remitirá a un especialista. Ayudaremos a su médico a encontrar el especialista adecuado para usted.

Su PCP es el médico que le atiende cuando necesita atención médica. Piense en el consultorio de su PCP como su *"hogar médico"*.

Cuando necesite atención médica, póngase en contacto con su PCP a menos que se trate de una emergencia. Si experimenta una emergencia, llame al 911. Tampoco necesita obtener una autorización previa de su PCP para una cita con los Servicios de Planificación Familiar.

Los estándares de disponibilidad de citas no se aplican a la atención médica preventiva. Su médico puede recomendar un cronograma específico para servicios preventivos, según sus necesidades. Esos estándares ayudan a garantizar que pueda recibir atención sin tener que viajar demasiado lejos de su domicilio. Los estándares de tiempo o distancia de viaje dependen del condado en el que viva. Si necesita ayuda para encontrar un médico o para acceder a estos servicios (incluido el transporte), llame al 1-888-665-4621 (TTY/TDD o 711); o a la Línea de Consejos de Enfermería, disponible las 24 horas, los 7 días de la semana, llamando al 1-888-275-8750 (inglés) o al 1-866-648-3537 (español).

Infórmenos si necesita servicios de intérprete cuando llame a Molina Healthcare o cuando recibe servicios cubiertos en el consultorio de su proveedor al programar una cita. Los servicios de interpretación, incluido el lenguaje de señas, están disponibles sin costo alguno para usted. No aconsejamos de ningún modo que menores o familiares sean los intérpretes. Para obtener más información sobre los servicios de interpretación que ofrecemos, llame 1-888-665-4621.

Servicios de acceso para personas mayores y discapacitadas

El acceso físico es fundamental. Debe asegurarse de que puede entrar y salir del consultorio de su médico. Hemos examinado las instalaciones de muchos de sus consultorios médicos para comprobar la accesibilidad. Encontrará las palabras “Acceso básico” y “Acceso limitado” después de muchos de los médicos que figuran en este directorio. A continuación se explica lo que significa Acceso básico y Acceso limitado:

Acceso básico: El consultorio cumple todos los criterios de accesibilidad al estacionamiento, al edificio, al ascensor, al consultorio, a la sala de examen y al baño, según las puntuaciones de la última revisión de accesibilidad al centro.

Acceso limitado: El consultorio cumple algunos de los criterios de accesibilidad al estacionamiento, al edificio, al ascensor, al consultorio, a la sala de examen y al baño, según las puntuaciones de la última revisión de accesibilidad al centro.

También verá los siguientes símbolos de accesibilidad al lado de muchos proveedores de nuestra red: P, EB, IB, W, R, E, T, S. A continuación le explicaremos qué significa cada código. Estos datos se basan en la última revisión de los accesos al centro. **Llame a la oficina de su proveedor para asegurarse de que se cumplirán sus necesidades de acceso.**

P = ESTACIONAMIENTO: Hay estacionamiento accesible (incluido el accesible para furgonetas). Los caminos tienen rampas y rebajes en los bordillos entre el estacionamiento, el consultorio y en los puntos de parada.

EB = EDIFICIO EXTERIOR: Hay una entrada accesible al edificio. Los bordillos y otras rampas de acceso al edificio son lo suficientemente anchos para un usuario en silla de ruedas o scooter. Las rampas de

más de 1,80 m de longitud disponen de pasamanos. Las puertas tienen una apertura lo suficientemente amplia para un usuario en silla de ruedas o scooter. Los tiradores de las puertas son fáciles de usar.

IB = EDIFICIO INTERIOR: Las puertas interiores tienen una apertura lo suficientemente amplia para un usuario en silla de ruedas o scooter. Los tiradores de las puertas son fáciles de usar. Los ascensores, las escaleras y las rampas tienen pasamanos y son fáciles de utilizar. El ascensor está disponible para su uso en todo momento en el edificio. El ascensor tiene sonidos fáciles de oír y sistema braille. Botones al alcance de la mano. El ascensor tiene espacio suficiente para que una silla de ruedas o un scooter puedan dar la vuelta. Si hay una plataforma elevadora, puede utilizarse sin ayuda.

W = SALA DE ESPERA/RECEPCIÓN: Las zonas de recepción y espera tienen espacio suficiente para que un usuario de silla de ruedas o scooter pueda dar la vuelta.

