

Dental Services

We've partnered with Avesis, a national dental company, to provide services to our Molina Medicare Options Plus Plan Members.

Your benefits include an annual plan benefit maximum of \$1,000 and there is a \$10 copay for preventive and comprehensive dental office visits.

Some services require prior authorization. Your Avesis network provider will handle any plan-required authorizations for you. Avesis network dentists may collect reasonable and customary fees for services not covered by your supplemental dental benefits. You're responsible to pay for services you receive 1.) after the maximum coverage for that procedure is met and/or 2.) after your plan benefit maximum has been reached and/or 3.) from providers who aren't in the Avesis network.

Note: Only services provided by dentists in the Avesis network are covered. Services are limited to specific ADA CDT codes.
