Providers

Getting started in Molina Dual Options

This section explains key terms you'll see in our Provider and Pharmacy Directory.

- **Providers** are health care professionals and support providers such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, long-term services and supports, supplies, prescription drugs, equipment and other services.
 - The term *providers* also includes facilities such as hospitals, clinics, and other places that provide medical services, medical equipment, and long-term services and supports.
 - Providers that are a part of our plan's network are called **network providers**.
- **Network providers** are the providers that have contracted with us to provide services to members in our plan. The providers in our network generally bill us directly for care they give you. When you see a network provider, you usually pay nothing for covered services.
- A **Primary Care Provider (PCP)** is a physician, nurse practitioner, or other health care professional who gives you routine health care. Your PCP will keep your medical records

If you have questions, please call Molina Dual Options at (877) 901-8181, TTY/TDD: 711, Monday – Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit www.MolinaHealthcare.com/Duals.

and get to know your health needs over time. Your PCP will also give you a **referral** if you need to see a specialist or other provider.

- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
 - **Oncologists** care for patients with cancer.
 - **Cardiologists** care for patients with heart conditions.
 - **Orthopedists** care for patients with certain bone, joint, or muscle conditions.
- Molina assigns members to medical groups/IPAs. A Medical Group holds a contract with Molina Healthcare of Illinois for the MMP Program and has a network of Providers. When Provider is a part of a Group/IPA, Provider means and includes all constituent physicians, allied health professionals and staff persons who provide health care services to Members by and/or through the Group/IPA. Provider is licensed to render certain Health Care services and desires to provide such services to Health Plan's Members in connection with Health Plan's contractual obligations to provide and/or arrange for Health Care Services for Health Plan's Members.
- You may need a **referral** to see a specialist or someone that is not your PCP. A **referral** means that your network PCP must give you approval before you can see the other provider. If you don't get a referral, Molina Dual Options may not cover the service.
 - Referrals from your network PCP are not needed for:
 - Emergency care;
 - Urgently needed care;
 - Kidney dialysis services that you get at a Medicare-certified dialysis facility when you are outside the plan's service area; or
 - Services from a women's health specialist.
 - Services not listed on the Molina Healthcare Prior Authorization Guide or listed as not requiring Prior Authorization.
 - Additionally, if you are eligible to get services from Indian health providers, you may see these providers without a referral. We must pay the Indian health provider for those services even if they are out of our plan's network.
 - More information on referrals is available in Chapter 3 of the Member Handbook.

- You also have access to a Care Team and a Care Coordinator that you help choose.
 - A **Care Coordinator**, working closely with you, will lead your Care Team and develop a Care Plan that helps you manage your medical, behavioral health, long term supports and services, and social and functional needs.
 - Your **Care Team** may include, but is not limited to the following people: Primary Care Provider, Specialty Care Provider, Registered Nurse (RN), Molina Case Manager, Utilization Management Staff, Molina Medical Director, Pharmacists, and Waiver Service Coordinator. Everyone on the Care Team, led by the Care Coordinator, works together to make sure your care is coordinated. This means that they make sure your providers are aware of care you get, medicines you take, and that tests and labs are done once and the results are shared with the appropriate providers. Your Care Team will also assess your needs to determine if you need help in other areas besides health, such as physical or social needs. Your Care Team will be in contact with you as often as needed depending on the Care Plan that you help develop.
 - A **Care Plan** will be developed with your help by the Care Coordinator and Care Team. The Care Plan will list all of your needs, set goals to address those needs, and determine ways to monitor if those needs are being met or if they need to be changed. It will also include a service plan if you are getting Home and Community Based Services.

Choosing a Primary Care Provider (PCP)

You can get services from any provider who is in our network and accepting new members.

