Si tiene alguna pregunta, llame a Molina Dual Options MyCare Ohio al (855) 665-4623, TTY: 711, de lunes a viernes, de 8:00 a.m. a 8:00 p.m., hora local. Los medicamentos que se encuentran en la *Lista de Medicamentos Cubiertos* que comienza en la página 14 son los medicamentos cubiertos por Molina Dual Options MyCare Ohio. Estos medicamentos están disponibles en las farmacias de nuestra red. Una farmacia está incluida dentro de nuestra red si tenemos un contrato para trabajar con ellos y para ofrecerle los servicios. Nos referimos a estas farmacias como “farmacias de la red”.

- Molina Dual Options MyCare Ohio cubrirá todos los medicamentos médicamente necesarios incluidos en la Lista de Medicamentos si:
  - Su doctor u otro recetador dice que los necesita para mejorar o mantenerse saludable.
  - Surte la receta médica en las farmacias de la red de Molina Dual Options MyCare Ohio.
- Es posible que Molina Dual Options MyCare Ohio disponga pasos adicionales para acceder a ciertos medicamentos (consulte la pregunta B4 a continuación).

También puede consultar la lista actualizada de los medicamentos que tienen cobertura en nuestro sitio web en MolinaHealthcare.com/Duals o puede llamar al Departamento de Servicios para Miembros al (855) 665-4623, TTY: 711, de lunes a viernes, de 8:00 a.m. a 8:00 p.m., hora local.

B2. ¿La Lista de Medicamentos se modifica?

Sí, y Molina Dual Options MyCare Ohio debe seguir las políticas de Medicare y Medicaid cuando realiza cambios. Podemos agregar o eliminar medicamentos de la Lista de Medicamentos durante el año.

También podemos cambiar nuestras políticas sobre los medicamentos. Por ejemplo, podríamos:

- Decidir si exigir o no una autorización previa para algún medicamento. (Una autorización previa es el permiso otorgado por Molina Dual Options MyCare Ohio antes de que usted pueda obtener un medicamento).
- Añadir o cambiar la cantidad de un medicamento que usted puede obtener (llamado límites de cantidades).
- Añadir o cambiar restricciones de terapia progresiva con respecto a un medicamento. (Terapia progresiva significa que usted podría tener que probar un medicamento antes de que cubramos otro medicamento).

Para obtener más información sobre estas políticas de medicamentos, consulte la pregunta B4.

Si está tomando un medicamento que estaba cubierto **al principio** del año, generalmente no retiraremos ni cambiaremos la cobertura de ese medicamento **durante el resto del año,** a menos que**:**

- Surja en el mercado un nuevo medicamento más económico que sea tan efectivo como alguno de los medicamentos que se encuentran en la Lista de Medicamentos actual.
- Nos enteremos de que un medicamento no es seguro.
- Un medicamento sea retirado del mercado.

Las preguntas B3 y B6 a continuación contienen más información sobre lo que sucede cuando se modifica la Lista de Medicamentos.

- Siempre puede consultar la Lista de Medicamentos actualizada de Molina Dual Options MyCare Ohio en línea en MolinaHealthcare.com/Duals.
- Para consultar la Lista de Medicamentos actualizada, también puede llamar al Departamento de Servicios para Miembros al (855) 665-4623, TTY: 711, de lunes a viernes, de 8:00 a.m. a 8:00 p.m., hora local.

B3. ¿Qué sucede cuando hay un cambio en la Lista de Medicamentos?

Algunos cambios a la Lista de Medicamentos serán **inmediatos**. Por ejemplo:

- **Un nuevo medicamento genérico se vuelve disponible.** A veces, se lanzan al mercado medicamentos genéricos nuevos que son tan efectivos como los medicamentos de marca registrada que se encuentran en la Lista de Medicamentos actual. Cuando eso sucede, podemos retirar el medicamento de marca registrada y agregar el nuevo medicamento genérico, pero su costo por el nuevo medicamento permanecerá igual. Cuando agregamos un nuevo medicamento genérico, también podemos decidir mantener el medicamento de marca registrada en la lista, pero cambiar las políticas o los límites de cobertura.
    - Es posible que no le avisemos antes de hacer el cambio, pero le enviaremos información sobre los cambios específicos que hagamos cuando esto ocurra.
    - Usted o su proveedor pueden solicitar una excepción a esos cambios. Le enviaremos un aviso con los pasos que puede seguir para solicitar una excepción. Consulte la pregunta B10 para obtener más información sobre las excepciones.
- **Un medicamento se retira del mercado.** Si la Administración de Alimentos y Medicamentos (Food and Drug Administration, FDA) confirma que un alimento que

actualmente toma no es seguro, o el fabricante del medicamento retira un medicamento del mercado, lo sacaremos de la Lista de Medicamentos. Si está tomando el medicamento, se lo haremos saber. Hable con su doctor u otro recetador para encontrar una alternativa que sea segura para usted.

