

**Billing Update: UB04 Missing Info
Effective October 1, 2010**

Dear Hospital Administrator:

During a recent audit of inpatient and ambulatory outpatient hospital claims it was discovered that the following required information is not always included on the UB04 when billing:

- Full name (first and last) of the admitting practitioner/physician; and
- ICD-9 inpatient procedure codes.

Effective October 1, 2010, claims submitted without this required information will be denied.

Please Note: Molina Healthcare of New Mexico, Inc. (Molina Healthcare) will soon require the Present on Admission (POA) indicator be billed on all claims for inpatient admissions for general acute care hospitals.

Please contact your designated Provider Service Representative toll free at (800) 377-9594 with any questions.

Thank you,

Molina Healthcare of New Mexico, Inc.