First, you will need to choose a Primary Care Provider. Members can pick a specialist as their PCP in some situations. If you are pregnant, have a disability, have chronic health conditions or special health care needs, a specialist can be your PCP. If you and your specialist believe that he or she should be your PCP, call Molina Healthcare. Call (877) 901-8181, TTY/TDD: 711, Monday – Friday, 8 a.m. to 8 p.m., local time to speak with Member Services.

Our plan's PCPs are affiliated with medical groups. When you choose your PCP, you are also choosing the affiliated medical group. This means that your PCP will be referring you to specialists and services that are also affiliated with his or her medical group.

If you have questions, please call Molina Dual Options at (877) 901-8181, TTY/TDD: 711, Monday – Friday, 8 a.m. to 8 p.m., local time. The call is free. For more information, visit www.MolinaHealthcare.com/Duals.

- If there is a particular specialist or hospital that you want to use, it is important to see if they are affiliated with your PCP's medical group. You can look in this Directory or ask Molina Dual Options Member Services to check to see if the PCP you want makes referrals to that specialist or uses that hospital. If you don't stay within your PCP's medical group, Molina Dual Options may not cover the service.

To choose a PCP, go to the list of providers on page 1 and choose a provider:

- that you use now, *or*
- who has been recommended by someone you trust, *or*
- whose offices are easy for you to get to.

→ If you want help in choosing a PCP, please call (877) 901-8181, TTY/TDD: 711, Monday – Friday, 8 a.m. to 8 p.m., local time. Or, visit www.MolinaHealthcare.com/Duals.

→ If you have questions about whether we will pay for any medical service or care that you want or need, call Member Services and ask **before** you get the service or care.

Getting long-term services and supports

As a Molina Dual Options member, you may be able to get long-term services and supports (LTSS), such as the following waiver programs: Elderly, Supportive Living Facility, Persons with Disability, Traumatic Brain Injury and Persons with HIV/AIDS as a Molina Dual Options member. Long-term services and supports are help for people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital.

If you need assistance with daily activities like bathing, dressing or grooming you can speak with a Molina Case Manager by contacting our Member Services department at (877) 901-8181, TTY/TDD 711, Monday - Friday, 8 a.m. to 8 p.m., local time.

Identifying Providers in Molina Dual Options' Network

You may need a referral to see someone who is not a Primary Care Provider. There is more information about referrals in the "Getting started in Molina Dual Options" section of this Directory on page ii.

You must get all of your covered services from providers within our network that are affiliated with your PCP's medical group. If you go to providers who are not in Molina Dual Options' network and are not affiliated with your PCP's medical group (without prior authorization or approval from us), you will have to pay the bill.

If you have questions, please call Molina Dual Options at (877) 901-8181, TTY/TDD: 711, Monday – Friday, 8 a.m. to 8 p.m., local time. The call is free. **For more information**, visit www.MolinaHealthcare.com/Duals.

The exceptions to this rule are when you need urgent or emergency care or dialysis and cannot get to a provider in the plan, such as when you are away from home. You can also go outside the plan or your PCP's medical group for other non-emergency services if Molina Dual Options gives you permission first.

- You may change providers within the network at any time. If you have been going to one network provider, you do not have to keep going to that same provider. You can change your PCP at any time. All changes completed by the 25th of the month will be in effect on the first day of the following calendar month. Any changes on or after the 26th of the month will be in effect on the first day of the second calendar month. However, we recommend that you first visit your doctor to get to know your PCP before changing. You can call Member Services if you want more information about any of our Molina Healthcare providers. For some providers, you may need a referral from your PCP (except for emergent, out of area urgent care, out of area dialysis and family planning services).

- Remember, our plan's PCPs are affiliated with medical groups. If you change your PCP, you may also be changing medical groups. When you ask for the change, be sure to tell Member Services if you are seeing a specialist or getting other covered services that require PCP approval. Member Services will help make sure that you can continue your specialty care and other services when you change your PCP.

