Providers

Getting started in Molina Dual Options

This section explains key terms you'll see in our Provider and Pharmacy Directory.

- **Providers** are health care professionals and support providers such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, long-term supports and services, supplies, prescription drugs, equipment and other services.
 - The term *providers* also includes facilities such as hospitals, clinics, and other places that provide medical services, medical equipment, and long-term supports and services.
 - Providers that are a part of our plan's network are called **network providers**.
- **Network providers** are the providers that have contracted with us to provide services to members in our plan. The providers in our network generally bill us directly for care they give you. When you see a network provider, you usually pay nothing for covered services.
- A **Primary Care Provider (PCP)** is a physician, physician assistant or nurse practitioner and/or medical home or clinic (Federally Qualified Health Centers (FQHC)) who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time. Your PCP will also give you a **referral** if you need to see a specialist or other provider.
- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
 - **Oncologists** care for patients with cancer.
 - **Cardiologists** care for patients with heart conditions.
 - **Orthopedists** care for patients with certain bone, joint, or muscle conditions.
- You may need a **referral** to see a specialist or someone that is not your PCP. A **referral** means that your network PCP must give you approval before you can see the other provider. If you don't get a referral, Molina Dual Options may not cover the service.
 - Referrals from your network PCP are not needed for:
 - Emergency care;
 - Urgently needed care;

If you have questions, please call Molina Dual Options at (855) 735-5604, TTY/TDD: 711, Monday – Friday, 8 a.m. to 8 p.m., EST. The call is free. **For more information**, visit www.Molinahealthcare.com/Duals.

- Kidney dialysis services that you get at a Medicare-certified dialysis facility when you are outside the plan's service area; or
 - Services from a women's health specialist.
- Additionally, if you are eligible to get services from Indian health providers, you may see these providers without a referral. We must pay the Indian health provider for those services even if they are out of our plan's network.
- More information on referrals is available in Chapter 3 of the Member Handbook.
- Your provider may need **prior authorization** or an approval from Molina Dual Options before you get certain services. Covered services that need prior authorization are marked in the Benefits Chart in Chapter 4. Some drugs are covered only if you get prior authorization from us. Covered drugs that need prior authorization are marked in the *List of Covered Drugs*.
- You also have access to a **Care Coordinator** that you choose.
 - A **Care Coordinator** helps you manage your medical providers and services.
 - Your **Care Team** led by a Care Coordinator, is a group of advocates and providers working together to provide you with medical, behavioral health, substance use treatment, Long Term Services and Supports, and social needs. You have access to and input in the development of your own Integrated Care Team. The Integrated Care Team must include, first and foremost, you and/or your legally authorized representative. You can tell us who else you would like to participate. Your Integrated Care Team may include:
 - You
 - Your Care Coordinator
 - Your Primary Care Provider (PCP)
 - Your behavioral health clinician (if you have one)
 - Your long-term services and supports (LTSS) providers (if you have them).
 - A pharmacist, and
 - Representatives from the facility where you receive care

Your Integrated Care Team can also include the following people, if it is appropriate and if you agree:

- Nurses, specialists, social workers, and other people who can provide expert advice
- Family members

If you have questions, please call Molina Dual Options at (855) 735-5604, TTY/TDD: 711, Monday – Friday, 8 a.m. to 8 p.m., EST. The call is free. **For more information**, visit www.Molinahealthcare.com/Duals.

- Other informal caregivers
- Advocates
- State agency or other case managers

Everyone on the Care Team works together to make sure your care is coordinated. This means that they make sure tests and labs are done once and the results are shared with the appropriate providers. It also means that your PCP should know all medicines you take so that he or she can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers.

Choosing a Primary Care Provider (PCP)

You can get services from any provider who is in our network and accepting new members.

First, you will need to choose a Primary Care Provider. A PCP is a physician, advanced practice nurse practitioner, physician assistant, and/or medical home/clinic (Federally Qualified Health Centers (FQHC) who gives you routine health care. You may also be able to have a specialist act as your PCP, when the specialist is willing to provide your routine healthcare. Please contact Member Services at (855) 735-5604, TTY/TDD: 711, Monday – Friday, 8 a.m. to 8 p.m., EST for assistance.

