Section 1 – Introduction

This directory provides a list of Healthy Advantage Plus' network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

While you are a member of our Plan, you must use network providers to get your covered services except in limited cases such as emergencies, for urgently needed out-of-area care, or for out-of-area dialysis services.

You will have to choose one of our network providers who are listed in this directory to be your Primary Care {Physician/Provider} (PCP). The term "PCP" will be used throughout this directory. Generally, you must get your health care services from your PCP. A PCP is medically trained to take care of your routine or basic health care needs and is primarily responsible for the coordination of your care. In most cases, you must see your PCP to get a referral before you see any other health care provider.

The "network providers" listed in this directory have agreed to provide you with your health care and supplemental services. You may go to any of our network providers listed in this directory; however, some services may require a referral. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from non-network providers.

What is a Primary Care Provider (PCP)?

A PCP has a contract with Healthy Advantage Plus to deliver primary care services to members. Your provider can be a physician, nurse practitioner, or other health care professional who meets state requirements and is trained to give you basic medical care. Health professionals are eligible to provide services as PCPs in our Plan when they practice in the areas of family medicine, general practice, geriatrics, internal medicine, or obstetrics/gynecology.

Choosing your PCP

Selecting a PCP is up to you. Your relationship with your PCP is an important one. We strongly recommend that you choose a PCP close to home. Having your PCP nearby makes receiving medical care and developing a trusting and open relationship easier.

If there is a particular specialist or hospital that you want to use, check first to be sure that your PCP can make referrals to that specialist or uses that hospital.

When making your choice, you might also consider if the PCP's office is open evenings and/or weekends and what languages the PCP and staff speak. If you have specific concerns, such as disability access, you may want to call the provider's office to get the answers you need to help you pick the right PCP.

Once you have chosen your PCP, we recommend that you have all your medical records transferred to your provider's office. This will provide your PCP access to your medical history and make him/her aware of any existing health care conditions that you may have. Refer to your Evidence of Coverage for information about how we protect the privacy of your medical records and personal

health information. Your PCP is responsible for all your routine health care services, so your provider should be the first one you call with any health concerns. The name of your PCP and the office telephone number is printed on your membership card.

It is very important to get a referral from your PCP before you see a network specialist or certain other providers (there are a few exceptions, including routine and preventive women's health care).

If you don't have a referral before you get services from a specialist, you may have to pay for these services yourself.

Each PCP has certain network specialists they use for referrals. The Healthy Advantage Plus specialists you can use may depend on which PCP you choose. If there are specific specialists you want to use, find out whether your PCP refers patients to these specialists.

You can change your PCP at any time if you want to see a network specialist that your current PCP does not refer to. If you want to change your PCP, simply call Member Services at (877) 644-0344, 7 days a week, 8 a.m. to 8 p.m., local time. TTY users should call 711.

If there are specific hospitals you wish to use, find out whether your PCP uses these hospitals.

If you have any questions about whether we will pay for any medical service or care that you are considering, you have the right to ask us whether we will cover it before you get the service or care.

If you receive a bill from a non-contracting provider do not pay this bill, please submit the bill to Healthy Advantage Plus for processing and determination of your liability, if any.

Getting care from your PCP

Your PCP will provide, arrange, and/or coordinate all your routine medical care. You are encouraged to develop a close relationship with your PCP. Your PCP will get to know you as an individual, become acquainted with your medical history, and assist in developing a health care program to fit your lifestyle and medical needs. Your PCP will provide most of your care and will help you arrange or coordinate laboratory tests, X-rays, therapies, specialty care, hospital admissions, and follow-up care. Except for emergency services or as stated elsewhere in the Evidence of Coverage, services and supplies obtained without an advance referral from your PCP will not be covered under your Plan.

How to change your PCP?

You may change your PCP for any reason, at any time. To change your PCP, simply call Member Services at (877) 644-0344, 7 days a week, 8 a.m. to 8 p.m., local time. TTY users should call 711.

When you call, be sure to tell Member Services if you are seeing specialists or getting other covered services that needed your PCP's approval (such as home health services and durable medical equipment). Member Services will help make sure that you can continue with the specialty care and other services you have been getting when you change to a new PCP. They will also check to be sure that the PCP you want to switch to is accepting new patients.

