NEW TECHNOLOGY

Molina Healthcare is always looking for ways to take better care of our Members. That is why Molina Healthcare has a process in place that looks at new medical technology, drugs, and devices for possible added benefits.

Our Medical Directors find new medical procedures, treatment, drugs and devices when they become available. They present research information to the Utilization Management Committee where physicians review the technology. Then they suggest whether it can be added as a new treatment for Molina Healthcare members.

For more information on new technology, please call Molina Healthcare Member Services.

WHAT DO I HAVE TO PAY FOR?

You do not have to pay any co-payments or deductibles for covered medical services. However, you may have to pay for medical services when:

- You ask for and get medical services that are not covered by Medi-Cal, such as cosmetic surgery.
- You ask for and get health care services from a doctor or hospital that is not with Molina Healthcare without getting an approval from your PCP or Molina Healthcare that are not Emergency or out of area Urgent Care services.

If Molina Healthcare fails to pay a Molina Healthcare provider for giving you covered services, you are not responsible for paying the provider. California State Law requires Molina Healthcare to put this statement into all of its contracts with providers. This is not true for providers who are not contracted with Molina Healthcare. For information on how to file a grievance if you receive a bill, please see below.

What if I have paid a medical bill or prescription?

(Reimbursement Provisions)

If you have paid for a covered service or prescription that was approved or does not require approval, Molina Healthcare will pay you back. You will need to mail or fax us a copy of the bill from the doctor, hospital or pharmacy and a copy of your receipt. If the bill is for a prescription, you will need to include a copy of the prescription label. Mail this information to Molina Healthcare Member Services. The address is on the first page of this booklet.

After we receive your letter, we will respond to you within thirty (30) days. If your claim is accepted, we will mail you a check. If not, we will send you a letter telling you why. If you do not agree with this, you may appeal by calling Molina Healthcare toll-free at 1 (888) 665-4621, Monday through Friday, 7:00 a.m. to 7:00 p.m.

HOW DOES MOLINA HEALTHCARE PAY FOR MY CARE?

Molina Healthcare contracts with providers in many ways. Providers at Molina Medical Centers are employees of Molina Healthcare. Other Molina Healthcare network providers are paid a flat amount for each month that you are assigned to their care, whether you see the provider or not. There are also some providers who are paid on a fee-for-service basis. This means that they are paid for each procedure they perform. Some providers may be offered incentives for giving quality preventive care. Molina Healthcare does not provide financial incentives for utilization management decisions that could result in referral denials or under-utilization. For more information about how providers are paid, please call Molina Healthcare's Member Services Department toll-free at 1 (888) 665-4621, Monday through Friday, 7:00 a.m. to 7:00 p.m. You may also call your provider's office, your provider's medical group or IPA for this information.

INDEPENDENT MEDICAL REVIEW

You may request an independent medical review (“IMR”) of a disputed healthcare service from the Department of Managed Health Care (DMHC) if you believe that healthcare services have been improperly denied, modified, or delayed by Molina Healthcare or one of its contracted providers. A “disputed healthcare service” is any healthcare service eligible for coverage and payment that has been denied, modified, or delayed by Molina Healthcare or one of its contracted providers, in whole or in part because the service is not medically necessary.

The IMR process is in addition to any other procedures or remedies that may be available to you. The IMR process is not available if you have already filed for a State Fair Hearing. You pay no application

or processing fees of any kind for IMR. You have the right to give information in support of the request for an IMR. Molina Healthcare will give you an IMR application form with any disposition letter that denies, modifies, or delays healthcare services. A decision not to take part in the IMR process may cause you to lose any statutory right to take legal action against Molina Healthcare regarding the disputed health care service.

Eligibility: Your application for an IMR will be reviewed by the DMHC to confirm that:

1. A. Your provider has recommended a healthcare service as medically necessary, or
 - B. You have received urgent care or emergency services that a provider determined was medically necessary, or
 - C. You have been seen by a Plan Provider for the diagnosis or treatment of the medical condition for which you seek medical review;
2. The disputed healthcare service has been denied, modified, or delayed by Molina Healthcare or one of its contracting providers, based in whole or in part on a decision that the healthcare service is not medically necessary; and
3. You have filed a grievance with Molina Healthcare or its contracting provider and the disputed decision is upheld or the grievance remains unresolved after thirty (30) days. You are not required to wait for a response from Molina Healthcare for more than thirty (30) days.

If your grievance requires **Expedited Review** you may bring it immediately to the DMHC’s attention. You are not required to wait for response from Molina Healthcare for more than three (3) days. The DMHC may waive the requirement that you follow Molina Healthcare’s

grievance process in extraordinary and compelling cases.

If your case is eligible for IMR, the dispute will be submitted to a medical specialist who will make an independent determination of whether or not the care is medically necessary. You will get a copy of the assessment made in your case. If the IMR determines the service is medically necessary, Molina Healthcare will provide the healthcare service.

For non-urgent cases, the IMR organization designated by the DMHC must provide its determination within thirty (30) days of receipt of your application and supporting documents. For urgent cases involving an imminent and serious threat to your health, including but not limited to, serious pain, the potential loss of life, limb, or major bodily function, or the immediate and serious deterioration of your health, the IMR organization must provide its determination within three (3) days.

For more information regarding the IMR process, or to request an application form, please call Molina Healthcare toll-free at 1 (888) 665-4621. If you are deaf or hard of hearing, call our dedicated TTY line toll-free at 1 (800) 479-3310 or call the California Relay Service at 711.