To choose a PCP, go to the list of providers on page 1 and choose a provider:

- that you use now, *or*
- who has been recommended by someone you trust, *or*
- whose offices are easy for you to get to.

→ If you want help in choosing a PCP, please call Member Services at (855) 735-5604, TTY/TDD: 711, Monday – Friday, 8 a.m. to 8 p.m., EST. The call is free. Or, visit www.MolinaHealthcare.com/Duals.

→ If you have questions about whether we will pay for any medical service or care that you want or need, call Member Services and ask **before** you get the service or care.

Getting long-term supports and services

As a Molina Dual Options member, you may be able to get long-term supports and services (LTSS), such as home health, personal care, nursing home and home and community based services (adult day program, respite, expanded community living supports, preventive nursing services, private duty nursing, and other services), as a Molina Dual Options member. taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital.

You should discuss long term supports and services with your Care Coordinator to determine which services you qualify for and how to access them.

Identifying Providers in Molina Dual Options' Network

You may need a referral to see someone who is not a Primary Care Provider. There is more information about referrals in the "Getting started in Molina Dual Options' section of this Directory on page iii.

You must get all of your covered services from providers within our network. If you go to providers who are not in Molina Dual Options' network (without prior authorization or approval from us), you will have to pay the bill.

The exceptions to this rule are when you need urgent or emergency care or dialysis and cannot get to a provider in the plan, such as when you are away from home. No services are covered outside the United States, except for emergency services requiring hospitalization in Canada or Mexico. You can also go outside the plan for other non-emergency services if Molina Dual Options gives you permission first.

- You may change providers within the network at any time. If you have been going to one network provider, you do not have to keep going to that same provider. You can call Member Services if you want more information about our Molina Healthcare providers or if you need help with changing your PCP.
- Molina Dual Options works with all the providers in our network to accommodate the needs of people with disabilities. As applicable, the list of network providers in this Directory includes information about the accommodations they provide. If you need to see a provider and are not sure if they offer the accommodations you need, Molina Dual Options can help you. Talk to your Care Coordinator for assistance.

Primeros pasos en Molina Dual Options

Esta sección explica términos claves que usted encontrará en nuestro Directorio de proveedores y farmacias.

- **Los proveedores** son profesionales de atención médica y proveedores de apoyo, tales como médicos, enfermeras, farmacéuticos, terapeutas y otras personas que proporcionan cuidados y servicios. **Los servicios** incluyen cuidado médico, servicios y respaldos a largo plazo, servicios, suministros, medicamentos de receta, equipos y otros servicios.
 - El término *proveedores* también incluye hospitales, clínicas y otros sitios que proporcionan servicios médicos, equipo médico y servicios y respaldos a largo plazo.
 - A los proveedores que son parte de la red de nuestro plan les llamamos **proveedores de la red**.
- **Los proveedores de la red** son los proveedores que tienen contratos para proporcionar servicios a los miembros de nuestro plan. Los proveedores de nuestra red, de manera general, nos cobran directamente por el cuidado que le dan a usted. Cuando usted visita a un proveedor de la red, por lo general, no paga nada por los servicios cubiertos.
- El **proveedor de atención primaria (PCP)** es un médico, enfermera especializada o profesional de atención médica y hogar médico o clínica (centros médicos federalmente calificados (FQHC, por sus siglas en inglés)) que le brinda a usted cuidados de salud de rutina. Su PCP llevará sus expedientes médicos y con el tiempo le conocerá a usted y sus necesidades de salud. Su PCP también le dará una **remisión** si necesita ver a un especialista u otro proveedor.
- **Los especialistas** son médicos que proporcionan servicios de cuidado de salud para una enfermedad o parte del cuerpo específicas. Existen muchos tipos de especialistas. Aquí hay unos cuantos ejemplos:
 - Los **oncólogos** cuidan de pacientes con cáncer.
 - Los **cardiólogos** cuidan de pacientes con enfermedades del corazón.
 - Los **ortopedistas** cuidan de pacientes con ciertas enfermedades óseas, de articulaciones o musculares.

