## DEFINITIONS

Some of the words used in this Agreement do not have their usual meaning. Health plans use these words in a special way. When We use a word with a special meaning in only one section of this Agreement, We explain what it means in that section. Words with special meaning used in any section of this Agreement are explained in this “Definitions” section and are capitalized throughout this Agreement.

**“Affordable Care Act”** means the Patient Protection and Affordable Care Act of 2010 as amended by the Health Care and Education Reconciliation Act of 2010, together with the federal regulations implementing this law and binding regulatory guidance issued by federal regulators.

### **“Annual Out-of-Pocket Maximum”**

- **For Individuals** - is the maximum amount of Cost Sharing You, as an individual Member, will have to pay for Covered Services in a calendar year. The Cost Sharing and individual Annual Out-of-Pocket Maximum amounts applicable to Your Agreement are specified in the Benefits and Coverage Guide.

For this Agreement, Cost Sharing includes payments You make towards any Deductibles, Copayments, or Coinsurance. Once Your total Cost Sharing in a calendar year reaches the specified individual Annual Out-of-Pocket Maximum amount, We will pay 100% of the charges for Covered Services for the remainder of the calendar year.

Amounts that You pay for services that are not Covered Services under this Agreement will not count towards the individual Annual Out-of-Pocket Maximum.

- **For Family (2 or more Members)** – is the maximum amount of Cost Sharing that a family of two or more Members will have to pay for Covered Services in a calendar year. The Cost Sharing and family Annual Out-of-Pocket Maximum amounts applicable to Your Agreement are specified in the Benefits and Coverage Guide.

For this Agreement, Cost Sharing includes payments You or other family members enrolled as Members under this Agreement make towards any Deductibles, Copayments, or Coinsurance. Once the total Cost Sharing made by two or more family members enrolled as Members of a family reaches the specified Annual Out-of-Pocket Maximum amount, We will pay 100% of the charges for Covered Services for all enrolled family Members for the remainder of the calendar year.

Amounts that You or other family members enrolled as Members under this Agreement pay for services that are not Covered Services under this Agreement will not count towards the family Annual Out-of-Pocket Maximum.

**“Authorization”** means a decision to approve specialty or other Medically Necessary care for a Member by the Member’s PCP or medical group. An Authorization is sometimes called an “approval.”

**“Benefits and Coverage”** (also referred to as **“Covered Services”**) means the healthcare services available under the terms of this Agreement.

**“Child-Only Coverage”** means coverage under this Agreement for a child who is not the dependent of a Subscriber, is under the age of 21 at the beginning of the calendar year and is eligible and enrolled under this product. The child may either be:

- 1) A Subscriber enrolling in this product on his or her own behalf. In this case, the Subscriber must be age 18, 19, or 20, or
- 2) A Member who has been enrolled by a responsible adult (parent or legal guardian). If the child is the Member, then the responsible adult is the Subscriber. In this case, the Subscriber is responsible for Premium and Cost Sharing payments and will act as the legal representative of the Member under this product.

**“Coinsurance”** is a percentage of the charges for Covered Services You must pay when You receive Covered Services. The Coinsurance amount is calculated as a percentage of the rates that Molina has negotiated with the Participating Provider. Coinsurances are listed in the Benefits and Coverage Guide. Some Covered Services do not have Coinsurance, and may apply a Deductible and/or Copayment.

**“Complications of Pregnancy”** is a condition diagnosed as separate from a pregnancy. Complications means a condition requiring hospital confinement whose diagnoses are distinct from pregnancy but are adversely affected by pregnancy or are caused by pregnancy.

**“Copayment”** is a specific dollar amount You must pay when You receive Covered Services. Copayments are listed in the Benefits and Coverage Guide. Some Covered Services do not have a Copayment and may apply a Deductible and/or Coinsurance.

**“Cost Sharing”** is the Deductible, Copayment, and/or Coinsurance that You must pay for Covered Services under this Agreement. The Cost Sharing amount You will be required to pay for each type of Covered Service is listed in the Benefits and Coverage Guide at the beginning of this Agreement.

**“Deductible”** is the amount You must pay in a calendar year for Covered Services You receive before Molina will cover those services at the applicable Copayment or Coinsurance. The amount that You pay towards Your Deductible is based on the rates that Molina has negotiated with the Participating Provider. Deductibles are listed in the Benefits and Coverage Guide at the beginning of this Agreement.

Please refer to the Benefits and Coverage Guide to see what Covered Services are subject to the Deductible and the Deductible amount. Your product may have separate Deductible amounts for specified Covered Services. If this is the case, amounts paid towards one type of Deductible cannot be used to satisfy a different type of Deductible.

When Molina covers services at “no charge” subject to the Deductible and You have not met Your Deductible amount, You must pay the charges for the services. However, for preventive services covered by this Agreement and included in the Essential Health Benefits, You will not pay any Deductible or other Cost Sharing towards such preventive services when provided by a Participating Provider.

There may be a Deductible listed for an individual Member and a Deductible for an entire family. If You are a Member in a family of two or more Members, You will meet the Deductible either:

- (i) when You meet the Deductible for the individual Member; or
- (ii) when Your family meets the Deductible for the family.

For example, if You reach the Deductible for the individual Member, You will pay the applicable Copayment or Coinsurance for Covered Services for the rest of the calendar year, but every other Member in Your family must continue to pay towards the Deductible until Your family meets the family Deductible.

**“Dependent”** means a Member who meets the eligibility requirements as a Dependent as described in the “Eligibility and Enrollment” section of this Agreement.

- apnea monitors,
- nebulizer machines,
- insulin pumps,
- wheelchairs
- crutches.

**“Emergency”** or **“Emergency Medical Condition”** means the acute onset of a medical condition or a psychiatric condition that has acute symptoms of sufficient severity (including severe pain), such that a prudent layperson who possesses an average knowledge of health and medicine could reasonably expect that the absence of immediate medical attention could result in 1) placing the health of the Member in serious jeopardy, 2) serious impairment to bodily functions, or 3) serious dysfunction of any bodily organ or part.

With respect to a pregnant woman, **“Emergency”** or **“Emergency Medical Condition”** also means:

- a) That there is inadequate time to effect safe transfer to another hospital prior to delivery;
- b) That a transfer may pose a threat to the health and safety of the patient or fetus; or
- c) That there is evidence of the onset and persistence of uterine contractions or rupture of the membranes.

**“Emergency Services”** means medical screening, examination, and evaluation by a physician, or, to the extent permitted by applicable law, by other appropriate personnel under the supervision of a physician, to determine if any Emergency Medical Condition exists. If an Emergency Medical Condition exists, Emergency Services includes the care, treatment, or surgery for a Covered Service by a physician necessary to relieve or eliminate the Emergency Medical Condition within the service capability of a hospital.

**“Essential Health Benefits” or “EHB”** means a standardized set of essential health benefits offered by Molina to You and/or Your Dependents, as determined by the Affordable Care Act. Essential Health Benefits covers at least the following 10 categories of benefits:

- Ambulatory patient care
- Emergency Services
- Hospitalization
- Maternity and newborn care
- Mental health and substance use disorder services, including behavioral health treatment
- Prescription drugs
- Rehabilitative and habilitative services and devices
- Laboratory services
- Preventive and wellness services and chronic disease management
- Pediatric services, including dental\* and vision care for Members under the age of 26, or under the age of 30 as determined by Florida law

\*Pediatric dental services are not covered under this Agreement. These dental services can be purchased separately through a stand-alone dental product that is certified by the Marketplace.

**“Experimental or Investigational”** means any medical service including procedures, medications, facilities, and devices that have not been demonstrated to be safe or effective compared with conventional medical services, as determined by Molina.

**“Marketplace”** means a governmental agency or non-profit entity that meets the applicable standards of the Affordable Care Act and helps residents of the State of Florida buy qualified health plan coverage from insurance companies or health plans such as Molina. The Marketplace may be run as a state-based marketplace, a federally facilitated marketplace or a partnership marketplace. For the purposes of this Agreement, the term refers to the Marketplace operating in the State of Florida, however it may be organized and run.

**“Medically Necessary” or “Medical Necessity”** means health care services that a physician exercising prudent clinical judgment would provide to a patient. This is for the purpose of preventing, evaluating, diagnosing or treating an illness, injury, disease or its symptoms. Those services must also be deemed by Molina to be:

- In accordance with generally accepted standards of medical practice;
- Clinically appropriate and clinically significant, in terms of type, frequency, extent, site and duration;
- Effective for the patient’s illness, injury or disease; and,
- Not primarily for the convenience of the patient, physician, or other health care provider. The services must not be more costly than an alternative service or sequence of services at least as likely to produce equivalent therapeutic or diagnostic results as to the diagnosis or treatment of that patient’s illness, injury or disease.

For these purposes, “generally accepted standards of medical practice” means standards based on credible scientific evidence published in peer-reviewed medical literature. This literature is generally recognized by the relevant medical community, physician specialty society recommendations, the views of physicians practicing in relevant clinical areas and any other relevant factors.

**“Member”** means an individual who is eligible and enrolled under this Agreement, and for whom We have received applicable Premiums. The term includes a Subscriber and any Dependents enrolled in this product. For Child-Only coverage, the term does not include a legal representative (responsible adult or legal guardian) acting as the Subscriber on behalf of the Member.

**“Molina Healthcare of Florida, Inc. Agreement and Individual Evidence of Coverage”** (also **“Agreement”** or **“EOC”**) means this document, which has information about Your benefits.

**“Molina Healthcare of Florida, Inc.** (also **“Molina Healthcare”** or **“Molina”** or **“We”** or **“Our”** or **“Us”**)” means the corporation licensed in the State of Florida as a Health Maintenance Organization and contracted with the Marketplace.

**“Non-Participating Provider”** refers to those physicians, hospitals, and other providers that have not entered into contracts to provide Covered Services to Members.

**“Other Practitioner”** refers to Participating Providers who provide Covered Services to Members within the scope of their license, but are not PCPs or Specialist Physicians. Other Practitioners include, without limitation, nurses, physician assistants, nurse-midwives.