R = BAÑOS: Las puertas de los baños son lo suficientemente anchas para un usuario en silla de ruedas o scooter y son fáciles de abrir. Los baños tienen espacio suficiente para que un usuario en silla de ruedas o scooter pueda dar la vuelta y cerrar la puerta. Hay barras de sujeción en la pared alrededor del inodoro. El lavabo, los grifos, el jabón y el papel higiénico son fáciles de alcanzar y utilizar.

E = SALA DE EXAMEN: La puerta de la sala de examen se abre lo suficiente para una silla de ruedas o un scooter y tiene paso libre. Hay espacio suficiente para que un usuario en silla de ruedas o scooter pueda dar la vuelta.

Administración de cuidados mejorada y apoyos a la comunidad

La Administración de cuidados mejorada (ECM) y los apoyos a la comunidad son partes fundamentales de la transformación de Medi-Cal centrada en:

- Derribar los muros tradicionales de la atención médica, extendiéndola más allá de los hospitales y los centros de salud hasta las comunidades.
- Introducir una forma mejor de coordinar la atención; y
- Proporcionar a los miembros más necesitados una gestión de la atención en persona en el lugar donde viven.

También puede llamar a Molina Healthcare para informarse sobre si puede recibir ECM y cuándo. O bien, hable con su proveedor de atención médica quien puede averiguar si reúne los requisitos para obtener la ECM, además de cuándo y cómo puede recibirla.

Servicios ECM cubiertos:

Si reúne los requisitos para la ECM, tendrá su propio equipo de atención médica, incluido un coordinador de cuidados. Esta persona conversará con usted y sus doctores, especialistas, farmacéuticos, administradores de casos, proveedores de servicios sociales y otros profesionales para asegurarse de que todos trabajen juntos y usted reciba la atención que necesita. Un coordinador de cuidados también puede ayudarlo a encontrar y solicitar otros servicios en su comunidad. No hay ningún costo para usted por los servicios ECM.

La ECM incluye lo siguiente:

- Actividades de promoción y participación.
- Evaluación integral y administración de cuidados.
- Coordinación de la atención mejorada.
- Promoción de la salud.
- Atención integral de transición.
- Servicios de apoyo para miembros y familias.
- Coordinación y remisión a servicios de apoyo comunitario y social.

Las remisiones para ECM pueden hacerse utilizando el formulario que se encuentra en el sitio web de Molina.

Se necesita autorización previa para los servicios de Administración de cuidados mejorada y de apoyos a la comunidad. Los miembros deben cumplir determinados requisitos.

Para comprobar si la ECM puede ser adecuada para usted, hable con su proveedor de atención médica o llame al Departamento de Servicios para Miembros al 1-888-665-4621 (en inglés) (TTY/ TDD 711), de lunes a viernes de 7:00 a.m. a 7:00 p.m. La llamada es gratuita.

¿Qué son los apoyos a la comunidad?

Los apoyos a la comunidad (CS) son servicios o

o entornos que pueden ofrecerse en lugar de otros servicios o entornos cubiertos. Son una alternativa médicamente apropiada y rentable a un servicio cubierto por Molina. Los CS son opcionales: los miembros no están obligados a utilizar un CS en lugar de un servicio o centro cubierto.

Estos servicios están disponibles para los miembros de Medi-Cal que reúnan los requisitos, independientemente de si reúnen los requisitos para los servicios de ECM.

Población de interés (PoF) de ECM

Los miembros que participen en la ECM recibirán principalmente servicios de administración de cuidados en persona, prestados en la comunidad del miembro, por agencias proveedoras de ECM contratadas que atiendan a la Población de interés (PoF) específica del miembro. La ECM coordinará toda la atención a los miembros de mayor riesgo con necesidades médicas y sociales complejas, incluso a través de los sistemas de prestación de salud física y conductual, al tiempo que aborda los determinantes sociales de la salud.

También verá los siguientes símbolos PoF junto a los proveedores de ECM de nuestra red: A-HOM, A-HU, A-SMI/SUD, A-JI, A-LTC, A-NF, A-BEQ, CY-HOM, CY-HU, CY-SMI/SUD, CY-CCS, CY-CW, CY-JI,

CY-BEQ. A continuación le explicaremos qué significa cada código.

A-SMI/SUD: Adultos con necesidades graves de salud mental y/o trastornos por consumo de sustancias (SUD)