Si tiene alguna pregunta, llame a Molina Dual Options al (855) 735-5604, TTY / TDD al 711, de lunes a viernes, de 8:00 a. m. a 8:00 p. m., EST. La llamada es gratuita. Para obtener más información, visite www.MolinaHealthcare.com/Duals.

- Es posible que necesite una **remisión** para consultar un especialista o a alguien que no sea su PCP. Una **remisión** significa que su PCP de la red debe darle su aprobación antes de que pueda ver a otro proveedor. Si usted no recibe la remisión, Molina Dual Options no podrá cubrir el servicio.
 - No se necesita una remisión de su PCP de la red para:
 - atención de Emergencia;
 - cuidado necesario urgentemente;
 - servicios de diálisis renal que usted recibe en una institución de diálisis certificada por Medicare, cuando usted está fuera del área de servicio del plan; o
 - servicios de un especialista en salud para la mujer.
 - Además, si usted es elegible para obtener servicios de proveedores de salud indios, usted puede ver estos proveedores sin remisión. Debemos pagar al proveedor de salud indio por esos servicios, aunque estén fuera de la red de nuestro plan.

Usted tiene acceso al desarrollo de su propio grupo de coordinación de atención integral. El equipo de atención integral debe incluir, en primer lugar, a usted o a su representante legal autorizado. Puede decirnos a quién más le gustaría incluir en el grupo. El equipo de atención integral puede incluir:
 - Usted

- Su coordinador de cuidados
- Su proveedor de atención primaria (PCP)
- Su médico de salud conductual (si tuviera uno)

Todos en el equipo de cuidados trabajan en conjunto para asegurarse de que su cuidado sea coordinado. Esto significa que se aseguran de que las pruebas y exámenes de laboratorio se hacen una vez y los resultados se comparten con los proveedores correctos. También significa que su PCP debe conocer todos los medicamentos que toma para reducir cualquier efecto negativo. Su PCP siempre obtendrá su permiso antes de compartir su información médica con otros proveedores.

Cómo recibir servicios y apoyo a largo plazo

Como miembro de Molina Dual Options, puede recibir apoyos y servicios a largo plazo (LTSS, por sus siglas en inglés), como atención domiciliaria, cuidado personal, residencia para ancianos y servicios con base en el hogar y en la comunidad (programa de día para adultos, servicio de relevo, de soporte de vida de la comunidad ampliada, servicios preventivos de enfermería, de enfermería privada, y otros servicios), como miembro de Molina Dual Options. Los servicios y asistencias a largo plazo son ayuda para aquellas personas que necesitan asistencia para tareas diarias como tomar un baño, vestirse, preparar la comida y tomar medicamentos. La mayoría de esos servicios son proporcionados en su hogar o en su comunidad, pero podrían ser proporcionados en un hogar de cuidados para adultos mayores u hospital.

Debe hablar de apoyos y servicios a largo plazo con su coordinador de servicios médicos a fin de determinar para qué servicios califica y cómo acceder a ellos.

Identificar a los proveedores en la red de Molina Dual Options

Es posible que necesite una remisión para consultar a alguien que no es un proveedor de atención primaria. Encontrará más información sobre las remisiones en la sección “Primeros pasos en Molina Dual Options” de este Directorio de proveedores y farmacias en la página x.

Usted debe obtener todos sus servicios cubiertos a través de los proveedores dentro de nuestra red. Si visita proveedores que no estén en la red de Molina Dual Options (sin autorización previa de nosotros o sin nuestra aprobación), usted tendrá que pagar la factura.

Las excepciones a esta regla son cuando usted necesite cuidado urgente o de emergencia o diálisis y no puede ir a un proveedor del plan, como cuando usted y su familia están lejos de casa. Ningún servicio está cubierto fuera de los Estados Unidos, excepto los servicios de emergencia que requieran de hospitalización en Canadá o México. Usted también puede ir fuera del plan para otros servicios, que no son de emergencias, si Molina Dual Options le da permiso antes.