Es posible que hagamos otros cambios que afecten los medicamentos que usted toma. Le diremos con anticipación acerca de estos otros cambios a la Lista de Medicamentos. Estos cambios pueden ocurrir si ocurren las siguientes situaciones:

- La FDA proporciona nuevas guías o hay nuevas pautas clínicas sobre un medicamento.
- Agregamos un medicamento genérico que no es nuevo en el mercado**.**
  - Reemplazamos un medicamento de marca que actualmente está en la Lista de Medicamentos.
  - Cambiamos las políticas o límites de cobertura para el medicamento de marca registrada.

Cuando estos cambios sucedan:

- Le avisaremos, por lo menos, 30 días antes de implementar el cambio en la Lista de Medicamentos.
- Le avisaremos y le daremos la cantidad de medicamentos necesarios para 60 días después de que pida una renovación.

Esto le dará tiempo para hablar con su doctor u otro recetador. Pueden ayudarlo a decidir:

- Si hay algún otro medicamento similar en la Lista de Medicamentos que pueda tomar en su lugar.
- Si pedir una excepción a estos cambios. Para conocer más sobre las excepciones, consulte la pregunta B10.

B4. ¿Existen restricciones o límites en la cobertura de los medicamentos o pasos necesarios que se deben seguir para obtener ciertos medicamentos?

Sí, algunos medicamentos tienen políticas de cobertura o límites en la cantidad que puede obtener. En algunos casos, usted, su doctor u otro recetador deben hacer algo antes de que pueda obtener el medicamento. Por ejemplo:

- **Aprobación previa (o autorización previa):** para algunos medicamentos, usted, su doctor u otro recetador deben obtener una autorización de Molina Dual Options

MyCare Ohio antes de surtir la receta médica. Molina Dual Options MyCare Ohio podría no cubrir el medicamento si no obtiene una autorización.

- **Límites de cantidad:** en ocasiones, Molina Dual Options MyCare Ohio limita la cantidad de un medicamento que puede recibir.
- **Terapia progresiva:** a veces, Molina Dual Options MyCare Ohio le solicita que realice terapia progresiva. Esto significa que tendrá que probar medicamentos en un orden determinado para el tratamiento de su enfermedad. Tendrá que probar un medicamento antes de que cubramos otro medicamento. Si su doctor cree que el primer medicamento no funciona para tratar su enfermedad, entonces cubriremos el segundo.

Puede ver si su medicamento tiene requisitos o límites adicionales si consulta las tablas de las páginas 14 - 173. También puede obtener más información en nuestro sitio web MolinaHealthcare.com/Duals. Hemos publicado documentos en línea que explican nuestras restricciones de autorización previa y terapia progresiva. También puede pedirnos que le enviemos una copia.

Puede pedir una excepción a estos límites. Esto le dará tiempo para hablar con su doctor u otro recetador. Lo podrán ayudar a decidir si hay algún otro medicamento similar en la Lista de Medicamentos que usted pueda tomar en su lugar o si tiene que solicitar una excepción. Consulte las preguntas de la B10 a la B12 para obtener más información sobre las excepciones.

B5. ¿Cómo sabré si el medicamento que necesito tiene límites o si tengo que seguir algunos pasos necesarios para obtenerlo?

La tabla de medicamentos de la página 13 tiene una columna llamada “Acciones necesarias, restricciones o límites de uso”.

B6. ¿Qué sucede si Molina Dual Options MyCare Ohio cambia sus normas sobre algunos medicamentos (p. ej., la autorización previa [aprobación], los límites de cantidad o las restricciones en la terapia progresiva)?

En algunos casos, le notificaremos con antelación si agregamos o cambiamos las condiciones sobre la autorización previa, los límites de cantidad o las restricciones en la terapia progresiva de un medicamento. Consulte la pregunta B3 para obtener más información sobre este aviso previo y las situaciones en las que podríamos no notificarle con antelación los cambios de las políticas sobre los medicamentos de la Lista.