**“Participating Provider”** refers to those providers (including hospitals, physicians and Other Practitioners) that have entered into contracts to provide Covered Services to Members through this product offered and sold through the Marketplace.

**“Premiums”** mean periodic membership charges paid by or on behalf of each Member. Premiums are in addition to Cost Sharing.

**“Primary Care Provider”** (also **“PCP”**) is the doctor who takes care of Your health care needs. Your PCP has Your medical history. Your PCP makes sure You get needed health care services. A PCP may refer You to Specialist Physicians or other services. A PCP may be one of the following types of doctors:

- Family or general practice doctor who usually can see the whole family
- Internal medicine doctor, who usually only sees adults and children 14 years or older
- Pediatrician, who sees children from newborn to age 18 or 21
- Obstetrician and gynecologist (OB/GYN)
- Osteopathic physicians
- Podiatrist
- Chiropractor
- Individual practice association (IPA) or group of licensed doctors that provides primary care services

**“Service Area”** means the geographic area in the State of Florida where Molina has been authorized by the Florida Office of Insurance Regulation to market individual products sold through the Marketplace, enroll Members obtaining coverage through the Marketplace and provide Covered Services through approved individual health plans sold through the Marketplace.

**“Specialist Physician”** means any licensed, board-certified, or board-eligible physician who practices a specialty and who is a Participating Provider.

**“Spouse”** means the Subscriber’s legal husband or wife. For purposes of this Agreement, the term “Spouse” includes the Subscriber’s same-sex spouse if the Subscriber and spouse are a couple who are registered domestic partners who meet all the requirements of Florida law (including county, city, and municipal laws), sometimes referred to as a “Domestic Partnership” herein.

**“Subscriber”** means either:

- 1) An individual who is a resident of Florida, satisfies the eligibility requirements of this Agreement, is enrolled and accepted by Molina as the Subscriber, and has maintained membership with Molina in accord with the terms of this Agreement, or
- 2) A responsible adult (parent or legal guardian) who applies for Child-Only Coverage under this Agreement on behalf of a child under the age of 21. In this case, the Subscriber will make Premium and Cost Sharing payments and will act as the legal representative of the Member for Child-Only Coverage under this product.

**“Urgent Care Services”** means those health care services needed to prevent the serious deterioration of one’s health from an unforeseen medical condition or injury.

**“You” or “Your”** means either Member or Subscriber, as the context requires throughout the Agreement. By way of example only, where Subscriber acts as the legal representative of Member for Child-Only Coverage, “You” or “Your” shall mean Subscriber.

## **ELIGIBILITY AND ENROLLMENT**

### **When Will My Molina Membership Begin?**

Your coverage begins on the “Effective Date.” The Effective Date is the date You meet all enrollment and Premium pre-payment requirements and that You are accepted by Molina and/or the Marketplace.

For coverage during the calendar year 2016, the initial open enrollment period begins November 1, 2015, and ends January 31, 2016. Your Effective Date for coverage during 2016 will depend on when You apply.

- If You apply on or before December 15, 2015, the Effective Date of Your coverage is January 1, 2016.
- If You apply from December 16, 2015, through January 15, 2016, the Effective Date of Your coverage is February 1, 2016.
- If You apply from January 16, 2016, through January 31, 2016, the Effective Date of Your coverage is March 1, 2016.

If You do not enroll during an open enrollment period, You may be able to enroll during a special enrollment period. You must be eligible under the special enrollment procedures established by the Marketplace and/or Molina. In such case, the Effective Date of coverage will be as determined by the Marketplace. Without limiting the above, the Marketplace and Molina will provide special monthly enrollment periods for eligible American Indians or Alaska Natives.

The Effective Date for coverage of new Dependents is described below in the section titled “Adding New Dependents.”

### **Who is Eligible?**

To enroll and continue enrollment, You must meet all of the eligibility requirements. The Marketplace establishes the eligibility requirements. Check the Marketplace’s website at [healthcare.gov](http://healthcare.gov) for eligibility criteria.

For Child-Only Coverage, You must be under the age of 21 at the beginning of the calendar year to be eligible. If a responsible adult applies as the Subscriber for Child-Only Coverage on behalf of a child, the responsible adult must be the parent or legal guardian of the child.

Molina requires You to live in Molina’s Service Area to be eligible under this product. If You have lost Your eligibility, as described in the section titled “When Will My Molina Membership End? (Termination of Benefits and Coverage),” You may not be permitted to re-enroll.

## **Dependents**

Subscribers who enroll in this product during the open enrollment period established by the Marketplace may also apply to enroll eligible Dependents who satisfy the eligibility requirements. Molina requires Dependents to live in Molina's Service Area to be eligible under this product. The following types of family members are considered Dependents:

- Spouse
- Children
  - The Subscriber's children or the Spouse's children (including legally adopted children, foster children, and stepchildren)
  - Each child is eligible to apply for enrollment as a Dependent until the age of 26 (the limiting age)

### **Age Limit for Children (Disabled Children)**

Children who reach the limiting age of age 26 are eligible to continue enrollment as a Dependent for coverage if all of the following conditions apply:

- The child is incapable of self-sustaining employment because of a physically, intellectually, or mentally disabling injury, illness, or condition; and,
- The child is chiefly dependent upon the Subscriber for support and maintenance.

Molina will provide the Subscriber with notice at least 90 days prior to the date the Subscriber's enrolled child reaches the limiting age. When the Subscriber's enrolled child reaches the limiting age, the Dependent child's coverage will terminate.

The Subscriber must provide Molina with proof of his or her child's incapacity and dependency within 60 days of the date of receiving such notice in order to continue coverage for a disabled child past the limiting age.

The Subscriber must provide the proof of incapacity and dependency at no cost to Molina.

A disabled child may remain covered by Molina as a Dependent for as long as he or she remains incapacitated and continues to meet the eligibility criteria described above.

### **Continued Eligibility of Certain Children Beyond the Limiting Age of 26**

Dependent children are eligible to continue enrollment from the end of the calendar year in which the child turns age 26 until the end of the calendar year in which the child turns 30 years of age.

The child will remain eligible only if the following requirements are met:

- The child is unmarried and does not have a dependent of his or her own;
- The child is a resident of Florida or a full-time or part-time student; and
- The child is not provided coverage as a named Subscriber, insured, enrollee, or a covered person under any other group or individual health benefit plan or is not entitled to benefits under Title XVIII of the Social Security Act.

If a Dependent child is provided coverage under the Agreement after the child reaches age 26 and the coverage for the child is subsequently terminated prior to the end of the calendar year in which the child turns age 30, the child is ineligible to be covered again under the Agreement unless the child was continuously covered by other creditable coverage without a coverage gap of more than 63 days.

## **Adding New Dependents**

To enroll a Dependent who first becomes eligible to enroll after You as the Subscriber (or You as the Member in the case of Child-Only Coverage) are enrolled, You must contact Molina and/or the Marketplace and submit any required application(s), forms, and requested information for the Dependent. Examples of new dependents may include a spouse, a newborn child, or a newly adopted child. You must submit requests to enroll a new Dependent to Molina and/or the Marketplace within 60 days from the date the Dependent became eligible to enroll with Molina.

- **Spouse**

You can add a Spouse as long as You apply during one of the following:

- The open enrollment period
- A period no longer than 60 days after any event listed below:
  - The Spouse loses “minimum essential coverage” through:
    - Government sponsored programs
    - Employer-sponsored plans
    - Individual market plans
    - Any other coverage designated as “minimum essential coverage” in compliance with the Affordable Care Act
  - The date of Your marriage

  - The date the Spouse, who was not previously a citizen, national, or lawfully present individual, gains such status
  - The Spouse permanently moves into the service area
  - A qualified individual’s enrollment or non-enrollment that is the result of an error, misrepresentation, or inaction of the Marketplace.
  - A qualified health plan in which the Spouse is enrolled violates a material provision of its contract in relation to the enrollee

- **Children Under 26 Years of Age**

You can add a Dependent under the age of 26, including a stepchild, as long as You apply during one of the following:

- The open enrollment period
- A period no longer than 60 days after any event listed below:
  - The child loses “minimum essential coverage” through:
    - Government sponsored programs
    - Employer-sponsored plans

- Individual market plans
  - Any other coverage designated as “minimum essential coverage” as determined by the Affordable Care Act
- The child becomes a Dependent through marriage, Domestic Partnership, birth, adoption, placement in foster care, child support or other court order
  - The child, who was not previously a citizen, national, or lawfully present individual, gains such status
  - The child permanently moves into the service area
  - A qualified individual’s enrollment or non-enrollment that is the result of an error, misrepresentation, or inaction of the Marketplace.
  - A qualified health plan in which the child is enrolled violates a material provision of its contract in relation to the enrollee

- **Newborn Child**

Coverage for a newborn child is from the moment of birth and will continue for 31 days. This includes the newborn child’s date of birth.

If You enroll the newborn child within 31 days of birth, no additional Premium will be charged for the first 31 days.

If You do not enroll the newborn child within 31 days of birth, but enroll the child within 60 days of the birth, the child will be covered from the date of birth. You will be required to pay Premium for the child from the date of birth.

If the newborn child is not enrolled within sixty 60 days of birth, the child can be enrolled during the next open enrollment period as determined by the Marketplace.

- **Newborn Child of a Covered Family Member (Other than Spouse)**

A newborn child of a Covered Dependent child may be covered for a period of up to 18 months from birth under the following conditions:

- The Covered Dependent child must be enrolled before the end of the Calendar Year in which the Covered Dependent child turns age 26; and
- The newborn child of the Covered Dependent child must be enrolled within 60 days of birth.

- **Adopted Child**

A newly adopted child (including a newborn adopted child) or child placed with You or Your Spouse for adoption is covered from whichever date is earlier:

- The date of adoption or placement for adoption; or,
- The date You or Your Spouse gain the legal right to control the child's health care.

In the case of adoption of a newborn child, coverage shall begin from the moment of birth if a written agreement to adopt such child has been entered into by the subscriber prior to the birth of the child.