Member Services will change your membership record to show the name of your new PCP, and will tell you when the change will take effect. They will also send you a new membership card that shows the name and phone number of your new PCP.

What if your doctor or provider leaves Healthy Advantage Plus?

Sometimes a doctor, specialist, clinic, or other network provider that you are using might leave the Plan. If this happens, you will have to switch to another provider who is part of the Healthy Advantage Plus plan.

If your PCP leaves Healthy Advantage Plus, we will let you know and help you switch to another PCP so that you can continue to receive covered services.

Getting care from specialists and other network providers

Routine medical care will be provided by your PCP. During the course of treatment, your PCP may decide that you need specialized treatment and give you a “referral” (approval in advance) to see a network specialist.

A **specialist** is a provider who renders health care services for a specific disease or part of the body. There are many kinds of specialists such as oncologists who treat patients for cancer; cardiologists who care for patients with heart conditions; and orthopedists who care for patients with certain bone, joint, or muscle conditions.

Healthy Advantage Plus maintains a network of specialty providers to care for its Members. A referral from your PCP is required (unless otherwise allowed – i.e. women’s health services, etc.) to receive specialty services; however, no prior authorization is required when your PCP refers you to a network provider. At times, your PCP may request a service that is unavailable or not provided within your network. Your provider may need to get approval ahead of time from Healthy Advantage Plus to authorize this type of specialty referral. This process is called “prior authorization.” If you have questions or concerns about a prior authorization, you may call Member Services at (877) 644-0344, 7 days a week, 8 a.m. to 8 p.m., local time. TTY users should call 711.

It is very important to get a referral from your PCP before you see a network specialist or certain other providers (there are a few exceptions, including routine and preventive women’s health care).

Getting care if you have a medical emergency or an urgent need for care

A “medical emergency” is when you believe that your health is in serious danger. A medical emergency includes severe pain, a bad injury, a sudden illness, or a medical condition that is quickly getting much worse. You may get covered emergency medical care whenever you need, anywhere in the United States. Get medical help as quickly as possible. Call 911 for help or go to the nearest emergency room, hospital, or urgent care center. You don’t need to get approval or a referral first from your doctor or other network provider.

“Urgently needed care” is when you need medical help for an unforeseen illness, injury, or condition, but your health is not in serious danger. If you have a pressing, non-emergency medical need while in the service area, you generally must use network providers (refer to the Evidence of Coverage). If, while temporarily outside the Plan’s service area, you require urgently needed care,

then you may get this care from any provider. In addition, when out of the service area you can obtain dialysis treatment from any qualified dialysis provider.

Getting care when traveling outside the Plan's service area

If you need care when you are outside the service area, your health care coverage is limited. The only services covered when you are outside the service area is care for a medical emergency, including urgently needed care, renal dialysis (kidney), and care that Healthy Advantage Plus or a network provider has approved in advance. For Healthy Advantage Plus there is no coverage when traveling outside the country except in limited areas.

If you have questions whether a service is covered when you travel, please call Member Services at (877) 644-0344, 7 days a week, 8 a.m. to 8 p.m., local time. TTY users should call 711.

You must use plan providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor Healthy Advantage Plus will be responsible for the costs.

Sección 1 – Introducción

Este directorio proporciona una lista de los proveedores dentro de la red de Healthy Advantage Plus. Para obtener información detallada acerca de su cobertura médica, por favor consulte su Evidencia de cobertura.

Mientras que sea miembro de nuestro plan, usted debe usar proveedores de la red para recibir sus servicios cubiertos, excepto en casos limitados tales como emergencias, atención urgente fuera del área o servicios de diálisis fuera del área.

Tendrá que elegir uno de nuestros proveedores dentro de la red que aparece en este directorio para que sea su {Médico/Proveedor} de Atención Primaria (PCP). Las siglas "PCP" se usarán a través de este directorio. En general, usted debe recibir sus servicios médicos de su PCP. Un PCP está capacitado en medicina para atender sus necesidades médicas rutinarias o básicas y es principalmente responsable de la coordinación de su atención médica. En la mayoría de los casos, debe consultar con su PCP para obtener una remisión antes de consultar con cualquier otro proveedor médico.

