

## **Changes in the New Mexico Medicaid Benefit Package**

There are changes coming to the Salud! benefits. These changes will start on May 14, 2010. The Human Services Department is removing bariatric surgery (weight loss surgery). This will no longer be a Medicaid benefit.

There are also changes to Adult Vision benefits. These changes will start May 14, 2010. Adult benefits are being reduced. You can have one exam, one pair of lenses or one pair of contact lenses within a thirty-six (36) month period.

Such Services are Funded in Part under Contract with the State of New Mexico.
