# Providers

## Getting started in Molina Dual Options

This section explains key terms you'll see in our Provider and Pharmacy Directory.

- **Providers** are health care professionals and support providers such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, long-term services and supports, supplies, prescription drugs, equipment and other services.
  - The term *providers* also includes facilities such as hospitals, clinics, and other places that provide medical services, medical equipment, and long-term services and supports.
  - Providers that are a part of our plan's network are called **network providers**.
- **Network providers** are the providers that have contracted with us to provide services to members in our plan. The providers in our network generally bill us directly for care they give you. When you see a network provider, you usually pay nothing for covered services.
- A **Primary Care Provider (PCP)** is a physician, nurse practitioner, or other health care professional who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time. Your PCP will also give you a **referral** if you need to see a specialist or other provider.
- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
  - **Oncologists** care for patients with cancer.
  - **Cardiologists** care for patients with heart conditions.
  - **Orthopedists** care for patients with certain bone, joint, or muscle conditions.
- Molina assigns members to medical groups/IPAs. A Medical Group holds a contract with Molina Healthcare of California for the MMP Program and has a network of Providers. When Provider is a part of a Group/IPA, Provider means and includes all constituent physicians, allied health professionals and staff persons who provide health care services to Members by and/or through the Group/IPA. Provider is licensed to render certain Health Care services and desires to provide such services to Health Plan's Members in connection with Health Plan's contractual obligations to provide and/or arrange for Health Care Services for Health Plan's Members.

If you have questions, please call Molina Dual Options at (855) 665-4627, TTY/TDD: 711, Monday – Friday, 8 a.m. to 8 p.m., local time. The call is free. For more information, visit [www.MolinaHealthcare.com/Duals](http://www.MolinaHealthcare.com/Duals).

- You may need a **referral** to see a specialist or someone that is not your PCP. A **referral** means that your network PCP must give you approval before you can see the other provider. If you don't get a referral, Molina Dual Options may not cover the service.
  - Referrals from your network PCP are not needed for:
    - Emergency care;
    - Urgently needed care;
    - Kidney dialysis services that you get at a Medicare-certified dialysis facility when you are outside the plan's service area; or
    - Services from a women's health specialist.
    - Services not listed on the Molina Healthcare Prior Authorization List or listed as not requiring Prior Authorization.
  - Additionally, if you are eligible to get services from Indian health providers, you may see these providers without a referral. We must pay the Indian health provider for those services even if they are out of our plan's network.
  - More information on referrals is available in Chapter 3 of the Member Handbook.
- You also have access to a Case Manager and a Care Team that you help choose.
  - A **Case Manager** is one main person for you to contact. This person helps coordinate your care and manage your services to ensure you receive what is needed.
  - Your **Care Team, led by your Molina Case Manager**, will assess your needs to determine if you need help in other areas besides health, such as physical or social needs. Your Care Team is built around your preferences and decisions are made with you. Everyone on the care team works together to make sure your care is coordinated. This means that they make sure tests and labs are done once and the results are shared with the appropriate providers. It also means that your PCP should know all medicines you take so that he or she can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers. Your Molina Care Manager will develop a Care Plan with you. The Care Plan will list all of your needs, set goals and look at ways to monitor if your needs are being met. It may also include a service plan if you receive Home and Community Based Services.
  - Your **Care Team** may include, but is not limited to the following people:
    - Primary Care Provider
    - Specialty Care Providers
    - Registered Nurses (RN)

- Molina Case Manager
- Utilization Management Staff
- Molina Medical Director
- Pharmacists

## Choosing a Primary Care Provider (PCP)

You can get services from any provider who is in our network and accepting new members.

First, you will need to choose a Primary Care Provider. You may be able to have a specialist act as your PCP.

Our plan's PCPs are affiliated with medical groups. When you choose your PCP, you are also choosing the affiliated medical group. This means that your PCP will be referring you to specialists and services that are also affiliated with his or her medical group.

- If there is a particular specialist or hospital that you want to use, it is important to see whether they are affiliated with your PCP's medical group. You can look in this directory, or ask Molina Dual Options Member Services to check to see if the PCP you want makes referrals to that specialist or uses that hospital.

To choose a PCP, go to the list of providers on page 1 and choose a provider:

- that you use now, *or*
- who has been recommended by someone you trust, *or*
- whose offices are easy for you to get to.

→ If you want help in choosing a PCP, please call Member Services at (855) 665-4627, TTY/TDD: 711, Monday – Friday, 8 a.m. to 8 p.m., local time. The call is free. Or, visit [www.MolinaHealthcare.com/Duals](http://www.MolinaHealthcare.com/Duals).

→ If you have questions about whether we will pay for any medical service or care that you want or need, call Member Services and ask **before** you get the service or care.

---

**If you have questions**, please call Molina Dual Options at (855) 665-4627, TTY/TDD: 711, Monday – Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit [www.MolinaHealthcare.com/Duals](http://www.MolinaHealthcare.com/Duals).