- Molina Dual Options works with all the providers in our network to accommodate the needs of people with disabilities. As applicable, the list of network providers in this Directory includes information about the accommodations they provide. If you need to see a provider and are not sure if they offer the accommodations you need, Molina Dual Options can help you. Talk to your Case Manager for assistance.

Primeros pasos en Molina Dual Options

Esta sección explica términos claves que usted encontrará en nuestro Directorio de proveedores y farmacias.

- **Los proveedores** son profesionales de atención médica y proveedores de apoyo, tales como médicos, enfermeras, farmacéuticos, terapeutas y otras personas que proporcionan cuidados y servicios. **Los servicios** incluyen cuidado médico, servicios y respaldos a largo plazo, servicios, suministros, medicamentos de receta, equipos y otros servicios.

Cuando usted visita a un proveedor de la red, por lo general, no paga nada por los servicios cubiertos.
- Un **proveedor de atención primaria (PCP)** es un médico, enfermera especializada u otro profesional de atención médica que le proporciona su atención médica de rutina. Su PCP llevará sus expedientes médicos y con el tiempo le conocerá a usted y sus necesidades de salud. Su PCP también le dará una **remisión** si necesita ver a un especialista u otro proveedor.

Si tiene alguna pregunta, llame a Molina Dual Options al (877) 901-8181, TTY / TDD al 711, de lunes a viernes, de 8:00 a. m. a 8:00 p. m., hora local. La llamada es gratuita. **Para obtener más información**, visite www.MolinaHealthcare.com/Duals.

- Molina asigna a los miembros a grupos médicos / IPA. Un grupo médico es un proveedor que tiene un contrato con Molina Healthcare of Illinois para el programa MMP y cuenta con una red de proveedores. En los casos en que el proveedor es un grupo / IPA, proveedor significa, e incluye, todos los médicos, profesionales de la salud y personal participante que brindan servicios de atención médica a los miembros a través del grupo / IPA. El proveedor está autorizado a prestar ciertos servicios de atención médica y desea prestarlos a los miembros del plan de salud en relación con las obligaciones contractuales del plan de atención médica a los efectos de brindar o coordinar dichos servicios para los miembros.
- Es posible que necesite una **remisión** para consultar un especialista o a alguien que no sea su PCP. Una **remisión** significa que su PCP de la red debe darle su aprobación antes de que pueda ver a otro proveedor. Si usted no recibe la remisión, Molina Dual Options no podrá cubrir el servicio.
 - No se necesita una remisión de su PCP de la red para:
 - atención de Emergencia;
 - cuidado necesario urgentemente;
 - servicios de diálisis renal que usted recibe en una institución de diálisis certificada por Medicare, cuando usted está fuera del área de servicio del plan; o
 - servicios de un especialista en salud para la mujer.
 - Los servicios que no están en la guía de preautorización de Molina Healthcare o que se indican que no requieren preautorización.
 - Además, si usted es elegible para obtener servicios de proveedores de salud indios, usted puede ver estos proveedores sin remisión. Debemos pagar al proveedor de salud indio por esos servicios, aunque estén fuera de la red de nuestro plan.
 - Encontrará más información sobre remisiones en el Capítulo 3 del Manual del miembro.
- Usted también tiene acceso a un Equipo de Cuidados y un Coordinador de Cuidados que usted ayuda a elegir.
 - Un **Coordinador de Cuidados**, que trabaja estrechamente con usted, dirigirá su equipo de cuidados y desarrollará un plan de cuidados de salud para ayudarle a administrar sus respaldos y servicios de salud del comportamiento y sus necesidades sociales y funcionales.