If You do not enroll the adopted child or child placed with You or Your Spouse for adoption within 60 days, the child is covered for only 31 days. Coverage begins on:

- The date of adoption; or
- The placement for adoption, or when the legal right to control the child's health care was gained, whichever is earlier.

For purposes of this requirement, "legal right to control health care" means You or Your Spouse have a signed written document. This can be:

- A health facility minor release report
- A medical authorization form
- A relinquishment form
- Any other evidence that shows You or Your Spouse have the legal right to control the child's health care

- **Court Order or Child Support Order**

If a child becomes a dependent of You or Your spouse through a child support order or other court order, then the child shall be eligible for coverage under this Agreement. A Dependent can be added to this Agreement during the open enrollment period or within 60 days of the effective date of the court order. The child shall be eligible for coverage on the date the court order is effective or as otherwise determined by the Marketplace, in accordance with applicable state and federal laws.

- **Foster Child**

If a child is placed with You or Your spouse for foster care, then the child shall be eligible for coverage under this Agreement. A foster child can be added to this Agreement during the open enrollment period or within 60 days of the child's placement with You in foster care. The child's coverage shall be effective on the date of placement in foster care or as otherwise determined by the Marketplace, in accordance with applicable state and federal laws.

Proof of the child's date of birth or qualifying event will be required.

## **Discontinuation of Dependent Benefits and Coverage**

Benefits and Coverage for Your Dependent will be discontinued on:

- The last day of the calendar year that the Dependent child attains age 26, unless the child meets specified criteria. See the above sections titled “Age Limit for Children (Disabled Children)” and “Continued Eligibility of Certain Children Beyond the Limiting Age of 26” for more information.
- The date the Dependent Spouse enters a final decree of divorce, annulment, dissolution of marriage, or termination of the Domestic Partnership from the Subscriber.

## **Continued Eligibility**

A Member is no longer eligible for this product if:

- The Member, or Subscriber in the case of Child-Only Coverage, becomes abusive or violent and threatens the safety of anyone who works with Molina, including Participating Providers.
- The Member, or Subscriber in the case of Child-Only Coverage, substantially impairs the ability of Molina, or anyone working with Molina, including Participating Providers, to provide care to the Member or other Members.
- There is a breakdown in the Member’s, or Subscriber’s in the case of Child-Only Coverage, relationship with the Member’s doctor, and Molina does not have another doctor for the Member to see. This may not apply to Members refusing medical care.

If You are no longer eligible for this product, We will send You, or the Subscriber in the case of Child-Only Coverage, a letter letting You know at least 10 days before the effective date on which You will lose eligibility. At that time, You can appeal the decision.

Your doctor may request that You be changed to a different PCP for any of the following reasons:

- You are not following medical instructions (non-compliant behavior)
- You are being abusive, threatening or have violent behavior
- Your relationship with Your PCP breaks down

## **How Do I Change my PCP?**

Call Us toll-free at 1 (888) 560-5716, Monday through Friday, 8:00 a.m. to 7:00 p.m. ET. You may also visit Our website at [www.molinahealthcare.com/marketplace](http://www.molinahealthcare.com/marketplace) to view Our online list of doctors. Let Us help You make the change.

Sometimes You may not be able to get the PCP You want. This may happen because:

- The PCP is no longer a Participating Provider with Molina.
- The PCP already has all the patients he or she can take care of right now.

## **What if My Doctor or Hospital is No Longer With Molina?**

If Your doctor (PCP or Specialist Physician) or a hospital is no longer with Molina, We will send You a letter to let You know. The letter will tell You how the change affects You.

If Your PCP is no longer with Molina, You can choose a different doctor. Our Customer Support Center staff can help You make a choice.

If You are assigned to a PCP or hospital that is ending a contract with Molina, then Molina will provide You 60 days advance written notice. We will advise You about the contract ending between Molina and the PCP or hospital.

## **Continuity of Care**

If You are actively receiving treatment at the time Your doctor's contract with Molina ends, You may continue coverage and care with that doctor until the longer of the following:

- Completion of treatment
- You select another doctor who is a Participating Provider
- The next open enrollment period

Continuity of care will not be granted longer than 6 months after Your doctor's contract with Molina has ended. The care must be Medically Necessary.

If You are pregnant and have initiated a course of prenatal care, You may continue coverage with the doctor until You complete postpartum care. This is regardless of the trimester in which care was initiated.

Eligibility for continuity of care is not based strictly upon the name of Your condition.

Your doctor may refuse to continue to provide care to a Member who is abusive, noncompliant, or in arrears in payments for services provided.

Your doctor or the hospital may not agree to continue to provide You services. In addition, Your doctor may not agree to comply with Molina's contractual terms and conditions that are imposed on Participating Providers. If either happens, Molina will assign You to a new doctor or send You to a new hospital for care.

If You want to request that You stay with the same doctor or hospital for continuity of care, call Our Customer Support Center toll-free at 1 (888) 560-5716. If You are deaf or hard of hearing, call Our dedicated TTY line toll-free at 1 (800) 955-8771. In addition, You may dial 711 for the Telecommunications Relay Service.

Please note that the right to temporary continuity of care, as described above, does not apply to a newly enrolled Member undergoing treatment from a doctor or hospital that is not a Participating Provider with Molina.

\*Call Our Customer Support Center at 1 (888) 560-5716. You can find out if Your service needs Prior Authorization.

Molina may deny a request for Prior Authorization. You may appeal that decision as described below. If You or Your provider decide to proceed with services that have been denied a Prior Authorization for benefits under this product, You may be responsible for the charges for the denied services.

Approvals are given based on Medical Necessity. You or Your Participating Provider may call for Prior Authorization; however, You are ultimately responsible for requesting the Prior Authorization. If You have questions about how a certain service is approved, call Us toll-free at 1 (888) 560-5716. Hearing-impaired Members may call Our dedicated TTY line toll-free at 1 (800) 955-8771 or dial 711.

Upon request, We will be happy to send You a general explanation of how Prior Authorization decisions are made.

Request Types	Time Frame for Decision
Pre-Service Authorization	<ul style="list-style-type: none"> <li>• Decision within 15 days of receipt of the request for services</li> <li>• Molina may extend the 15-day period for an additional 15 days due to matters beyond Molina's control</li> <li>• If an extension is necessary, Molina will let You know in writing within the first 15 days</li> <li>• If the delay is because Molina needs more information to make a decision, You will have up to 45 days to provide the needed information</li> </ul>
Concurrent Services Authorization	<ul style="list-style-type: none"> <li>• Decision within 72 hours of receipt of the request for authorization of Urgent Care Services</li> <li>• For other types of requests, a decision will be made within 15 days</li> </ul>
Post-Service Authorization	<ul style="list-style-type: none"> <li>• Decision within 30 days of receipt of the request for services</li> <li>• Molina may extend the 30-day period for an additional 15 days because of matters beyond Molina's control</li> <li>• If this is necessary, Molina will let You know in writing within the first 30 days</li> <li>• If the delay is because Molina needs more information to make a decision, You will have up to 45 days to provide the needed information</li> </ul>

Medical conditions that may cause a serious threat to Your health are processed within 72 hours. This is 72 hours from receipt of all information reasonably necessary and requested by Molina to make the determination. The time required may be shorter under Section 2719 of the federal Public Health Services Act and subsequent rules and regulations. Molina processes requests for urgent specialty services immediately by telephone.

If a service is not Medically Necessary or is not a Covered Service, request for the service may be denied. You will get a letter telling You why it was denied. You or Your doctor may appeal the decision. The denial letter will tell You how to appeal. These instructions are also in the section of this Agreement titled “Appeals.”

### **Standing Approvals**

If You require Prior Authorization for a condition or disease that requires specialized medical care over a prolonged period, You may need a standing approval. If You receive a standing approval, You will not need to get a Prior Authorization every time You obtain Covered Services.

If Your condition or disease is life threatening, worsening, or disabling, You may need a standing approval to a specialty care center. They have the expertise to treat Your condition or disease.

To get a standing approval, call Your PCP. Your PCP will work with Molina’s physicians and Specialist Physicians to ensure You receive a treatment plan based on Your medical needs.

If You have any difficulty getting a standing approval, call Us toll-free at 1 (888) 560-5716. Hearing-impaired Members may call Our dedicated TTY line at 1 (800) 955-8771, or call 711.

If You feel Your needs have not been met, please refer to Our complaint process in the section of this Agreement titled “Complaints.”

### **Second Opinions**

You or Your PCP may want another doctor (a PCP or Specialist Physician) to review Your condition. This doctor looks at Your medical record and may see You. This new doctor may suggest a plan of care. This is called a second opinion.

Here are some, but not all, reasons why You may get a second opinion:

- Your symptoms are complex or confusing.
- Your doctor is not sure the diagnosis is correct.
- You have followed the doctor’s plan of care for a while, and Your health has not improved.
- You are not sure that You need surgery or think You need surgery.
- You do not agree with what Your doctor thinks is Your problem.
- You do not agree with Your doctor’s plan of care.
- Your doctor has not answered Your concerns about Your diagnosis or plan of care.

You may go to any Participating Provider (including Specialist Physicians) at any time for a second opinion, without a referral and without a Prior Authorization. To find a Participating Provider, call Our Customer Support Center at 1 (888) 560-5716 or view Molina’s Provider Directory at [www.molinahealthcare.com/marketplace](http://www.molinahealthcare.com/marketplace).

## **Second Opinions From Non-Participating Providers**

You may choose to obtain a second opinion from a Non-Participating Provider (a doctor who is not in Molina's Provider Directory) for the following reasons:

- You dispute Molina's or a physician's opinion of the reasonableness or necessity of surgical procedures.
- You are seriously injured or ill.

If You choose a physician that is a Non-Participating Provider, then Molina will pay the amount of all charges that are usual, reasonable, and customary in the community, and You will be responsible for a coinsurance payment in the amount of 40%.

The Non-Participating Provider must be in the Molina service area for this product, unless Molina gives Prior Authorization for another provider.

For tests that are deemed necessary by the physician, Molina may require the tests to be conducted by Participating Provider test facilities.

You may be limited to three second-opinion requests per calendar year under this product.