B7. ¿Cómo puedo encontrar un medicamento en la Lista de Medicamentos?

Hay dos maneras de encontrar un medicamento:

- Puede buscar alfabéticamente por el nombre del medicamento.
- Puede buscar por enfermedad.

Para buscar **alfabéticamente**, vaya al índice de la sección de Medicamentos Cubiertos. Puede encontrarlo en la página 174.

Para buscar **por enfermedad**, busque la sección llamada “Medicamentos Agrupados por Enfermedad” en la página 12. Los medicamentos de esta sección se agrupan en categorías según el tipo de enfermedades que tratan. Por ejemplo, si tiene una enfermedad cardíaca, debe buscar en la categoría Beta-blockers. Ahí es donde encontrará medicamentos que tratan las enfermedades cardíacas.

B8. ¿Qué sucede si el medicamento que necesito tomar no está incluido en la Lista de Medicamentos?

Si no encuentra su medicamento en la Lista de Medicamentos, llame al Departamento de Servicios para Miembros al (855) 665-4623, TTY: 711, de lunes a viernes, de 8:00 a.m. a 8:00 p.m., hora local y pregunte al respecto. Si le informan que Molina Dual Options MyCare Ohio no cubrirá el medicamento, puede tomar alguna de las siguientes medidas:

- Solicite al Departamento de Servicios para Miembros una lista de medicamentos que son similares al que tiene que tomar. A continuación, muestre la lista a su doctor o recetador. Le pueden recetar un medicamento que sea similar al que necesita tomar y que se encuentre en la Lista de Medicamentos. **O**
- Puede solicitarle al plan de salud que haga una excepción para cubrir su medicamento. Consulte las preguntas de la B10 a la B12 para obtener más información sobre las excepciones.

B9. ¿Qué sucede si soy un miembro nuevo de Molina Dual Options MyCare Ohio y no puedo encontrar mi medicamento en la Lista o tengo problemas para obtener mi medicamento?

Podemos ayudarlo. Podemos cubrir el suministro provisional de 60 días de su medicamento durante los primeros 90 días de su membresía en Molina Dual Options MyCare Ohio. Esto le dará tiempo para hablar con su doctor u otro recetador. Lo podrán ayudar a decidir si hay algún otro medicamento similar en la Lista de Medicamentos que usted pueda tomar en su lugar o si tiene que solicitar una excepción.

Si su receta médica está escrita para menos días, permitiremos varias renovaciones para proveer hasta un máximo de 60 días del medicamento.

Cubriremos un suministro de 60 días de su medicamento si se cumple alguna de las siguientes condiciones:

- Usted toma un medicamento que no está en nuestra Lista de Medicamentos.
- Las políticas del plan de salud no le permiten obtener la cantidad solicitada por el recetador.
- El medicamento requiere la autorización previa de Molina Dual Options MyCare Ohio**.**
- Está tomando un medicamento sujeto a una restricción de terapia progresiva.

Podemos ayudarlo si se encuentra en una residencia para ancianos o en otro centro de atención a largo plazo y necesita un medicamento que no está en la Lista de Medicamentos, o si no puede obtener fácilmente el medicamento que necesita. Si usted ha estado en el plan durante más de 90 días, reside en un centro de atención a largo plazo y necesita un suministro de inmediato:

- Cubriremos un suministro de 60 días del medicamento que necesite (a menos que tenga una receta por menos días), independientemente de si es un miembro nuevo de Molina Dual Options MyCare Ohio.
- Esto se proporcionará de forma adicional al suministro provisional durante los primeros 90 días de su membresía en Molina Dual Options MyCare Ohio.

Política de transición

Es posible que los miembros nuevos de nuestro plan estén tomando medicamentos que no están en nuestro formulario o que están sujetos a ciertas restricciones, como la autorización previa o la terapia progresiva. Los miembros actuales también pueden resultar afectados por los cambios en nuestro formulario de un año al otro. Los miembros deben hablar con sus doctores para decidir si deben cambiarse a otro medicamento cubierto o solicitar una excepción de formulario con el fin de obtener la cobertura del medicamento. Consulte el Manual del Miembro para obtener más información sobre cómo solicitar una excepción. Comuníquese con el Departamento de Servicios para Miembros si su medicamento no está en nuestro formulario, está sujeto a determinadas restricciones, como la autorización previa o la terapia progresiva, o si ya no estará en nuestro formulario del próximo año y usted necesita ayuda para reemplazarlo con un medicamento diferente cubierto o solicitar una excepción de formulario.

