The Molina doctor may ask you to come to the office or may refer you to an Urgent Care Clinic or emergency room. Be sure to tell the doctor that you are a Molina Healthcare member.

Molina may have you stay at that hospital even if it is not one of the hospitals listed above. Or they may transfer you to another hospital. It is important to let the hospital know Molina is your CHIP provider so they can call us if they are admitting you. Molina and the hospital need to work out the details about your admission, including whether you should stay there or you should be transferred to one of our hospitals. PAYMENT FOR SERVICES

Co-pay / Co-Insurance

You may have a co-pay and/or co-insurance due at the time you receive medical care, if the care you are getting is a covered benefit. Co-payments are listed on your Molina Healthcare ID card that you receive. **Please take your co-payment with you when you go to the doctor or he or she may not see you.** If you are admitted to the hospital and have a co-insurance, the hospital will help you to make arrangements to pay it.

You may have to pay for services if:

- You get a service that is not covered by Molina Healthcare
- You get a service that is not pre-approved by Molina Healthcare but should have been
- You get non-emergency service from a doctor or hospital that is not a provider with Molina Healthcare.
- You do not go to a Molina Provider.

If any of the above three things happen, the provider might ask you to pay for the service. You should only be billed if you signed in writing that you would pay for the service, before you received the service.

The information in this directory is subject to change. If you have any questions regarding the status of a particular provider, please contact Molina Member Services at 1-888-483-0760 or TTY at 1-800-346-4128.

- Hospital or Outpatient facilities
- Surgery
- Some office procedures
- Some x-rays and laboratory tests
- Home Health Care

We will notify your doctor about our decision. If the request for service is not approved by Molina we will send you a letter telling you why. You then have the right to appeal that decision if you do not agree (see the Member Medical Appeal section of this booklet).

WELL CHILD

Molina Healthcare wants to help you keep your children healthy. Many health problems begin during childhood. The good news is that, most of these problems can be prevented through early exam and treatment. Also, there is no co-pay for well child check-ups.

Please call your Molina doctor or Member Services to get information about Well Child check-ups. Our goal is to make sure that your children stay healthy and grow to become healthy adults. The best way to have a happy, healthy child is to have regular checkups for them. If you are at your doctor's office because your child is sick and a well-child exam is due, ask if the check-up can be done at that time. The following schedule is when your child should have a well-child exam.

2-3 days- usually at birth	24 months	13 years
By 1 month	3 years	14 years
2 months	4 years	15 years
4 months	5 years	16 years
6 months	6 years	17 years
9 months	8 years	18 years
12 months	10 years	19 years
15 months	11 years	20 years
18 months	12 years	

OTHER MEDICAL SERVICES

Children may need other types of care. Some of this care may be for physical, occupational, speech therapy, medical equipment, including wheelchairs or nurses in the home. Your doctor needs to call Molina Healthcare for approval for these services before you can get them.

PRE-NATAL AND MATERNITY CARE

Early medical care is very important to the health of pregnant women and their baby's. If you think you are pregnant, or when you know you are pregnant, please call your doctor. Call us and we will help you choose a doctor who will be your Molina doctor while you are pregnant.

As soon as you are pregnant, it is very important to:

- Get an appointment with your doctor

AND

- Keep getting care the whole time you are pregnant.

Benefits

EXPERIMENTAL OR INVESTIGATIONAL MEDICAL PRACTICES

Experimental or Investigational medical practices are NOT a covered benefit of the CHIP program. Therefore, Molina Healthcare does NOT cover those services.

REVIEW OF NEW TECHNOLOGY FOR INCLUSION AS A COVERED BENEFIT

New ways to treat illnesses are being developed every day. Because of this, Molina Healthcare of Utah has a process to review new treatments to better care for our members. The process starts when Molina becomes aware of, or there is a request for, the use of a new treatment. Our Medical Director or the Molina New Technology Committee review the new treatments.

In order to make a good decision about the use of any new treatments; we look at a lot of information. For example, we look at medical studies, government documents (such as FDA bulletins) and the opinions of specialists. If we decide that new treatments will help our members, we ask the State for approval so that it can become a covered benefit.

GRIEVANCE PROCESS

ACTIONS

What are actions? An action is when Molina Healthcare:

- Denies (turns down) or approves fewer services than you wanted.
- Decreases the number of services or ends a service we had previously approved (If you agree with the change in your treatment, it is not an action. This is only an action if you tell us that you do not want the change).
- Denies payment for a service that you might have to pay for.

You will know that the health plan is taking an action because we will send you a letter called a Notice of Action. You may appeal the action.

MEMBER MEDICAL APPEALS

What is an Appeal?

An appeal is when you write us and ask us to look at the action again to see if the right decision was made.

Who may file an Appeal?

You, your authorized representative, or your doctor may file an Appeal. If the doctor files for you, you must give your written permission. We will include an Appeal form with your Notice of Action letter. If you need help filing an Appeal, please call the appeals coordinator at **(801) 858-0454 ext. 170454**.

When does an appeal have to be filed by?