## **EMERGENCY SERVICES AND URGENT CARE SERVICES**

### **What is an Emergency?**

"Emergency Services" means health care services needed to evaluate, stabilize, or treat an Emergency Medical Condition. An Emergency Medical Condition includes a medical or psychiatric medical condition having acute and severe symptoms. This could include severe pain or active labor.

If immediate medical attention is not received, an Emergency could result in any of the following:

- The patient's health is placed in serious danger
- Serious damage to bodily functions
- Serious dysfunction of any bodily organ or part

Emergency Services also includes Emergency contraceptive drug therapy.

Emergency Services includes Urgent Care Services that cannot be delayed to prevent serious deterioration of health from an unforeseen condition or injury.

### **How do I get Emergency Services?**

Emergency Services are available 24 hours a day, seven days a week for Molina Members.

If You think You have an Emergency, wherever You are:

- Call **911** right away
- Go to the closest hospital or emergency room

When You go for Emergency Services, bring Your Molina Member ID card with You.

If You are not sure if You need Emergency Services but You need medical help, call Your PCP. You can also call Our 24-Hour Nurse Advice Line toll-free at 1 (888) 275-8750. The Nurse Advice Line is staffed by registered nurses (RNs). You can call the Nurse Advice Line 24 hours a day, 365 days a year.

Hospital emergency rooms are only for real Emergencies. These are not good places to get non-Emergency Services. They are often very busy and must care first for those whose lives are in danger. Please do not go to a hospital emergency room if Your condition is not an Emergency.

### **What if I am away from Molina's Service Area and in need of Emergency Services?**

Go to the nearest emergency room for care.

Please contact Molina within 24 hours of getting urgent or Emergency health care, or when medically reasonable. Call toll-free at 1 (888) 560-5716. Urgent Care Services are available when You are within or outside of Molina's Service Area. Urgent Care Services are those health care services needed to prevent the serious deterioration of one's health from an unforeseen medical condition or injury.

If You get ill after hours or need Urgent Care Services, call Your PCP.

You may also call Our 24-Hour Nurse Advice Line toll-free at 1 (888) 275-8750. For Spanish, call 1 (866) 648-3537. Our nurses can help You any time of the day or night. They will tell You what to do or where to go to be treated.

If You are within Molina's Service Area and have already asked Your PCP the name of the urgent care center that You are to use, go to the urgent care center.

It is best to find out the name of the urgent care center ahead of time. Ask Your doctor for the name of the urgent care center and the name of the hospital that You are to use.

If You are outside of Molina's Service Area, You may go to the nearest urgent care center or emergency room.

### **Complex Case Management - What if I have a difficult health problem?**

Living with and managing health problems can be hard. Molina has a program that can help.

The Complex Case Management program is for Members who need extra help with their difficult health care problems and needs.

The program allows You to talk with a nurse about Your health problems. The nurse can help You learn about those problems and teach You how to better manage them. The nurse may also work with Your family or caregiver and provider to make sure You get the care You need.

There are several ways You can be referred for this program. There are also certain requirements that You must meet.

This program is voluntary. You can choose to be removed from the program at any time.

If You would like information about this program, please call the Customer Support Center toll-free at 1 (888) 560-5716. You may also call Our dedicated TTY for the deaf or hard of hearing toll-free at 1 (800) 955-8771. You may also dial 711 for the Telecommunications Relay Service.

You may choose any of the following for Your prenatal care:

- Licensed obstetrician/gynecologist (OB/GYN)
- Nurse practitioner (trained in women's health)

You can make an appointment for prenatal care without seeing Your PCP first. To receive benefits under this Agreement, You must pick an OB/GYN or nurse practitioner who is a Participating Provider.

If You need help choosing an OB/GYN or if You have any questions, call Us toll-free at 1 (888) 560-5716. We are available Monday through Friday from 8:00 a.m. to 7:00 p.m. ET. We are happy to assist You.

## **BENEFITS AND COVERAGE**

Molina covers the services described in the section titled “What is Covered Under My Plan?” below. These are subject to the exclusions, limitations, and reductions set forth in this Agreement. They are covered only if all of the following conditions are satisfied:

- You are a Member on the date that You receive the Covered Services.
- The Covered Services are Medically Necessary.
- The services are listed as Covered Services in this Agreement.
- You receive the Covered Services from Participating Providers inside Our Service Area for this product offered through the Marketplace; however:
  - You may receive Covered Services from providers outside the Service Area where specifically noted in this Agreement. An example is if You are in need of Emergency Services or out-of-area Urgent Care Services.
  - You may receive Covered Services from Non-Participating Providers where specifically noted in this Agreement. An example is if You receive a second opinion as described in the section of this Agreement titled “Second Opinions From Non-Participating Providers.”

The only services Molina covers under this Agreement are those described in this Agreement. They are subject to any exclusions, limitations, and reductions described in this Agreement.

### **COST SHARING (Money You Will Have to Pay to Get Covered Services)**

Cost Sharing is the Deductible, Copayment, and/or Coinsurance that You must pay for Covered Services under this Agreement. The Cost Sharing amount You are required to pay for each type of Covered Service is listed in the Benefits and Coverage Guide at the beginning of this Agreement.

You must pay Cost Sharing for Covered Services. An exception is for preventive services included in the Essential Health Benefits as required by the Affordable Care Act that are provided by Participating Providers. Cost Sharing for Covered Services is listed in the Benefits and Coverage Guide at the beginning of this Agreement.

Cost Sharing towards Essential Health Benefits may be reduced or eliminated for certain eligible Members as determined by the Marketplace’s rules.

**YOU SHOULD REVIEW THE BENEFITS AND COVERAGE GUIDE CAREFULLY TO UNDERSTAND WHAT YOUR COST SHARING IS.**

## **Annual Out-of-Pocket Maximum**

- **For Individuals** - is the maximum amount of Cost Sharing You, as an individual Member, will have to pay for Covered Services in a calendar year. The Cost Sharing and individual Annual Out-of-Pocket Maximum amounts applicable to Your Agreement are specified in the Benefits and Coverage Guide.

For this Agreement, Cost Sharing includes payments You make towards any Deductibles, Copayments, or Coinsurance. Once Your total Cost Sharing in a calendar year reaches the specified individual Annual Out-of-Pocket Maximum amount, We will pay 100% of the charges for Covered Services for the remainder of the calendar year.

Amounts that You pay for services that are not Covered Services under this Agreement will not count towards the individual Annual Out-of-Pocket Maximum.

- **For Family (2 or more Members)** – is the maximum amount of Cost Sharing that a family of two or more Members will have to pay for Covered Services in a calendar year. The Cost Sharing and family Annual Out-of-Pocket Maximum amounts applicable to Your Agreement are specified in the Benefits and Coverage Guide.

For this Agreement, Cost Sharing includes payments You or other family members enrolled as Members under this Agreement make towards any Deductibles, Copayments, or Coinsurance. Once the total Cost Sharing made by two or more family members enrolled as Members under this Agreement reaches the specified Annual Out-of-Pocket Maximum amount, We will pay 100% of the charges for Covered Services for all enrolled family Members for the remainder of the calendar year.

Amounts that You or other family members enrolled as Members under this Agreement pay for services that are not Covered Services under this Agreement will not count towards the family Annual Out-of-Pocket Maximum.

## **Coinsurance**

Coinsurance is a percentage of the charges for Covered Services You must pay when You receive Covered Services. The Co-insurance amount is calculated as a percentage of the rates that Molina has negotiated with the Participating Provider.

Coinsurances are listed in the Benefits and Coverage Guide. Some Covered Services do not have Coinsurance, and may apply a Deductible and/or Copayment.

## **Copayment**

A Copayment is a specific dollar amount You must pay when You receive Covered Services. Copayments are listed in the Benefits and Coverage Guide. Some Covered Services do not have a Copayment, and may apply a Deductible and/or Coinsurance.

## **Deductible**

The Deductible is the amount You must pay in a calendar year for Covered Services You receive before Molina will cover those services at the applicable Copayment or Coinsurance. The amount that You pay towards Your Deductible is based on the rates that Molina has negotiated with the Participating Provider. Deductibles are listed in the Benefits and Coverage Guide at the beginning of this Agreement.

Please refer to the Benefits and Coverage Guide to see what Covered Services are subject to the Deductible and the Deductible amount. Your product may have separate Deductible amounts for specified Covered Services. If this is the case, amounts paid towards one type of Deductible cannot be used to satisfy a different type of Deductible.

When Molina covers services at “no charge” subject to the Deductible and You have not met Your Deductible amount, You must pay the charges for the services. However, for preventive services covered by this Agreement and included in the Essential Health Benefits, You will not pay any Deductible or other Cost Sharing towards such preventive services when provided by a Participating Provider.

There may be a Deductible listed for an individual Member and a Deductible for an entire family. If You are a Member in a family of two or more Members, You will meet the Deductible either:

- when You meet the Deductible for the individual Member; or
- when Your family meets the Deductible for the family.

For example, if You reach the Deductible for the individual Member, You will pay the applicable Copayment or Coinsurance for Covered Services for the rest of the calendar year, but every other Member in Your family must continue to pay towards the Deductible until Your family meets the family Deductible.

## **General Rules Applicable to Cost Sharing**

All Covered Services have a Cost Sharing unless specifically stated or until You pay the applicable Annual Out-of-Pocket Maximum. Please refer to the Benefits and Coverage Guide at the beginning of this Agreement for Cost Sharing amounts You will be required to pay for Covered Services.

You are responsible for the Cost Sharing in effect on the date You receive Covered Services, except as follows:

- If You are receiving covered inpatient hospital or skilled nursing facility services on the Effective Date of this Agreement, You pay the Cost Sharing in effect on Your admission date until You are discharged. This is as long as the services are covered under Your prior health plan Evidence of Coverage, and there has been no break in coverage.

If the services are not covered under Your prior health plan Evidence of Coverage, or if there has been a break in coverage, You pay the Cost Sharing in effect on the date You receive the Covered Services.