Durante el periodo en que los miembros consultan con sus doctores para determinar el curso de acción correcto, es posible que proporcionemos un suministro provisional del medicamento que no está en el formulario si esos miembros necesitan renovar el medicamento durante los

primeros 90 días de la nueva membresía en nuestro plan para medicamentos Parte D (categoría 1 y 2) y 90 días para los medicamentos de Medicaid (categoría 3). Si usted es un miembro actual afectado por un cambio en el formulario de un año al otro, proporcionaremos un suministro provisional del medicamento que no está en el formulario si necesita una renovación del medicamento durante los primeros 90 días del nuevo año del plan.

Cuando un miembro va a una farmacia de la red porque le proporcionamos un suministro provisional de un medicamento que no está en nuestro formulario, está sujeto a restricciones o tiene límites de cobertura (pero que de otro modo se considera un “medicamento Parte D”), cubriremos un suministro de 60 días (a menos que la receta esté hecha para menos días). Por lo general, después de cubrir el suministro provisional de 60 días, no cubriremos nuevamente estos medicamentos como parte de nuestra política de transición.

Le enviaremos un aviso por escrito después de cubrir su suministro provisional. En este aviso se explicarán los pasos que puede seguir para solicitar una excepción y cómo trabajar con su doctor para decidir si debe cambiar a un medicamento adecuado que sí esté cubierto.

B10. ¿Puedo solicitar una excepción para cubrir mi medicamento?

Sí. Puede solicitarle a Molina Dual Options MyCare Ohio una excepción para que cubra un medicamento que no esté incluido en la Lista de Medicamentos.

También puede solicitarnos que cambiemos las políticas de su medicamento.

- Por ejemplo, Molina Dual Options MyCare Ohio puede limitar la cantidad de un medicamento que cubriremos. Si su medicamento tiene un límite, puede solicitar que cambiemos el límite y se otorgue más cobertura.
- Otros ejemplos: Puede solicitar que quitemos las restricciones de la terapia progresiva o los requisitos de autorización previa.

B11. ¿Cómo puedo solicitar una excepción?

Para solicitar una excepción, comuníquese con el Departamento de Servicios para Miembros. Un representante del Departamento de Servicios para Miembros trabajará con usted y con su proveedor para solicitar una excepción. También puede leer el Capítulo 9 del Manual del Miembro para obtener más información sobre las excepciones.

B12. ¿Cuánto tiempo se requiere para obtener una excepción?

Después de que obtengamos una declaración de su recetador que apoye su solicitud de una excepción, le daremos una decisión dentro de 72 horas. Su recetador puede llamar a Molina Dual Options o enviar por fax la declaración de apoyo al (866) 290-1309.

Si usted o su recetador piensan que su salud podría verse afectada por esperar 72 horas para recibir la resolución, puede solicitar una excepción acelerada. Esta es una decisión más rápida. Si su recetador apoya su solicitud, le informaremos de la resolución dentro de las 24 horas siguientes a la recepción de la declaración de apoyo de su recetador.

B13. ¿Qué son los medicamentos genéricos?

Los medicamentos genéricos tienen los mismos principios activos que los medicamentos de marca registrada. Por lo general, el costo es menor en comparación con el medicamento de marca registrada y no suelen tener nombres conocidos. Los medicamentos genéricos están aprobados por la FDA.

Molina Dual Options MyCare Ohio cubre medicamentos de marca registrada y medicamentos genéricos.

B14. ¿Qué son los medicamentos de venta libre (OTC)?

OTC significa “over-the-counter” (de venta libre) y Molina Dual Options MyCare Ohio cubre algunos medicamentos OTC cuando son recetados por su proveedor.

Puede consultar la Lista de Medicamentos de Molina Dual Options MyCare Ohio para ver qué medicamentos OTC están cubiertos.

B15. ¿Molina Dual Options MyCare Ohio cubre productos no farmacológicos OTC?

Molina Dual Options MyCare Ohio cubre algunos productos no farmacológicos OTC cuando son recetados por su proveedor.

Algunos ejemplos de productos no farmacológicos OTC incluyen *non-aspirin tab 325 mg, cough syp 100/5 ml*.

Puede consultar la Lista de Medicamentos de Molina Dual Options MyCare Ohio para averiguar qué productos no farmacológicos OTC están cubiertos.

B16. ¿Cuál es mi copago?