Los "proveedores de la red" enumerados en este directorio han acordado en proporcionarle sus servicios de : atención médica y suplementarios. Puede ir con cualquiera de nuestros proveedores de la red enumerados en este directorio; sin embargo, algunos servicios requieren una remisión. Si usted ha recibido servicios con un proveedor de la red, no se requiere que continúe con el mismo proveedor. En algunos casos, es posible que reciba servicios cubiertos con proveedores fuera de la red.

¿Qué es un proveedor de atención primaria (PCP)?

Un PCP tiene un contrato con Healthy Advantage Plus para ofrecer servicios de cuidados primarios a los miembros. Su proveedor puede ser un médico, enfermero especializado u otro profesional médico que cumple con requisitos estatales y está capacitado para brindarle su atención médica básica. Los profesionales médicos son elegibles para proveer servicios como un PCP en nuestro plan de salud cuando practican las especialidades de medicina de familia, medicina general, geriatría, medicina interna o tocoginecología.

Cómo elegir su PCP

Usted tiene la opción de elegir su PCP. Su relación con su PCP es importante. Le recomendamos encarecidamente que elija un PCP cerca de su hogar. Cuando su PCP está cerca de usted es más fácil recibir atención médica y desarrollar una relación abierta y de confianza.

Si existe un especialista u hospital en particular que usted desea utilizar, primero verifique si su PCP puede realizar remisiones a ese especialista u hospital.

Cuando tome su decisión, también considere si el consultorio del PCP está abierto por las tardes o fines de semana, y los idiomas que habla el PCP y su personal. Si usted tiene preocupaciones específicas, tales como el acceso para personas con discapacidades, tal vez quiera llamar al

consultorio del proveedor para obtener las respuestas que necesita para ayudarlo a elegir el PCP correcto.

Una vez que haya elegido su PCP, le recomendamos que solicite el traslado de todos sus registros médicos al consultorio de su proveedor. De esta manera, su PCP tendrá acceso a su historia clínica y se informará de cualquier afección médica que pueda tener. Para obtener información acerca de cómo protegemos la privacidad de sus registros médicos e información de salud personal, consulte su Evidencia de cobertura.

Su PCP será responsable de todos sus servicios rutinarios de atención médica. Por lo tanto, si tiene alguna inquietud relacionada con la salud, consulte con su proveedor primero. El nombre de su PCP y el número de teléfono del consultorio está impreso en su tarjeta de membresía.

Es muy importante obtener una remisión de su PCP antes de consultar con un especialista de la red o con otros determinados proveedores (salvo algunas excepciones, como la atención médica rutinaria y preventiva para la mujer).

Si no obtiene una remisión antes de recibir servicios con un especialista, es posible que usted tenga que pagar por estos servicios.

Cada PCP tiene ciertos especialistas de la red que utiliza para hacer remisiones. Los especialistas de Healthy Advantage Plus que puede utilizar pueden depender del PCP que usted elija. Si hay especialistas específicos que usted quiera utilizar, averigüe si su PCP remite a sus pacientes a dichos especialistas.

Usted puede cambiar su PCP en cualquier momento si quiere consultar a un especialista de la red al cual su PCP actual no pueda remitirlo. Si desea cambiar su PCP, solamente tiene que comunicarse con el Departamento de Servicios para Miembros al (877) 644-0344, los 7 días de la semana, de 8:00 a. m. a 8:00 p. m., hora local. Los usuarios de TTY deben llamar al 711.

Si usted desea utilizar hospitales específicos, verifique si su PCP trabaja con dichos hospitales.

Si usted tiene alguna duda sobre si pagaremos algún servicio o atención médica que está considerando, tiene derecho a preguntar si lo cubriremos antes de recibir tal servicio.

En el caso que usted reciba una factura de un proveedor no contratado, no pague la factura. Por favor envíe la factura a Healthy Advantage Plus para su procesamiento y determinación de su responsabilidad, si existe alguna.

Cómo recibir atención médica de su PCP

Su PCP proporcionará, ordenará o coordinará toda su atención médica de rutina. Se le recomienda que desarrolle una relación de confianza con su PCP. Su PCP llegará a conocerlo personalmente, se familiarizará con su historia médica y le ayudará a desarrollar un programa de salud que se adapte a su estilo de vida y sus necesidades médicas. Su PCP le brindará la mayor parte de su atención médica y le ayudará a organizar y coordinar: análisis de laboratorio, radiografías, terapias, atención especializada, ingresos al hospital y atención de seguimiento. Salvo los servicios de emergencia, o según se indique en otra sección de la Evidencia de cobertura, los servicios y suministros obtenidos sin una remisión previa de su PCP no estarán cubiertos bajo su plan de salud.