- For items ordered in advance, You pay the Cost Sharing in effect on the order date. Molina will not cover the item unless You still have coverage for it on the date You receive it. You may be required to pay the Cost Sharing when the item is ordered. For outpatient prescription drugs, the order date is the date the pharmacy processes the order after receiving all of the information they need to fill the prescription.

### **Receiving a Bill**

In many cases, Participating Providers will ask You to make a payment toward Your Cost Sharing at the time You check in. Keep in mind that this payment may cover only a portion of the total Cost Sharing for the Covered Services You receive. The Participating Provider will bill You for any additional Cost Sharing amounts that are due.

The Participating Provider is not allowed to bill You for Covered Services You receive other than for Cost Sharing Amounts that are due under this Agreement. However, You are responsible for paying charges for any health care services or treatment that are:

- not Covered Services under this Agreement, or
- provided by a Non-Participating Provider (except where specifically noted in this Agreement)

### **How Your Coverage Satisfies the Affordable Care Act**

Your Covered Services include Essential Health Benefits (EHB) as determined by the Affordable Care Act. If non-EHB coverage is included in Your product, those Covered Services will also be set out in this Agreement.

Your EHB coverage includes at least the 10 categories of benefits identified in the definition.

You cannot be excluded from coverage in any of the 10 EHB categories. However, You will not be eligible for pediatric services under this Agreement if You are 26 years of age or older, or 30 years of age or older as determined by Florida law. This includes pediatric dental that can be separately purchased through the Marketplace and pediatric vision.

The Affordable Care Act provides certain rules for EHB. These rules tell Molina how to administer certain benefits and Cost Sharing under this Agreement. For example, under the Affordable Care Act, Molina is not allowed to set lifetime limits or annual limits on the dollar value of Essential Health Benefits provided under this Agreement.

When EHB preventive services are provided by a Participating Provider, You will not have to pay any Cost Sharing amounts.

Molina must ensure that the Cost Sharing that You pay for all EHB does not exceed an annual limit that is determined under the Affordable Care Act. For the purposes of this EHB annual limit, Cost Sharing refers to any costs that a Member is required to pay to receive EHB. Such Cost Sharing includes, Deductibles, Coinsurance, Copayments, and/or similar charges. Cost Sharing does not include Premiums and Your spending for non-Covered Services.

## **Making Your Coverage More Affordable**

For qualifying Subscribers, there may be assistance to help make the product that You are purchasing under this Agreement more affordable. If You have not done so already, please contact the Marketplace:

- To determine if You are eligible for tax credits
  - Tax credits may reduce Your Premiums and/or Your Cost Sharing responsibility toward the EHB
- To assist You in determining whether You are a qualifying American Indian or Alaskan Native
  - Qualifying American Indians and Alaskan Natives may have limited or no Cost Sharing responsibilities for EHB
- For information about any annual limits on Cost Sharing towards Your EHB

Molina will work with the Marketplace to help You. We do not determine or provide Affordable Care Act tax credits.

## **Emergency Services Rendered by a Non-Participating Provider**

Emergency Services obtained for treatment of an Emergency Medical Condition are subject to the Cost Sharing for Emergency Services in the Benefits and Coverage Guide. We cover Emergency Services whether received from Participating Providers or Non-Participating Providers.

When You receive services from Non-Participating Providers (which may include, but are not limited to emergency room providers, radiologists, anesthesiologists, or pathologists) for the treatment of an Emergency Medical Condition, Molina will determine the allowed amount that will be covered under this benefit as the greater of the following: 1) Molina's usual and customary rate for such services in compliance with state law, 2) Molina's median contracted rate for such services, or 3) 100% of Medicare rate for such services. You may be responsible for charges that exceed the allowed amount covered under this benefit.

## **Services of Specified Non-Contracted Hospital-Based Physician**

In the event You receive non-emergency care from a hospital-based Non-Participating Provider who is delivering services in a Participating Provider hospital, Molina shall pay as long as the care is:

- Medically Necessary
- Prior Authorized
- A Covered Service

The Non-Participating Providers delivering services in a Participating Provider hospital may include, but are not limited to, pathologists, radiologists, and anesthesiologists.

Molina will determine the allowed amount covered for these services as the lesser of either the Non-Participating Provider's charges or Molina's usual and customary rate in compliance with state law. That amount is subject to any applicable Deductible and/or Coinsurance for inpatient and/or outpatient professional services described in the Benefits and Coverage Guide.

- Cornea
- Heart
- Lung
- Liver
- Kidney
- Pancreas
- Bone Marrow
  - We cover bone marrow transplants when the particular use of the bone marrow transplant procedure is determined to be accepted within the appropriate oncological specialty and not Experimental or Investigational.
  - As used in this Agreement, the term “bone marrow transplant” means human blood precursor cells administered to a patient to restore normal hematological and immunological functions following ablative or nonablative therapy with curative or life prolonging intent.
  - Human blood precursor cells may be obtained from the patient in an autologous transplant or from a medically acceptable related or unrelated donor. Human blood precursor cells may be derived from bone marrow, circulating blood, or a combination of bone marrow and circulating blood.
  - If chemotherapy is an integral part of the treatment involving bone marrow transplantation, the term “bone marrow transplant” includes both the transplantation and the chemotherapy.
- Other transplants are covered as approved by Molina in its sole discretion consistent with nationally established guidelines.

After the Prior Authorization for the services of a transplant facility, the following applies:

- If either the physician or the transplant facility determines that You do not satisfy its respective criteria for a transplant, Molina will only cover services You receive before that determination is made
- Molina is not responsible for finding, furnishing, or ensuring the availability of an organ, tissue, or bone marrow donor
- In accord with Our guidelines for services for living transplant donors, Molina provides certain donation-related services for a donor, or an individual identified as a potential donor, whether or not the donor is a Member. These services must be directly related to a covered transplant for You, which may include certain services for harvesting the organ, tissue, or bone marrow and for treatment of complications. Our guidelines for donor services are available by calling Our Customer Support Center toll-free at 1 (888) 560-5716.

For covered transplant services, You will pay the Cost Sharing You would pay if the Covered

Services were not related to transplant services. For example, for hospital inpatient care, You would pay the Cost Sharing listed under “Inpatient Hospital Services” in the Benefits and Coverage Guide.

### **Molina Drug Formulary (List of Drugs)**

Molina has a list of drugs that We will cover. The list is known as the Drug Formulary.

The drugs on the Drug Formulary are chosen by a group of doctors and pharmacists from Molina and the medical community. The group meets every 3 months to talk about the drugs that are on the Drug Formulary.

The group reviews new drugs and changes in health care to find the most effective drugs for different conditions. Drugs are added to or removed from the Drug Formulary based on changes in medical practice, medical technology, and when new drugs come on the market.

You can look at Our Drug Formulary on Our Molina Healthcare website at [www.molinahealthcare.com/marketplace](http://www.molinahealthcare.com/marketplace).

You may call Us and ask about a drug. Call toll-free 1 (888) 560-5716, Monday through Friday, 8:00 a.m. through 7:00 p.m. ET.

If You are deaf or hard of hearing, call toll-free 1 (800) 955-8771 or dial 711 for the Telecommunications Relay Service.

You can also ask Us to mail You a copy of the Drug Formulary. Remember that just because a drug is on the Drug Formulary does not guarantee that Your doctor will prescribe it for Your particular medical condition.

### **Access to Drugs That Are Not Covered**

Molina has a process to allow You to request and gain access to clinically appropriate drugs that are not covered under Your product.

If Your doctor orders a prescription drug that is not listed in the Drug Formulary that he or she believes is best for You, Your doctor may contact Molina's Pharmacy Department to request that Molina cover the drug for You.

- If the request is approved, Molina will contact Your doctor.
- If the request is denied, Molina will send a letter to You and Your doctor stating why the drug was denied.

If You are taking a drug that is no longer on Our Drug Formulary, Your doctor can ask Us to keep covering it by sending Us a Prior Authorization request for the drug.

- The drug must be safe and effective for Your medical condition.
- Your doctor must write Your prescription for the usual amount of the drug for You.

Molina may cover specific non-Formulary drugs under certain conditions:

- When Your doctor documents in the Your medical record and certifies that the Drug Formulary alternative has been ineffective in the treatment of Your disease or condition
- When the Drug Formulary alternative causes or is reasonably expected by Your doctor to cause You a harmful or adverse reaction

There are two types of requests for clinically appropriate drugs that are not covered under Your product:

- **Expedited Exception Request** for urgent circumstances that may seriously jeopardize life, health, or ability to regain maximum function, or for undergoing current treatment using non-Drug Formulary drugs.
- **Standard Exception Request.**

You and/or Your Participating Provider will be notified of Our decision no later than:

- 24 hours following receipt of request for Expedited Exception Request
- 72 hours following receipt of request for Standard Exception Request

If initial request is denied, You and/or Your Participating Provider may request an external review. You and/or Your Participating Provider will be notified of the external decision no later than:

- 24 hours following receipt of request for Expedited Exception Request
- 72 hours following receipt of request for Standard Exception Request

### **Cost Sharing for Prescription Drugs and Medications**

The Cost Sharing for prescription drugs and medications is listed on the Benefits and Coverage Guide. Cost Sharing applies to all drugs and medications prescribed by a Participating Provider on an outpatient basis.

The exception is when such drug therapy is an EHB preventive care prescription drug administered or prescribed by a Participating Provider. In this case, the EHB preventive care prescription drug is not subject to Cost Sharing.

### **Tier-1 Formulary Generic Drugs**

Formulary Generic drugs are those drugs listed in the Molina Drug Formulary that have the same ingredients as brand name drugs.

To be FDA (government) approved, the Formulary Generic drug must have the same active ingredient, strength, and dosage (formulation) as the brand name drug. Companies making a generic drug have to prove to the FDA that the drug works just as well and is as safe as the brand name drug.

Cost Sharing for Formulary Generic drugs is listed on the Benefits and Coverage Guide. You will be charged a Copayment for Formulary Generic drugs.

If Your doctor orders a brand name drug that is not in the Drug Formulary and there is a Formulary Generic drug available, We will substitute the brand name drug with the Formulary Generic drug.