Como miembro de Molina Dual Options MyCare Ohio, no tiene copagos por los medicamentos recetados y de venta libre, siempre que siga las políticas de Molina Dual Options MyCare Ohio.

B17. ¿Qué son las categorías de medicamentos?

Las categorías son grupos de medicamentos en nuestra Lista de Medicamentos.

- Los medicamentos de la categoría 1 son medicamentos genéricos. Por los medicamentos de categoría 1, usted no paga nada.
- Los medicamentos de categoría 2 son los medicamentos de marca registrada. Por los medicamentos de categoría 2, usted no paga nada.
- Los medicamentos de la categoría 3 son medicamentos recetados o medicamentos de venta libre (OTC) no cubiertos por Medicare. Por los medicamentos de categoría 3, usted no paga nada.

C. Medicamentos agrupados por enfermedad

Los medicamentos de esta sección se agrupan en categorías según el tipo de enfermedades que tratan. Por ejemplo, si tiene una enfermedad cardíaca, debe buscar en la categoría Beta-blockers. Ahí es donde encontrará medicamentos que tratan las enfermedades cardíacas.

En la siguiente Lista de Medicamentos Cubiertos se le ofrece información sobre los medicamentos cubiertos por Molina Dual Options MyCare Ohio. Si tiene problemas para encontrar el medicamento en la lista, consulte el Índice de Medicamentos Cubiertos que comienza en la página 174. El índice enumera alfabéticamente todos los medicamentos cubiertos por Molina Dual Options MyCare Ohio.

En la primera columna de la tabla, se indica el nombre del medicamento. Los medicamentos de marca registrada están en mayúscula (p. ej., BYSTOLIC) y los medicamentos genéricos están en minúscula cursiva (p. ej., metoprolol).

En la columna de acciones necesarias, restricciones o límites de uso se informa si Molina Dual Options MyCare Ohio tiene políticas de cobertura para su medicamento.

Nota: El símbolo * junto a un medicamento significa que el medicamento no es un “medicamento Parte D”. La cantidad que paga cuando surte una receta médica de este medicamento no se considera parte de los costos totales por medicamentos (es decir, la cantidad que paga no contribuye a su calificación para la cobertura catastrófica).

- Además, si obtiene Ayuda Adicional para pagar sus recetas médicas, no recibirá Ayuda Adicional para pagar estos medicamentos. Para obtener más información sobre la Ayuda Adicional, consulte el cuadro a continuación.

Ayuda Adicional es un programa de Medicare que ayuda a las personas con ingresos y recursos limitados a reducir sus costos de medicamentos recetados de Medicare Parte D, como primas, deducibles y copagos. A este programa de ayuda adicional también se lo conoce como “Subsidio por bajos ingresos” o “LIS”.

- Estos medicamentos también tienen diferentes políticas para las apelaciones. Una apelación es una manera formal de solicitarnos que revisemos nuestra decisión de cobertura y la cambiemos si usted cree que cometimos un error. Por ejemplo, podríamos decidir que un medicamento que usted necesita ya no está cubierto por Medicare o Medicaid.
- Si usted o su doctor no están de acuerdo con nuestra decisión, puede apelar. Para solicitar información sobre cómo presentar una apelación, llame al Departamento de Servicios para Miembros al (855) 665-4623, TTY: 711, de lunes a viernes, de 8:00 a.m. a 8:00 p.m., hora local. También puede leer el Capítulo 9 del *Manual del Miembro* para aprender cómo apelar una decisión.

A continuación, se indican los significados de los códigos utilizados en la columna “Acciones necesarias, restricciones o límites de uso”:

PA (prior authorization) = AP (autorización previa): debe obtener una aprobación para recibir este medicamento.

QL (quantity limits) = LC (límites de cantidad): la cantidad de medicamentos que cubrirá el plan.

ST (step therapy criteria) = TP (criterios de terapia progresiva): debe probar otro medicamento antes de obtener este.

NM (non-mail order) = SE (pedido sin envío): este medicamento no se puede adquirir por correo.

B/D = este medicamento puede estar cubierto bajo Medicare Parte B o D, según las circunstancias.

LA (limited access drug) = AL (medicamento de acceso limitado): es posible que este medicamento solo esté disponible en algunas farmacias.

(*) = medicamentos no incluidos en la parte D o elementos OTC cubiertos por Medicaid.

NDS (non-extended days supply) = SSED (suministro sin extensión de días): se limitará la cantidad de días de suministro que puede recibir.