¿Cómo cambiar su PCP?

Puede cambiar de PCP por cualquier razón y en cualquier momento. Para cambiar su PCP, solamente debe llamar al Departamento de Servicios para Miembros al (877) 644-0344, los 7 días de la semana, de 8:00 a. m. a 8:00 p. m., hora local. Los usuarios de TTY deben llamar al 711.

Cuando llame, asegúrese de informarle al Departamento de Servicios para Miembros si usted está consultando con un especialista o si está recibiendo otros servicios cubiertos que necesitan la aprobación de su PCP (como los servicios de atención médica domiciliaria y equipo médico duradero). El Departamento de Servicios para Miembros le puede ayudar a asegurar que usted continúe recibiendo la atención especializada y los otros servicios que usted ha estado recibiendo cuando cambie a un nuevo PCP. También verificarán que el PCP al que desea cambiarse está aceptando a nuevos pacientes.

El Departamento de Servicios para Miembros cambiará su registro de membresía para indicar el nombre de su nuevo PCP y le informará cuándo el cambio entrará en vigor. También le enviarán una nueva tarjeta de membresía que indica el nombre y número de teléfono de su nuevo PCP.

¿Qué ocurre si su médico o proveedor ya no participa Healthy Advantage Plus?

En ocasiones un médico, especialista, clínica u otro proveedor de la red que usted utiliza podría dejar de participar en el plan de salud. Si esto ocurre, usted tendrá que cambiarse a otro proveedor que participe en el plan de Healthy Advantage Plus.

Si su PCP deja de participar en Healthy Advantage Plus, nosotros se lo informaremos y le ayudaremos con el cambio a otro PCP para que usted pueda continuar recibiendo los servicios cubiertos.

Cómo recibir atención médica de especialistas y otros proveedores de la red

Su PCP le brindará atención médica de rutina. Durante el tratamiento, es posible que su PCP decida que usted necesita un tratamiento especializado y le dé una "remisión" (autorización previa) para consultar con un especialista de la red.

Un **especialista** es un proveedor que proporciona servicios médicos para una enfermedad específica o parte del cuerpo. Existen varios tipos de especialistas, como los oncólogos, que tratan a pacientes con cáncer; los cardiólogos que atienden a pacientes con condiciones del corazón; y los ortopedistas que tratan a pacientes con ciertos tipos de condiciones de los huesos, articulaciones y músculos.

Healthy Advantage Plus mantiene una red de proveedores especialistas para el cuidado de sus miembros. Se necesita una remisión de parte de su PCP (a menos que esté permitido - por ejemplo, servicios de salud femenina, etc.) para recibir servicios especializados; sin embargo, no necesita autorización previa cuando su PCP lo remite a un proveedor dentro la red.

En ocasiones, su PCP puede pedir un servicio que no está disponible o que no se proporciona dentro de su red. Es posible que su proveedor necesite obtener una aprobación por adelantado de Healthy Advantage Plus para autorizar este tipo de remisión a una especialidad. Este proceso se denomina

"autorización previa". Si usted tiene preguntas o preocupaciones acerca de una autorización previa, puede comunicarse al Departamento de Servicios para Miembros al (877) 644-0344, los 7 días de la semana, de 8:00 a. m. a 8:00 p. m., hora local. Los usuarios de TTY deben llamar al 711.

Es muy importante obtener una remisión de su PCP antes de consultar con un especialista de la red o con otros determinados proveedores (salvo algunas excepciones, como la atención médica rutinaria y preventiva para la mujer).

Cómo obtener atención médica si tiene una emergencia médica o la necesidad de atención urgente

Una "emergencia médica" existe cuando usted cree que su salud está en serio peligro. Una emergencia médica incluye un dolor intenso, lesión grave, una enfermedad repentina o una condición médica que rápidamente empeora. Usted puede recibir cobertura para atención médica de emergencia cuando la necesite y en cualquier parte de los Estados Unidos. Obtenga ayuda médica lo más pronto posible. Llame al 911 para obtener ayuda o acuda a la sala de emergencias, hospital o centro de atención urgente más cercano. No es necesario que primero obtenga una autorización o remisión de su médico u otro proveedor de la red.