- Su **Equipo de Cuidados** puede incluir, entre otros, las siguientes personas: Proveedor de atención primaria, especialista, enfermero profesional (RN), administrador de casos de Molina, personal de administración de utilización, director médico de Molina, farmacéuticos y coordinador de servicios de exención. El Coordinador de Cuidados dirige a todos los integrantes del Equipo de Cuidados, quienes trabajan en conjunto para asegurarse que sus cuidados estén coordinados. Esto significa que se aseguran que sus proveedores estén al corriente de la atención que usted obtiene, los medicamentos que toma y las pruebas y exámenes de laboratorio que le hacen y que los resultados se compartan con los proveedores apropiados. Su Equipo de Cuidados también evaluará sus necesidades para determinar si necesita ayuda en otras áreas, además de sus necesidades de salud, como sus necesidades físicas o sociales. Su Equipo de Cuidados estará en contacto con usted tan seguido como sea necesario, dependiendo del plan de cuidados que usted ayude a desarrollar.
- El Coordinador de Cuidados y el equipo de cuidados desarrollarán, con su ayuda, un **Plan de Cuidados**. El Plan de Cuidados contendrá todas sus necesidades, fijará metas para atender esas necesidades y determinará las maneras de comprobar que esas necesidades se cumplan o si se necesitan cambiar. También incluirá un plan de servicios si usted obtiene Servicios en el Hogar y la Comunidad.

Cómo escoger a un proveedor de atención primaria (PCP)

Usted puede recibir servicios de cualquier proveedor de nuestra red que acepte miembros nuevos.

Primero, necesita elegir un proveedor de atención primaria. Los miembros pueden elegir un especialista como su PCP en determinadas situaciones. Un especialista puede ser su PCP si está embarazada, tiene una discapacidad, tiene una afección de salud crónica o necesidades especiales de atención médica. Si usted y su especialista creen que él o ella podría ser su PCP, comuníquese con Molina Healthcare. Para hablar con Servicios para Miembros llame al (877) 901-8181, TTY / TDD al 711, de lunes a viernes, de 8:00 a. m. a 8:00 p. m., hora local.

Los PCP de nuestro plan están afiliados a grupos médicos. Cuando usted elige su PCP, también está eligiendo al grupo médico afiliado. Esto significa que el PCP lo referirá a especialistas y servicios que también estén afiliados a su grupo médico.

Si tiene alguna pregunta, llame a Molina Dual Options al (877) 901-8181, TTY / TDD al 711, de lunes a viernes, de 8:00 a. m. a 8:00 p. m., hora local. La llamada es gratuita. **Para obtener más información**, visite www.MolinaHealthcare.com/Duals.

- Si desea utilizar un especialista o un hospital determinado, es importante saber si están afiliados al grupo médico de su PCP. Puede consultar el directorio o hablar con el Departamento de Servicios para Miembros de Molina Dual Options para verificar si el PCP que usted desea hace remisiones a ese especialista o si usa ese hospital. Si usted no se mantiene dentro del grupo médico del PCP, es posible que Molina Dual Options no cubra el servicio.

Para elegir un PCP, consulte la lista de proveedores en la página 1 y elija un proveedor:

- que lo esté atendiendo en actualmente, *o*
 - que se lo haya recomendado alguien de confianza, *o*
 - cuyo consultorio es de fácil acceso para usted.
- Si necesita ayuda para elegir a un PCP llame al (877) 901-8181, TTY / TDD al 711, de lunes a viernes, de 8:00 a. m. a 8:00 p. m., hora local. Visite a www.MolinaHealthcare.com/Duals.
- Si tiene alguna pregunta sobre si pagaremos algún servicio o cuidado médico que usted quiera o necesite, llame al Departamento de Servicios para Miembros y pregunte antes de recibir los servicios o el cuidado.

Cómo recibir servicios y respaldos a largo plazo

Como miembro de Molina Dual Options, puede recibir Servicios y Apoyo a Largo Plazo (LTSS, por sus siglas en inglés), tales como los siguientes programas de exención: Servicios para ancianos, centros de ayuda para la vida diaria, personas con discapacidades, lesiones traumáticas del cerebro y personas con VIH o SIDA como miembros de Molina Dual Options. Los Servicios y respaldos a largo plazo son ayuda para las personas que necesitan asistencia para realizar tareas cotidianas, como bañarse, vestirse, preparar comida y tomar medicamentos. La mayoría de esos servicios son proporcionados en su hogar o en su comunidad, pero podrían ser proporcionados en un hogar de cuidados para adultos mayores u hospital.

