PRIMARY CARE PROVIDER

What is a Primary Care Provider?

A Primary Care Provider is someone who knows you well and takes care of your medical needs. Your Primary Care Provider may be a physician or a clinic chosen from the Molina Healthcare Provider Directory. Your Primary Care Provider will treat most of your health care needs. If your Primary Care Provider cannot treat a need, you will be referred to a provider who can.

Choosing a Primary Care Provider

You can pick any primary care provider in this provider booklet. Once you have selected a Primary Care Provider, call Member Services with the name of the Primary Care Provider you selected.

OB/GYN Care

- You can select an OB/GYN care provider from this booklet.
- Molina does not limit your selection of an OB/GYN to your Primary Care Provider's network.
- You have the right to select an OB/GYN without a referral from your Primary Care Provider.

Behavioral Health Care Services

- You can pick a behavioral health provider from this booklet.
- You do not need a referral from your Primary Care Provider for behavioral health services.

Ancillary Providers

- You can call Molina Member Services for a complete listing of these providers.

Behavioral Health Center

If you need mental health services, you may self-refer directly to a CHIP Behavioral Health Center. Please refer to the Behavioral Health section of this Provider Directory, or call our Behavioral Health Center at 1-800-818-5837 for the names and telephone numbers of the facilities near you.

If you have questions about mental health services or providers, please call Molina Healthcare Member Services at 1-877-319-6826.

CHIP Perinatal Program

Molina's CHIP Perinatal Program provides coverage for health care services to members identified prior to birth, whose mother is not eligible for Medicaid or CHIP. These pregnant women (adults or teens) are ineligible for Medicaid or CHIP due to either their income or their immigration status. Individuals found eligible for the CHIP Perinatal Program receive 12 months of continuous coverage from the month of the eligibility determination. This period includes the months of prenatal coverage and the months subsequent to birth.

***Remember to take your Molina Healthcare ID card to your visit.**