If Your doctor says that You must have the brand name drug that is not in the Drug Formulary instead of the Formulary Generic, he/she must submit a Prior Authorization request to Molina's Pharmacy Department.

- If Prior Authorization is not obtained from Molina, You may purchase the brand name drug at the full cost charged by the pharmacy.
- If Prior Authorization is obtained from Molina, You may purchase the brand name drug at the following Cost Sharing:
  1. The Cost Sharing for Formulary Non-Preferred Brand Name drugs listed on the Benefits and Coverage Guide, **plus**
  2. The difference in cost between the generic drug and brand name drug

### **Tier-2 Formulary Preferred Brand Name Drugs**

Formulary Preferred Brand Name drugs are those drugs listed that, due to clinical effectiveness and cost differences, are designated as "Preferred" in the Molina Drug Formulary.

Formulary Preferred Brand Name drugs are prescription drugs or medicines that have been registered under a brand or trade name by their manufacturer and are advertised and sold under that name. They are indicated as a brand in the Medi-Span or similar third party national database used by Molina and Our pharmacy benefit manager.

Cost Sharing for Formulary Preferred Brand Name drugs is listed on the Benefits and Coverage Guide. Deductible may apply, and You will be charged a Copayment for Formulary Preferred Brand Name drugs.

### **Tier-3 Formulary Non-Preferred Brand Name Drugs**

Formulary Non-Preferred Brand Name drugs are those drugs listed in the Molina Drug Formulary that are designated as "Non-Preferred" due to lesser clinical effectiveness and cost differences.

Formulary Non-Preferred Brand Name drugs are prescription drugs or medicines that have been registered under a brand or trade name by their manufacturer and are advertised and sold under that name. They are indicated as a brand in the Medi-Span or similar third party national database used by Molina and Our pharmacy benefit manager.

A drug is not considered preventive if it is being prescribed to treat an existing, symptomatic illness, injury, or condition. Formulary Preventative drugs are offered at No Charge on Tier 5. - Radioactive materials

Any other services that by law require federal FDA approval in order to be sold in the U.S. but are not approved by the FDA are not covered.

This exclusion applies to services provided anywhere, even outside the United States.

These exclusions do not apply to services covered under the following sections of the “What is Covered Under My Plan?” section of this Agreement:

- “Approved Clinical Trials”
- “Cancer Treatment – Off-Label Drugs” provisions in the “Prescription Drug Coverage” subsection

Please refer to the “Complaints and Appeals” section below for information about denied requests for Experimental or Investigational services.

## **Services Performed by Unlicensed People**

Except as otherwise provided in this Agreement, services performed by people who do not require licenses or certificates by the State of Florida to provide health care services are not covered.

## **Services Provided Outside the United States (or Service Area)**

Any services and supplies provided to a Member outside the United States or outside the Service Area if the Member traveled to the location for the purposes of receiving medical services, supplies, or drugs are not covered.

Routine care, preventive care, primary care, specialty care and inpatient services are not covered when furnished outside the United States or anywhere else outside of the Service Area. Only Emergency Services and Urgent Care Services are Covered Services outside the United States or outside the Service Area.

When death occurs outside the United States, the medical evacuation and repatriation of remains is not covered.

### **Services Related to a Non-Covered Service**

When a Service is not covered, all services related to the non-Covered Service are not covered. This exclusion does not apply to services Molina would otherwise cover to treat complications of the non-Covered Service.

For example, if You have a non-covered cosmetic surgery, Molina would not cover services You receive in preparation for the surgery or for follow-up care. If You later suffer a life-threatening complication such as a serious infection, this exclusion would not apply. Molina would cover any services that We would otherwise cover to treat that complication.

### **Surrogacy**

Services for anyone in connection with a surrogacy arrangement are not covered, except for otherwise-Covered Services provided to a Member who is a surrogate. A surrogacy arrangement is one in which a woman (the surrogate) agrees to become pregnant and to surrender the baby to another person or persons who intend to raise the child.

### **Transgender Surgery**

Transgender surgery is not covered.

### **Travel and Lodging Expenses**

Most travel and lodging expenses are not covered. Molina may pay certain expenses that Molina preauthorizes in accordance with Molina's travel and lodging guidelines.

Molina's travel and lodging guidelines are available from Our Customer Support Center by calling toll free at 1 (888) 560-5716. You may also call Our dedicated TTY for the deaf or hard of hearing toll-free at 1 (800) 955-8771. You may also dial 711 for the Telecommunications Relay Service.

## **THIRD PARTY LIABILITY**

You agree that if Covered Services are provided to treat an injury or illness caused by the wrongful act or omission of another person or third party, if You are made whole for all other damages resulting from the wrongful act or omission before Molina is entitled to reimbursement, then You shall:

- Reimburse Molina for the reasonable cost of services paid by Molina to the extent permitted by the laws of the State of Florida immediately upon collection of damages by him or her, whether by action or law, settlement or otherwise; and
- Fully cooperate with Molina effectuation of its lien rights for the reasonable value of services provided by Molina to the extent permitted under the laws of the State of Florida, Inc. Molina's lien may be filed with the person whose act caused the injuries, his or her agent or the court.

Molina shall be entitled to payment, reimbursement, and subrogation (recovery of benefits paid when other insurance provides coverage) in third party recoveries and You shall cooperate to fully and completely assist in protecting the rights of Molina including providing prompt notification of a case involving possible recovery from a third party.

## **WORKERS' COMPENSATION**

Molina shall not furnish benefits under this Agreement that duplicate the benefits to which You are entitled under any applicable workers' compensation law.

You are responsible for taking whatever action is necessary to obtain payment under workers' compensation laws where payment under the workers compensation system can be reasonably expected. Failure to take proper and timely action will preclude Molina's responsibility to furnish benefits to the extent that payment could have been reasonably expected under workers' compensation laws.

If a dispute arises between You and the workers' compensation carrier, as to Your ability to collect under workers' compensation laws, Molina will provide the benefits described in this Agreement until resolution of the dispute.

If Molina provides benefits which duplicate the benefits You are entitled to under workers' compensation law, Molina shall be entitled to reimbursement for the reasonable cost of such benefits.

## **RENEWAL AND TERMINATION**

### **How Does my Molina Coverage Renew?**

Coverage shall be renewed on the first day of each month upon Molina's receipt of any prepaid Premiums due. Renewal is subject to Molina's right to amend this Agreement.

You must follow the procedures required by the Marketplace to redetermine Your eligibility for enrollment every year during the Marketplace's annual open enrollment period.

### **Changes in Premiums, Deductibles, Copayments and Benefits and Coverage**

Any change to this Agreement, including, but not limited to, changes in Premiums, Benefits and Coverage or Covered Services, Deductible, Copayment, Coinsurance and Annual Out-of-Pocket Maximum amounts, is effective after 60 days' notice to the Subscriber's address of record with Molina.

### **When Will My Molina Membership End? (Termination of Benefits and Coverage)**

The termination date of Your coverage is the first day You are not covered with Molina.

For example, if Your termination date is July 1, 2016, Your last minute of coverage was at 11:59 p.m. on June 30, 2016.

If Your coverage terminates for any reason, You must pay all Premium and Cost-Sharing amounts payable and owing related to Your coverage with Molina for the period prior to Your termination date.

Except in the case of fraud or deception in the use of services or facilities, Molina will return to You within 30 days after the termination date the amount of Premiums paid to Molina. This amount corresponds to any unexpired period for which payment had been received together with amounts due on claims, if any, less any amounts due Molina.

Your membership with Molina will terminate if You:

- **No Longer Meet Eligibility Requirements**

**Coverage under this Policy will terminate if:** You no longer meet the age or other eligibility requirements for coverage under this product as required by Molina or the Marketplace. The Marketplace will send You notice of any eligibility determination. Molina will send You notice of loss of eligibility when We learn You have moved out of the Service Area.

- **For Non-Age-Related loss of Eligibility,** Coverage will end at 11:59 p.m. on the last day of the month following the month in which either of these notices is sent to You unless You request an earlier termination effective date.
- **For a Dependent Child Reaching the Limiting Age of 26,** Coverage under this Policy, for a Dependent Child, will terminate at 11:59 p.m. on the last day of the calendar year in which the Dependent Child reaches the limiting age of 26, unless the child meets specified criteria. See the sections titled “Age Limit for Children (Disabled Children)” and “Continued Eligibility of Certain Children Beyond the Limiting Age of 26” for more information.
- **For a Non-Dependent Member with Child-Only Coverage Reaching the Limiting Age,** Child-Only Coverage under this Policy, including coverage of dependents of a Member with Child-Only Coverage, will terminate at 11:59 p.m. on the last day of the calendar year in which the non-Dependent Member reaches the limiting age of 21. When Child-Only Coverage under this Policy terminates because the Member has reached age 21, the Member and any Dependents may be eligible to enroll in other products offered by Molina through the Marketplace.

- **Request Disenrollment**

If You decide to end Your membership and disenroll from Molina by notifying Molina and/or the Marketplace, then Your membership will end at 11:59 p.m. on the 14th day following the date of Your request or a later date if requested by You. At Our discretion, Molina may accommodate a request to end Your membership in fewer than 14 days.

- **Change Marketplace Health Plans**

You may decide to change from Molina to another health plan offered through the Marketplace in either situation below:

- During an annual open enrollment period or other special enrollment period for which You have been determined eligible in accordance with the Marketplace’s special enrollment procedures
- When You seek to enroll a new Dependent

In either case, Your membership will end at 11:59 p.m. on the day before the effective date of coverage through Your new health plan.

- **Commit Fraud or Intentionally Misrepresent Material Fact**

Your membership will terminate if You commit any act or practice that constitutes fraud, or for any intentional misrepresentation of material fact under the terms of Your coverage with Molina. Some examples include:

- Misrepresenting eligibility information
- Presenting an invalid prescription or physician order
- Misusing a Molina Member ID card (or letting someone else use it)

You will be given a 45-day advance written notice prior to Your coverage being terminated.

If Molina terminates Your membership for cause, You may not be allowed to enroll with Us in the future. We may also report criminal fraud and other illegal acts to the appropriate authorities for prosecution.

