

**EFFECTIVE DECEMBER 15, 2010**

**Walgreens will no longer be a part of the Molina Healthcare of Florida pharmacy network. Your Molina network still has more than 3,600 pharmacies in Florida including large pharmacies like:**

- **CVS/pharmacy**
- **Publix**
- **Target**
- **Wal-Mart**
- **Winn-Dixie**

These are not the only pharmacies you can use. You can use any of our pharmacies. You can find other pharmacies by using the “Find a Local Pharmacy” at [www.molinahealthcare.com](http://www.molinahealthcare.com) or call Member Services at 1- 866-472-4585. For speech and hearing impaired call 1-800-955-8771 (TTY line).

If you choose to fill prescriptions at Walgreens after this date, Molina Healthcare will not pay for this prescription cost. You will still get the full benefit of your prescription benefit plan at any Molina participating pharmacy.

#### **How Do I Switch to a New Pharmacy?**

You do not need to go back to Walgreens to move your prescription. Your drug label has all the details that are needed. If you have an existing prescription at Walgreens with refills remaining, in most cases you can easily have your new pharmacy transfer the prescription for you.

If you need to move a prescription, call or visit the nearest Molina participating pharmacy. Bring your prescription bottle to the pharmacy or give the needed information to the pharmacist over the phone. The new pharmacy will handle your next refill.

New prescriptions may be filled at any Molina participating network pharmacy.

If you have any questions, call Molina Member Services at 1-866-472-4585, Monday to Friday; 8:00am to 7:00pm.

For speech and hearing impaired call 1-800-955-8771 (TTY)

8300 NW 33rd St., Ste 400  
Doral, FL 33122