## Identifying Providers in Molina Dual Options' Network

You must get all of your covered services from providers within our network that are affiliated with your PCP's medical group. If you go to providers who are not in Molina Dual Options' *network* and are not affiliated with your PCP's medical group (without prior authorization or approval from us), you will have to pay the bill.

The exceptions to this rule are when you need urgent or emergency care or dialysis and cannot get to a provider in the plan, such as when you are away from home. No services are covered outside the United States, except for emergency services requiring hospitalization in Canada or Mexico. You can also go outside the plan or your PCP's medical group if Molina Dual Options gives you permission first.

You may need a referral to see someone who is not a Primary Care Provider. There is more information about referrals in the "Getting started in Molina Dual Options" section of this Directory on page iii.

- You may change providers within the network at any time. If you have been going to one network provider, you do not have to keep going to that same provider. PCP changes completed by the 25<sup>th</sup> of the month will be in effect on the first day of the following calendar month. Any changes on or after the 26<sup>th</sup> of the month will be in effect on the first day of the second calendar month. You can change your PCP through your personal website at [www.mymolina.com](http://www.mymolina.com) or you may contact Member Services for more information about any of our Molina Healthcare providers and request the PCP change. For some providers, you may need a referral from your PCP (except for emergent and out of area urgent care services).
- Remember, our plan's PCPs are affiliated with medical groups. If you change your PCP, you may also be changing medical groups. When you ask for the change, be sure to tell Member Services whether you are seeing a specialist or getting other covered services that require PCP approval. Member Services will help make sure that you can continue your specialty care and other services when you change your PCP.
- Molina Dual Options works with all the providers in our network to accommodate the needs of people with disabilities. As applicable, the list of network providers in this Directory includes information about the accommodations they provide. If you need to see a provider and are not sure if they offer the accommodations you need, Molina Dual Options can help you. Talk to your Case Manager for assistance or call Member Services at (855) 665-4627, TTY/TDD: 711, Monday – Friday, 8 a.m. to 8 p.m., local time.

## Primeros pasos en Molina Dual Options

Esta sección explica términos claves que usted encontrará en nuestro Directorio de proveedores y farmacias.

- **Los proveedores** son profesionales de atención médica y proveedores de apoyo, tales como médicos, enfermeras, farmacéuticos, terapeutas y otras personas que proporcionan cuidados y servicios. **Los servicios** incluyen cuidado médico, servicios y respaldos a largo plazo, servicios, suministros, medicamentos de receta, equipos y otros servicios.
  - El término *proveedores* también incluye hospitales, clínicas y otros sitios que proporcionan servicios médicos, equipo médico y servicios y respaldos a largo plazo.
  - A los proveedores que son parte de la red de nuestro plan les llamamos **proveedores de la red**.
- **Los proveedores de la red** son los proveedores que tienen contratos para proporcionar servicios a los miembros de nuestro plan. Los proveedores de nuestra red, de manera general, nos cobran directamente por el cuidado que le dan a usted. Cuando usted visita a un proveedor de la red, por lo general, no paga nada por los servicios cubiertos.
- Un **proveedor de atención primaria (PCP)** es un médico, enfermera especializada u otro profesional de atención médica que le proporciona su atención médica de rutina. Su PCP llevará sus expedientes médicos y con el tiempo le conocerá a usted y sus necesidades de salud. Su PCP también le dará una **remisión** si necesita ver a un especialista u otro proveedor.
- **Los especialistas** son médicos que proporcionan servicios de cuidado de salud para una enfermedad o parte del cuerpo específicas. Existen muchos tipos de especialistas. Aquí hay unos cuantos ejemplos:
  - Los **oncólogos** cuidan de pacientes con cáncer.
  - Los **cardiólogos** cuidan de pacientes con enfermedades del corazón.

con una red de proveedores. En los casos en que el proveedor es un grupo / IPA, proveedor significa, e incluye, todos los médicos, profesionales de la salud y personal participante que brindan servicios de atención médica a los miembros a través del grupo / IPA. El proveedor está autorizado a prestar ciertos servicios de atención médica y desea prestarlos a los miembros del plan de salud en relación con las obligaciones contractuales del plan de atención médica a los efectos de brindar o coordinar dichos servicios para los miembros.

