

Molina Switching to New POD This Summer: Your Accurate Information is Essential.

Molina moves to a new Online Provider Directory Your accurate information is essential

Ensure your information is current on the new Molina Online Provider Directory.

Molina members use the Online Provider Directory to find the right providers for the care they need. Accuracy is critical. Confirm your demographic information and update any special areas of focus or training that reflect your practice.

If you have updates, contact Molina **within two (2) weeks of receiving this notification**. Take these steps:

- **Roster Submissions:** submit your most current roster following the standard process.
- **Non-Roster submissions:** submit your changes on the [Provider Information Update Form](#) found on the Molina Healthcare Provider website at MolinaHealthcare.com under the “Forms” section.

Key benefits of Molina’s new Online Provider Directory:

- User-friendly and intuitive navigation
- Provider profile cards for quick access to information
- Easy browse by category, search bar and common searches
- Expanded search options and filtering
- Provides members an easier way to save provider information

The new Molina Online Provider Directory will roll out in phases, beginning this summer 2021.

Please contact your Provider Services Representative with any questions.

Thank you for the important health care you provide Molina members.