La "atención médica urgente" es necesaria cuando necesita ayuda médica para una enfermedad, lesión o condición inesperada, pero su salud no está en serio peligro. Si tiene una necesidad médica urgente mientras se encuentra en el área de servicio, generalmente debe recurrir a los proveedores de la red (consulte su Evidencia de cobertura). Si se encuentra temporalmente fuera del área de servicio del plan y necesita atención médica urgente, puede recibir esta atención de cualquier proveedor. Además, cuando se encuentre fuera del área de servicio, puede obtener tratamiento de diálisis con cualquier proveedor de diálisis calificado.

Cómo recibir atención médica cuando viaja fuera del área de servicio del plan

Si necesita atención médica cuando está fuera del área de servicio, su cobertura médica estará limitada. Los únicos servicios cubiertos cuando está fuera del área de servicio es la atención para una emergencia médica, incluyendo atención médica que necesite urgentemente, diálisis renal (riñones) y el cuidado que Healthy Advantage Plus o un proveedor de la red ha aprobado por adelantado.

Si usted tiene preguntas sobre la cobertura de un servicio cuando viaja, por favor comuníquese con el Departamento de Servicios para Miembros al (877) 644-0344, los 7 días de la semana, de 8:00 a. m. a 8:00 p. m., hora local. Los usuarios de TTY deben llamar al 711.

Usted debe utilizar proveedores del plan, salvo en una emergencia o situación de atención médica urgente, para diálisis renal u otros servicios fuera del área. Si usted obtiene atención médica rutinaria con proveedores fuera de la red, ni Medicare ni Healthy Advantage Plus serán responsables por los costos.

¿Cuál es el área de servicio de Healthy Advantage Plus?

Los condados y partes de condados en nuestra área de servicio están indicados a continuación.

Nuestra área de servicio incluye los siguientes condados: Davis, Salt Lake, Utah and Weber.

¿Cómo puede encontrar proveedores de Healthy Advantage Plus en su área?

Cuando se inscribe en el plan de Healthy Advantage Plus, debe elegir un PCP para proporcionarle su atención médica básica y coordinar su cuidado. Puede encontrar un PCP cerca de su hogar consultando la lista de los PCP en este directorio. Localice su condado y ciudad y luego elija un PCP de la lista u otro categoría del proveedor.

También puede visitar www.healthyadvantageplus.org si desea más información acerca de:

- una lista actualizada los proveedores de Healthy Advantage Plus;
- los proveedores que están aceptando nuevos pacientes;
- los idiomas que habla el proveedor o su personal.

Puede recibir una copia impresa de toda la información publicada en la página web del plan Healthy Advantage Plus, bajo solicitud.

Si tiene preguntas acerca de Healthy Advantage Plus o si necesita ayuda para seleccionar un PCP, comuníquese con el Departamento de Servicios para Miembros al (877) 644-0344, los 7 días de la semana, de 8:00 a. m. a 8:00 p. m., hora local. Los usuarios de TTY deben llamar al 711, o visitar www.healthyadvantageplus.org.

2017 Pharmacy Directory

This pharmacy directory was updated on 05/2017. For more recent information or other questions, please contact us, Healthy Advantage Plus Member Services, at (877) 644-0344 or, for TTY users, 711, 7 days a week, 8 a.m. to 8 p.m., local time, or visit www.healthyadvantageplus.org.

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at www.healthyadvantageplus.org. You may also call Member Services for updated providers.

Introduction

This booklet provides a list of Healthy Advantage Plus' network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Healthy Advantage Plus' formulary.

When this pharmacy directory refers to “we,” “us”, or “our,” it means Molina Healthcare. When it refers to “plan” or “our plan,” it means *Healthy Advantage Plus* .

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Healthy Advantage Plus only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 05/2017. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program which is called “CVS Caremark Mail Service Pharmacy Program”. For more information, please contact us or see the mail order section of this pharmacy directory.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

The pharmacy network may change at any time. You will receive notice when necessary.

