## Molina Healthcare of Ohio, Inc. partners with UC Health Partners

Effective December 1, 2006, Molina Healthcare of Ohio, Inc. (MHO) will delegate the access, referral, and treatment of behavioral health conditions for its Medicaid consumers to UC HealthPartners (a division of Alliance Behavioral Care). We believe this partnership will foster quality care while expanding our resources for these services.

UC HealthPartners, located in Cincinnati, Ohio, is a managed behavioral healthcare organization that specializes in the management of behavioral health care to Medicaid-covered patients. Recognized as a leader in managed behavioral healthcare, the organization was the recipient of the National Managed Health Care Congress and Eli Lilly 2001 Behavioral Healthcare Leadership Award. This annual award is presented to the behavioral healthcare organization that provides innovative and creative leadership to improve the behavioral healthcare field.

As a part of this transition, UC HealthPartners is currently working to expand their network by contacting each MHO behavioral health provider who is not yet a part of their existing network. If you have not yet been contacted, please call:
