¹Method:

H = Hybrid. Rates based on Medical Record Review

A = Administrative. Rates based on claims/encounter data only.

² Per NCQA guidelines, 5% is added to all scores for purposes of accreditation scoring.
(exceptions: CI Combo 2 + 8%; AI Combo 2 +10%; HBP +7%; Cholesterol Screening +7%; Pharyngitis +15% and Postpartum +7% due to regional variations)

³ Accreditation rating reflects revised NCQA Accreditation Scoring Guidelines issued 4/14/2008.
All benchmarks reflect the appropriate regional adjustments