Si necesita ayuda con sus actividades diarias, tal como bañarse, vestirse o el aseo personal, puede hablar con un Administrador de Casos de Molina llamando al Departamento de Servicios para Miembros al (877) 901-8181, TTY / TDD al 711, de lunes a viernes, de 8:00 a. m. a 8:00 p. m, hora local.

Identificar a los proveedores en la red de Molina Dual Options

Si tiene alguna pregunta, llame a Molina Dual Options al (877) 901-8181, TTY / TDD al 711, de lunes a viernes, de 8:00 a. m. a 8:00 p. m., hora local. La llamada es gratuita. **Para obtener más información**, visite www.MolinaHealthcare.com/Duals.

Es posible que necesite una remisión para consultar a alguien que no es un proveedor de atención primaria. Encontrará más información sobre las remisiones en la sección “Primeros pasos en Molina Dual Options” de este Directorio de proveedores y farmacias en la página x.

Debe recibir toda su atención de los proveedores dentro de nuestra red que están afiliados con el grupo médico de su PCP. Si visita proveedores que no están en la red de Molina Dual Options y que no están afiliados al grupo médico de su PCP (sin autorización previa de nosotros o sin nuestra aprobación), usted tendrá que pagar la factura.

Las excepciones a esta regla son cuando usted necesite cuidado urgente o de emergencia o diálisis y no puede ir a un proveedor del plan, como cuando usted y su familia están lejos de casa. Usted también puede salir fuera del plan o del grupo médico de su PCP para otros servicios que no sean de emergencia si Molina Dual Options lo autoriza primero.

- Usted puede cambiar de proveedores dentro de la red en cualquier momento. Si ha estado consultando un proveedor de la red, usted no tiene que seguir viendo a ese proveedor. Puede cambiar su PCP en cualquier momento. Todos los cambios realizados antes del día 25 del mes entrarán en vigor el primer día del siguiente mes natural. Cualquier cambio realizado el día 26 del mes o después entrará en vigor el primer día del segundo mes natural. Sin embargo, le recomendamos que primero consulte a su médico para conocer a su PCP antes de cambiar. Puede comunicarse con el Departamento de Servicios para Miembros si desea más información acerca de cualquier proveedor de Molina Healthcare. Para algunos proveedores, es posible que necesite una remisión de su PCP (excepto en casos de servicios de emergencia, atención médica urgente fuera del área, diálisis y servicios de planificación familiar fuera del área).

- Recuerde que los PCP de nuestro plan están afiliados a grupos médicos. Si cambia su PCP, puede estar cambiando también grupos médicos. Cuando solicite el cambio, asegúrese de comunicarle al Departamento de Servicios para Miembros si está consultando a un especialista o recibiendo otros servicios cubiertos que requieran la aprobación del PCP. El Departamento de Servicios para Miembros se asegurará de que pueda continuar con su atención especializada cuando cambie su PCP.

- Molina Dual Options trabaja con todos los proveedores en nuestra red para adaptarse a las necesidades de las personas con discapacidades. Según corresponda, la lista de proveedores dentro de la red en este Directorio incluye la información sobre las adaptaciones que proporcionan los proveedores. Si necesita ver a un proveedor y no está seguro si ofrece las adaptaciones que usted necesita, Molina Dual Options le puede ayudar. Hable con su Administrador de Casos para recibir ayuda.

Si tiene alguna pregunta, llame a Molina Dual Options al (877) 901-8181, TTY / TDD al 711, de lunes a viernes, de 8:00 a. m. a 8:00 p. m., hora local. La llamada es gratuita. **Para obtener más información**, visite www.MolinaHealthcare.com/Duals.