Introducción

Este cuadernillo proporciona una lista de las farmacias en la red de Healthy Advantage Plus. Para obtener una descripción completa de su cobertura de medicamentos recetados, incluso cómo surtir sus recetas médicas, por favor consulte la Evidencia de cobertura y el formulario de Healthy Advantage Plus.

Cuando el Directorio de farmacias se refiere a "nosotros" o "nuestro", significa Molina Healthcare. Cuando se refiere al "plan" o "nuestro plan", significa Healthy Advantage Plus.

Llamamos a las farmacias en esta lista "farmacias de la red" porque hemos establecido acuerdos con ellos para proporcionar medicamentos recetados a los miembros de nuestro plan de salud. En la mayoría de los casos, sus medicamentos recetados están cubiertos bajo Healthy Advantage Plus solamente si se surten en una farmacia dentro de la red o por nuestro servicio de farmacia por correo. Después de ir a una farmacia, no se requiere que continúe usando la misma farmacia para surtir sus medicamentos recetados. Puede cambiarse a cualquier otra farmacia dentro de nuestra red. Surtiremos recetas médicas en farmacias fuera de la red bajo ciertas circunstancias conforme se describen en la Evidencia de cobertura.

Es posible que todas las farmacias de la red no estén incluidas en este directorio. Es posible que se hayan añadido o eliminado algunas farmacias de la lista después de la impresión de este directorio. Esto significa que las farmacias enumeradas aquí podrían ya no estar participando en nuestra red o que podrían existir nuevas farmacias en nuestra red que no están enumeradas. Esta lista está actualizada a partir de 05/2017. Para obtener una lista más actualizada, por favor comuníquese con nosotros. Nuestra información de contacto aparece en las páginas de la portada y la contraportada.

Usted puede obtener medicamentos recetados enviados directamente a su casa por medio de nuestro programa de servicio de farmacia por correo de la red, el cual se llama "CVS Caremark Mail Service Pharmacy Program". Para obtener más información, llámenos o consulte la sección de servicio de farmacia por correo de este directorio de farmacias.

Si tiene preguntas acerca de lo antedicho, por favor vea la portada y la contraportada de este directorio para información sobre cómo comunicarse con nosotros.

La red de farmacias puede cambiar en cualquier momento. Usted recibirá notificación cuando sea necesario.

Mail Order Pharmacy / Farmacia con servicio por correo

You can get prescription drugs shipped to your home through our network mail order delivery program which is called "CVS Caremark Mail Service Pharmacy Program".

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program "ReadyFill at Mail Program (RFM)". Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us "10 days" before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact us by calling (888) 665-1328; TTY users should call 711. We are available 7 days a week, 8 a.m. to 8 p.m., local time.

Typically, you should expect to receive your prescription within 10 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at (888) 665-1328; TTY users should call 711. We are available 7 days a week, 8 a.m. to 8 p.m., local time.

Usted puede obtener medicamentos recetados enviados directamente a su casa a través de nuestro programa de entrega por correo de la red, llamado "CVS Caremark Mail Service Pharmacy Program".

Para obtener renovaciones por correo de sus medicamentos recetados, usted tiene la opción de inscribirse al programa de renovaciones automáticas, "ReadyFill at Mail Program (RFM)". Bajo este programa, empezaremos el proceso para su siguiente surtido automático cuando nuestros registros muestren que su medicamento está a punto de agotarse. Nos comunicaremos con usted antes de enviar cada surtido para asegurar que usted necesita más medicamento. Usted puede cancelar las renovaciones programadas si usted tienen suficiente medicamento o si su medicamento ha cambiado. Si usted decide no usar el programa de surtido automático, por favor llámenos "10 días" antes de que crea que se le terminará su medicamento, para confirmar que su próxima orden se le envíe a tiempo. Para excluirse del programa de renovación automática, por favor llámenos al (888) 665-1328; los usuarios de TTY deben llamar al 711. Estamos disponibles los 7 días de la semana, de 8:00 a. m. a 8:00 p. m., hora local.

Normalmente, usted puede anticipar recibir sus medicamentos recetados dentro de 10 días a partir de la fecha en que la farmacia de servicio por correo reciba la orden. Si usted no recibe sus medicamentos recetados dentro de este plazo, llámenos al (888) 665-1328; los usuarios de TTY deben llamar al 711. Estamos disponibles los 7 días de la semana, de 8:00 a. m. a 8:00 p. m., hora local.