- Es posible que necesite una **remisión** para consultar un especialista o a alguien que no sea su PCP. Una **remisión** significa que su PCP de la red debe darle su aprobación antes de que pueda ver a otro proveedor. Si usted no recibe la remisión, Molina Dual Options no podrá cubrir el servicio.
  - No se necesita una remisión de su PCP de la red para:
    - atención de Emergencia;
    - cuidado necesario urgentemente;
    - servicios de diálisis renal que usted recibe en una institución de diálisis certificada por Medicare, cuando usted está fuera del área de servicio del plan; o
    - servicios de un especialista en salud para la mujer.
    - Los servicios que no están en la lista de autorización previa de Molina Healthcare o que se indica que no requieren autorización previa.
  - Además, si usted es elegible para obtener servicios de proveedores de salud indios, usted puede ver estos proveedores sin remisión. Debemos pagar al proveedor de salud indio por esos servicios, aunque estén fuera de la red de nuestro plan.
  - Encontrará más información sobre remisiones en el Capítulo 3 del Manual del miembro.
- Usted también tiene acceso a un a un Administrador de Cuidados y a un Equipo de Cuidados que usted elija.
  - Una de las personas principales con quien debe ponerse en contacto es un **Administrador de Casos**. Esta persona lo asiste en la coordinación de su atención y la administración de sus servicios para asegurarse de que reciba lo que necesita.
  - Su **Equipo de Cuidados**, dirigido por su **Administrador de Casos de Molina**, evaluará sus necesidades para determinar si necesita ayuda en otras áreas,

además de sus necesidades de salud, como sus necesidades físicas o sociales. Su Equipo de Cuidados se desarrolla conforme a sus necesidades y se toman decisiones para usted. Todos en el equipo de cuidados trabajan en conjunto para asegurarse de que su cuidado sea coordinado. Esto significa que se aseguran de que las pruebas y exámenes de laboratorio se hacen una vez y los resultados se comparten con los proveedores correctos. También significa que su PCP debe conocer todos los medicamentos que toma para reducir cualquier efecto negativo. Su PCP siempre obtendrá su permiso antes de compartir su información médica con otros proveedores. Su Administrador de Cuidados de Molina desarrollará un plan de cuidado con usted. El plan de cuidados contendrá todas sus necesidades, fijará metas y determinará las maneras de asegurar que sus necesidades sean atendidas. ## Cómo escoger a un proveedor de atención primaria (PCP)

Usted puede recibir servicios de cualquier proveedor de nuestra red que acepte miembros nuevos.

Primero, deberá escoger un Proveedor de atención primaria. Es posible que pueda tener a un especialista como su PCP.

Los PCP de nuestro plan están afiliados a grupos médicos. Cuando usted elige su PCP, también está eligiendo al grupo médico afiliado. Esto significa que el PCP lo referirá a especialistas y servicios que también estén afiliados a su grupo médico.

Puede buscar en este directorio o consultar los servicios para miembros de Molina Dual Options para asegurarse de que el PCP que desea realice remisiones a ese especialista o utilice ese hospital.

Debe recibir toda su atención de los proveedores dentro de nuestra red que están afiliados con el grupo médico de su PCP. Si visita proveedores que no están en la *red* de Molina Dual Options y que no están afiliados al grupo médico de su PCP (sin autorización previa de nosotros o sin nuestra aprobación), usted tendrá que pagar la factura.

Las excepciones a esta regla son cuando usted necesite cuidado urgente o de emergencia o diálisis y no puede ir a un proveedor del plan, como cuando usted y su familia están lejos de casa. Ningún servicio está cubierto fuera de los Estados Unidos, excepto los servicios de emergencia que requieran de hospitalización en Canadá o México. Usted también puede ir fuera del plan o del grupo médico de su PCP si Molina Dual Options lo autoriza primero.

Es posible que necesite una remisión para consultar a alguien que no es un proveedor de atención primaria. Encontrará más información sobre las remisiones en la sección “Primeros pasos en Molina Dual Options” de este Directorio de proveedores y farmacias en la página xiii.

- Usted puede cambiar de proveedores dentro de la red en cualquier momento. Si ha estado consultando un proveedor de la red, usted no tiene que seguir viendo a ese proveedor. Todos los cambios de PCP realizados antes del día 25 del mes entrarán en vigencia el primer día del siguiente mes calendario. Cualquier cambio realizado el día 26 del mes o después entrará en vigor el primer día del segundo mes natural. Puede cambiar a su PCP a través de su página web personal en [www.mymolina.com](http://www.mymolina.com) o comunicarse con el Departamento de Servicios para Miembros para obtener más información sobre cualquiera de nuestros proveedores de Molina Healthcare y sobre las solicitudes para cambiar a su PCP. Para algunos proveedores, es posible que necesite una remisión por su PCP (excepto en casos de emergencia y servicios de urgencia fuera del área).
- Recuerde que los PCP de nuestro plan están afiliados a grupos médicos. Si cambia su PCP, puede estar cambiando también grupos médicos. Cuando solicite el cambio, asegúrese de comunicarle al Departamento de Servicios para Miembros si está consultando a un especialista o recibiendo otros servicios cubiertos que requieran la aprobación del PCP. El Departamento de Servicios para Miembros se asegurará de que pueda continuar con su atención especializada cuando cambie su PCP.
- Molina Dual Options trabaja con todos los proveedores en nuestra red para adaptarse a las necesidades de las personas con discapacidades. Según corresponda, la lista de proveedores dentro de la red en este Directorio incluye la información sobre las adaptaciones que proporcionan los proveedores.