Any person who knowingly and with intent to injure, defraud, or deceive any insurer files a statement of claim or an application containing any false, incomplete, or misleading information is guilty of a felony of the third degree.

Please note the following with regard to membership termination:

- **Time limit on Certain Defenses:** Relative to a misstatement, omissions, or inaccuracies in the application, after 2 years from the issue date, only fraudulent misstatements in the application may be used to terminate this Agreement or deny any claim for loss incurred or disability starting after the 2-year period.
- **Discontinuation:** If Molina ceases to provide or arrange for the provision of health benefits for new or existing health care service under this product, Your membership will terminate. In this case, Molina will provide You with written notice at least 180 days prior to discontinuation of those contracts.
- **Withdrawal of Product:** If Molina withdraws this product from the market, Your membership will terminate. In this case, Molina will provide You with written notice at least 90 days before the termination date.
- **Nonpayment of Premiums:** If You do not pay required Premiums by the due date, Molina may terminate Your coverage as further described in the “Premium Notices/Termination for Non-Payment of Premiums” section below.

Your coverage under certain Benefits and Coverage will terminate if Your eligibility for such benefits end. For instance, a Member who attains the age of 26, or 30 as determined by Florida law, will no longer be eligible for Pediatric Vision Services covered under this Agreement. As a result, such Member’s coverage under those specific Benefits and Coverage will terminate on his or her 26<sup>th</sup> birthday, or 30<sup>th</sup> birthday as determined by state law, without affecting the remainder of this Agreement.

### Premium Notices/Termination for Non-Payment of Premiums

Your Premium payment obligations are as follows.

- Your Premium payment for the upcoming coverage month is due no later than the date stated on Your Premium bill. This is the “**Due Date.**”
  - Molina will send You a bill in advance of the Due Date for the upcoming coverage month.
  - If Molina does not receive the full Premium payment due on or before the Due Date, We will send a notice of non-receipt of Premium payment and termination of coverage (the “**Late Notice**”) to the Your address of record.
  - This Late Notice will include, among other information, the following:
    - A statement that Molina has not received full Premium payment and that We will terminate this Agreement for nonpayment if We do not receive the required Premiums prior to the expiration of the grace period as described in the Late Notice
    - The amount of Premiums due
    - The specific date and time when Your membership and the membership of any enrolled Dependents will end if We do not receive the required Premiums

If You have received a Late Notice that Your coverage is being terminated or not renewed due to failure to pay Your Premium, Molina will give a:

- 30-day grace period to pay the full Premium payment due if You do not receive advance payment of the premium tax credit. Molina will process payment for Covered Services received during the 30-day grace period. You will be responsible for any unpaid Premiums You owe Molina for the grace period; or
- Three month grace period to pay the full Premium payment due if You receive advance payment of the premium tax credit. Molina will process payment for Covered Services received after the first month of the grace period so long as Your Premiums are paid in full before the end of the grace period.

If We do not receive Premiums by the end of the three-month grace period, You will be responsible for payment of the Covered Services received during the second and third months.

During the grace period applicable to You, You can avoid termination or nonrenewal of this Agreement by paying the full Premium payment You owe to Molina.

If You do not pay the full Premium payment by the end of the grace period, this Agreement will terminate. You will still be responsible for any unpaid Premiums You owe Molina for the grace period if You receive advance payment of the premium tax credit.

**Termination or nonrenewal of this Agreement for non-payment will be effective at 11:59 p.m. on:**

- The last day of the month prior to the beginning of the grace period if You do not receive advance payment of the premium tax credit; or,
- The last day of the first month of the grace period if You receive advance payment of the premium tax credit.

**Reinstatement after Termination for Non-Payment of Premiums**

- When Your coverage terminates for nonpayment of Premiums, You may not enroll in Molina even after paying all amounts owed unless We approve the enrollment.
- If Molina terminates this Agreement for nonpayment of Premiums, We will permit reinstatement of this Agreement once during any 12-month period if We receive the amounts owed within 15 days of the date of the Termination Notice, described below. Molina will not reinstate this Agreement if You do not obtain reinstatement of Your terminated Agreement within the required 15 days, or if We terminate the Agreement for nonpayment of Premiums more than once in a 12-month period. In either case, You will be ineligible to re-enroll for a period of 12 months from the effective date of termination.

**Termination Notice**

Upon termination of this Agreement, Molina will mail a Termination Notice to the Subscriber's address of record specifying the date and time when the membership ended or will end. The Termination Notice will include the reason or reasons for the termination of Your Agreement.

## COORDINATION OF BENEFITS

This Coordination of Benefits (“**COB**”) provision applies when a person has health care coverage under more than one Plan. For purposes of this COB provision, “Plan” has the meaning in the definition below.

The order of benefit determination rules govern the order in which each Plan will pay a claim for benefits. The Plan that pays first is the “**Primary Plan**.” The Primary Plan must pay benefits in accordance with its policy terms without regard to the possibility that another Plan may cover some expenses. The Plan that pays after the Primary Plan is the “**Secondary Plan**.” The Secondary Plan may reduce the benefits it pays so that payments from all Plans do not exceed 100% of the total Allowable Expense.

### Definitions (applicable to this COB provision)

A “**Plan**” is any of the following that provides benefits or services for medical or dental care or treatment. If separate contracts are used to provide coordinated coverage for members of a group, the separate contracts are considered parts of the same plan and there is no COB among those separate contracts.

1. Plan includes: group and non-group insurance contracts, health maintenance organization (HMO) contracts, Closed Panel Plans or other forms of group or group-type coverage (whether insured or uninsured) ; medical care components of long-term care contracts, such as skilled nursing care; medical benefits under group or individual automobile contracts; and Medicare or any other federal governmental plan, as permitted by law.
2. Plan does not include: hospital indemnity coverage or other fixed indemnity coverage; accident only coverage; specified disease or specified accident coverage; limited benefit health coverage, as defined by S. 641.31(7), F.S. and S. 627.4235(5), F.S.; school accident type coverage; benefits for non-medical components of long-term care policies; Medicare supplement policies; Medicaid policies; or coverage under other federal governmental plans, unless permitted by law.

Each contract for coverage under (1) or (2) is a separate Plan. If a Plan has two parts and COB rules apply only to one of the two, We treat each of the parts as a separate Plan.

- “**This Plan**” means, in a COB provision, the part of the contract providing the health care benefits to which the COB provision applies and which may reduce because of the benefits of other Plans. Any other part of the contract providing health care benefits is separate from This Plan. A contract may apply one COB provision to certain benefits, such as dental benefits, coordinating only with similar benefits, and may apply another COB provision to coordinate other benefits.
- The order of benefit determination rules determine whether This Plan is a Primary Plan or Secondary Plan when the person has health care coverage under more than one Plan. When This Plan is primary, it determines payment for its benefits first before those of any other Plan without considering any other Plan’s benefits. When This Plan is secondary, it determines its benefits after those of another Plan and may reduce the benefits it pays so that all Plan benefits do not exceed 100% of the total Allowable Expense. When there

are more than two Plans covering the person, This Plan may be a Primary Plan as to one or more other Plans and may be a Secondary Plan as to a different Plan or Plans.

- **“Allowable Expense”** is a health care expense, including Deductibles, Coinsurance, and Copayments, is covered at least in part by any Plan covering the person. When a Plan provides benefits in the form of services, the reasonable cash value of each service is an Allowable Expense and a benefit paid. An expense that is not covered by any Plan covering the person is not an Allowable Expense. In addition, any expense that a provider by law or in accordance with a contractual agreement is prohibited from charging a Member is not an Allowable Expense.

The following are examples of expenses that are not Allowable Expenses:

1. The difference between the cost of a semi-private hospital room and a private hospital room is not an Allowable Expense, unless one of the Plans provides coverage for private hospital room expenses.
2. If a person is covered by 2 or more Plans that compute their benefit payments based on usual and customary fees or relative value schedule reimbursement methodology or other similar reimbursement methodology, then any amount in excess of the highest reimbursement amount for a specific benefit is not an Allowable Expense.
3. If a person is covered by 2 or more Plans that provide benefits or services based on negotiated fees, then an amount in excess of the highest of the negotiated fees is not an Allowable Expense.
4. If a person is covered by one Plan that calculates its benefits or services on the basis of usual and customary fees or relative value schedule reimbursement methodology or other similar reimbursement methodology and another Plan that provides its benefits or services on the basis of negotiated fees, the Primary Plan’s payment arrangement shall be the Allowable Expense for all Plans.

However, if the provider has contracted with the Secondary Plan to provide the benefit or service for a specific negotiated fee or payment amount that is different from the Primary Plan’s payment arrangement and if the provider’s contract permits, the negotiated fee or payment shall be the Allowable Expense used by the Secondary Plan to determine its benefits.

5. The amount of any benefit reduction by the Primary Plan because a Member has failed to comply with the Plan provisions is not an Allowable Expense. Examples of these types of plan provisions include second surgical opinions, precertification of admissions, and preferred provider arrangements.

**“Closed Panel Plan”** is a Plan that provides health care benefits to Members primarily in the form of services through a panel of providers that are contracted with or employed by the Plan. This type of plan excludes coverage for services provided by other providers, except in cases of emergency or referral by a panel member.

**“Custodial Parent”** is the parent awarded custody by a court decree or, in the absence of a court decree, is the parent with whom the child resides more than one half of the calendar year excluding any temporary visitation.

## **Order of Benefit Determination Rules**

When a person has coverage by two or more Plans, the rules for determining the order of benefit payments are as follows:

A. The Primary Plan pays or provides its benefits according to its terms of coverage and without regard to the benefits of under any other Plan.

B. (1) Except as provided in Paragraph (2), a Plan that does not contain a COB provision that is consistent with this regulation is always primary unless the provisions of both Plans state that the complying Plan is primary.

(2) Coverage that is obtained by virtue of membership in a group that is designed to supplement a part of a basic package of benefits and provides that this supplementary coverage shall be excess to any other parts of the Plan provided by the contract holder. Examples of these types of situations are major medical coverages that are superimposed over base plan hospital and surgical benefits, and insurance type coverages that are written in connection with a Closed Panel Plan to provide out-of-network benefits.