Your Notice of Action letter will give you complete information on the Appeal process, including how soon you must tell us you want to Appeal the action. In some cases, you must let us know within **10 calendar days** and in other cases, within **30 calendar days** of the date on the Notice of Action letter. We will let you know which time frame applies.

If you ask to keep getting medical care related to your Appeal or during a State Fair Hearing, you may have to pay for this care. You would only have to pay for the care if your Appeal or the State Fair Hearing decision is **NOT** in your favor.

Molina Healthcare will usually be able to give you a written decision within **30 calendar days** after we get your Appeal. Sometimes, we need more time to make the decision. We will let you know in writing if this is the case. **YOU** may also want us to take more time for some reason. If so, let us know. An extension of 14 calendar days is possible if you agree.

EXPEDITED (QUICK) APPEAL

A quick (expedited) appeal is available if your healthcare provider (doctor) feels you need immediate attention. This kind of appeal will be completed quickly in no more than 72 hours (3 calendar days) after we get the request.

The information in this directory is subject to change. If you have any questions regarding the status of a particular provider, please contact Molina Member Services at 1-888-483-0760 or TTY at 1-800-346-4128.

STATE FAIR HEARING

What may I do if I am unhappy with the Appeal decision?

If you disagree with our decision, or we cannot make a decision on your Appeal as soon as the State wants us to. You, your authorized representative, or your doctor may ask for a State Fair Hearing.

In this case, we will tell you in a letter that you may request a State Fair Hearing. The letter will tell you how and when to request the State Fair Hearing. We will also give you the form to use if you want to request a State Fair Hearing. You must mail this request to the address on the form within 30 days of the date on the letter.

COMPLAINTS / GRIEVANCES

What if I have a complaint?

A grievance is a complaint about anything other than an action (see above). A few examples of grievances include:

- the quality of care of services given to you
- rudeness of a doctor
- Molina staff person not respecting your rights.
- Your doctor does not give you an appointment within the required amount of time, or
- Does not settle an appeal or grievance you filed with us as soon as we are supposed to.

How do I file a grievance?

You, your authorized representative, or your doctor may file a grievance. You can file a grievance by doing any one of the following:

- You may call Member Services at **1-888-483-0760** and tell us about your grievance, or
- Make an appointment with our Member Services so you can talk with us in person, or
- File your grievance in writing at:

Molina Healthcare of Utah
ATTN: Member Services
7050 S. Union Park Center, Suite 200
Midvale, UT 84047

When will Molina Healthcare tell me the decision about my grievance?

We try to make a decision about your grievance right away; sometimes we can often resolve the problem while you are on the phone. If not we will give you a decision within **45 calendar days** after we get your grievance. We will either talk to you about our decision, or we will send you a letter. If you gave us your grievance in writing, we will send you a letter back.

Sometimes we may not be able to let you know our decision within **45 calendar days** and we will ask for **14 more days** to resolve your grievance. If this is the case, we will let you know in writing why we need more time. You may also want us to take more time for some reason. If so, let us know.

The information in this directory is subject to change. If you have any questions regarding the status of a particular provider, please contact Molina Member Services at 1-888-483-0760 or TTY at 1-800-346-4128.

Other Services

APPEALING A COMPLAINT OR GRIEVANCE

If I do not agree with the decision, what are my rights?

You have the right to Appeal any decision that resulted in an adverse action (a decision that you disagree with). An example of this would be if you were told that you could not change doctors when you wanted to. In this case, you will get a Notice of Action letter, about your complaint, which will include an appeal form and tell you what to do.

In some cases, **you may not have the right** to Appeal a grievance. For example, if your doctor was rude, there is no adverse action (a decision that you disagree with) to Appeal, even though we follow-up on the grievance. In this case, we will let you know that an Appeal is not necessary.

When does a grievance appeal have to be filed by?

Your Notice of Action letter will give you all the information on the Appeal process, including how soon you must tell us that you want to Appeal the action. You must let us know within **30 days of the date** on the Notice of Action letter.

Molina Healthcare will usually be able to give you a written decision within **15 calendar days** after we get your Appeal. Sometimes, we need more time to make the decision. We will let you know in writing if this is the case. YOU may also want us to take more time for some reason. If so, let us know.

EXPEDITED (QUICK) GRIEVANCE APPEAL

When you, your doctor, or we think it is important to make a decision on your Grievance appeal quickly, we will usually make a decision within **72 hours**.

STATE FAIR HEARING

What may I do if I am unhappy with the Appeal decision?

If you are unhappy with our decision on your Appeal, or we cannot make a decision on your Appeal as soon as the State wants us to. You, your authorized representative, or your doctor may ask for a State Fair Hearing.

In this case, we will tell you in a letter that you may request a State Fair Hearing. The letter will tell you how and when to request the State fair hearing. We will also give you the State Fair Hearing request form to send to the State. You must ask for a State Fair Hearing in writing.

The information in this directory is subject to change. If you have any questions regarding the status of a particular provider, please contact Molina Member Services at 1-888-483-0760 or TTY at 1-800-346-4128.