C. A Plan may consider the benefits paid or provided by another Plan in calculating payment of its benefits only when it is secondary to that other Plan.

D. Each Plan determines its order of benefits using the first of the following rules that apply:

(1) Non-Dependent or Dependent. The Plan that covers the person other than as a dependent, for example as an employee, member, policyholder, subscriber or retiree is the Primary Plan and the Plan that covers the person as a dependent is the Secondary Plan. However, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the Plan covering the person as a dependent, and primary to the Plan covering the person as other than a dependent (e.g. a retired employee), then the order of benefits between the two Plans is reversed. In which case, the Plan covering the person as an employee, member, policyholder, subscriber or retiree is the Secondary Plan and the other Plan is the Primary Plan.

(2) Dependent child covered under more than one Plan. Unless there is a court decree stating otherwise, when a dependent child has coverage under more than one Plan the order of benefits is determined as follows:

(a) For a dependent child whose parents are married or are living together, whether or not they have ever been married:

- The Plan of the parent whose birthday falls earlier in the calendar year is the Primary Plan; or
- If both parents have the same birthday, the Plan that has covered the parent the longest is the Primary Plan.

However, if one spouse's Plan has some other coordination rule (for example, a "gender rule" which says the father's plan is always primary), We will follow the rules of that Plan.

(b) For a dependent child whose parents are divorced or separated or not living together, whether or not they have ever been married:

(i) If a court decree states that one of the parents is responsible for the dependent child's health care expenses or health care coverage and the Plan of that parent has actual knowledge of those terms, that Plan is primary. This rule applies to plan years commencing after the Plan receives notice of the court decree;

(ii) If a court decree states that both parents are responsible for the dependent child's health care expenses or health care coverage, the provisions of Subparagraph (a) above shall determine the order of benefits;

(iii) If a court decree states that the parents have joint custody without specifying that one parent has responsibility for the health care expenses or health care coverage of the dependent child, the provisions of Subparagraph (a) above shall determine the order of benefits; or

(iv) If there is no court decree allocating responsibility for the dependent child's health care expenses or health care coverage, the order of benefits for the child are as follows:

- The Plan covering the Custodial Parent;
- The Plan covering the spouse of the Custodial Parent;
- The Plan covering the non-Custodial Parent; and then
- The Plan covering the spouse of the non-Custodial Parent.

(c) For a dependent child covered under more than one Plan of individuals who are not the parents of the child, the provisions of Subparagraph (a) or (b) above shall determine the order of benefits as if those individuals were the parents of the child.

(3) Active employee or retired or laid-off employee. The Plan that covers a person as an active employee, that is, an employee who is neither laid off nor retired, is the Primary Plan. The Plan covering that same person as a retired or laid-off employee is the Secondary Plan. The same would hold true if a person is a dependent of an active employee and that same person is a dependent of a retired or laid-off employee. If the other Plan does not have this rule, and as a result, the Plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule labeled D.(1) can determine the order of benefits.

(4) COBRA or state continuation coverage. If a person whose coverage is provided pursuant to COBRA or under a right of continuation provided by state or other federal law is covered under another Plan, the Plan covering the person as an employee, member, subscriber or retiree or covering the person as a dependent of an employee, member, subscriber or retiree is the Primary Plan. In that case, the COBRA or state or other federal continuation coverage is the Secondary Plan. If the other Plan does not have this rule, and as a result, the Plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule labeled D.(1) can determine the order of benefits.

(5) Longer or shorter length of coverage. The Plan that covered the person as an employee, member, policyholder, subscriber or retiree longer is the Primary Plan and the Plan that covered the person the shorter period is the Secondary Plan.

(6) If the preceding rules do not determine the order of benefits, the Allowable Expenses shall be shared equally between the Plans meeting the definition of Plan. In addition, This Plan will not pay more than it would have paid had it been the Primary Plan.

### **Effect On The Benefits Of This Plan**

When This Plan is secondary, it may reduce its benefits so that the total benefits paid or provided by all Plans during a plan year are not more than the total Allowable Expenses. In determining the amount to be paid for any claim, the Secondary Plan will calculate the benefits it would have paid in the absence of other health care coverage and apply that calculated amount to any Allowable Expense under its Plan that is unpaid by the Primary Plan. The Secondary Plan may then reduce its payment by the amount so that, when combined with the amount paid by the Primary Plan, the total benefits paid or provided by all Plans for the claim do not exceed the total Allowable Expense for that claim. In addition, the Secondary Plan shall credit to its plan deductible any amounts it would have credited to its deductible in the absence of other health care coverage.

If a Member has coverage in two or more Closed Panel Plans and if, for any reason, including the provision of service by a non-panel provider, benefits are not payable by one Closed Panel Plan, COB shall not apply between that Plan and other Closed Panel Plans.

### **Right to Receive and Release Needed Information**

Molina needs certain facts about health care coverage and services to apply these COB rules and to determine benefits payable under This Plan and other Plans. Molina may get the facts it needs from or give them to other organizations or persons for the purpose of applying these rules and determining benefits payable under This Plan and other Plans covering the person claiming benefits. We need not tell, or get the consent of, any person to do this. Each person claiming benefits under This Plan must give Molina any facts it needs to apply those rules and determine benefits payable. If You do not provide Us the information We need to apply these rules and determine the benefits payable, We will deny Your claim for benefits.

### **Facility of Payment**

A payment made under another Plan may include an amount that Molina should have paid under This Plan. If it does, Molina may pay that amount to the organization that made that payment. Molina will treat that amount as though it were a benefit paid under This Plan. We will not have to pay that amount again. The term “payment made” includes providing benefits in the form of services, in which case “payment made” means the reasonable cash value of the benefits provided in the form of services.

## **Right of Recovery**

If the amount of the payments made by Molina is more than We should have paid under this COB provision, We may recover the excess from one or more of the persons We paid or for whom We had paid, or any other person or organization that may be responsible for the benefits or services provided for the Member. The “amount of the payments made” includes the reasonable cash value of any benefits provided in the form of services.

## **APPEALS**

### **Definitions**

The capitalized terms used in this appeals section have the following definitions:

“Adverse Benefit Determination” means:

- A denial of a request for service or a failure to provide or make payment in whole or in part for a benefit;
- Any reduction or termination of a benefit, or any other coverage determination that an admission, availability of care, continued stay, or other health care service does not meet Molina’s requirements for Medical Necessity, appropriateness, health care setting, or level of care or effectiveness; or
- Based in whole or in part on medical judgment, includes the failure to cover services because they are determined to be experimental, investigational, cosmetic, not Medically Necessary or inappropriate.
- A decision by Molina to deny coverage based upon an initial eligibility determination.

An Adverse Benefit Determination is also a rescission of coverage as well as any other cancellation or discontinuance of coverage that has a retroactive effect, except when such cancellation/discontinuance is due to a failure to timely pay required Premiums or contributions toward cost of coverage.

The denial of payment for services or charges (in whole or in part) pursuant to Molina’s contracts with network providers, where You are not liable for such services or charges, are not Adverse Benefit Determinations.

“Authorized Representative” means an individual authorized in writing by You or state law to act on the Your behalf in requesting a health care service, obtaining claim payment, or during the internal appeal process. A health care provider may act on behalf of You without Your express consent when it involves an Urgent Care Service.

“DFS” means the Florida Department of Financial Services.

“Final Adverse Benefit Determination” means an Adverse Benefit Determination that is upheld after the internal appeal process. If the period allowed for the internal appeal elapses without a determination by Molina, then the internal appeal will be deemed to be a Final Adverse Benefit Determination.

“Post-Service Claim” means an Adverse Benefit Determination has been rendered for a service that has already been provided.

“Pre-Service Claim” means an Adverse Benefit Determination was rendered and the requested service has not been provided.

“Urgent Care Services Claim” means an Adverse Benefit Determination was rendered and the requested service has not been provided, where the application of non-urgent care appeal time frames could seriously jeopardize:

- Your life or health or the Your unborn child; or
- In the opinion of the treating physician, would subject You to severe pain that cannot be adequately managed without the care or treatment that is the subject of the claim.

### **Internal Appeal**

You or Your Authorized Representative or a treating Provider or facility may submit an appeal of an Adverse Benefit Determination. Molina will provide You with the forms necessary to initiate an appeal.

You may request these forms by contacting Molina at the telephone number listed on the Member ID card. While You are not required to use Molina’s pre-printed form, Molina strongly encourages that an appeal be submitted on such a form to facilitate logging, identification, processing, and tracking of the appeal through the review process.

If You need assistance in preparing the appeal, or in submitting an appeal verbally, You may contact Molina for such assistance at:

Your notice of Adverse Benefit Determination and Final Adverse Benefit Determination describes the process to follow if You wish to pursue an external appeal.

You must submit Your request for external review within 123 calendar days of the date You receive the notice of Adverse Benefit Determination or Final Adverse Benefit Determination.

You can request an external appeal by fax at 1 (888) 866-0205, online at [www.externalappeal.com](http://www.externalappeal.com) or by mail at:

If any additional information is submitted, it will be shared with Molina in order to give Us an opportunity to reconsider the denial.

## **Request for expedited external appeal**

You or Your Authorized Representative may make a written or oral request for an expedited external appeal with the external reviewer when You receive:

- An Adverse Benefit Determination if the Adverse Benefit Determination involves a medical condition for which the timeframe for completion of an appeal of an Urgent Care Service would seriously jeopardize Your life or health or would jeopardize Your ability to regain maximum function and You have filed a request for a review of an Urgent Care Service; or
- A Final Adverse Benefit determination, if You have a Medical Condition where the timeframe for completion of a standard external review would seriously jeopardize Your life or health or would jeopardize Your ability to regain maximum function, or if the final internal Adverse Benefit Determination concerns an admission, availability of care, continued stay, or health care item or service for which the claimant received services, but has not been discharged from a facility.

- An Adverse Benefit Determination that relates to Experimental or Investigational treatment, if the treating physician certified that the recommended or requested health care service, supply, or treatment would be significantly less effective if not promptly initiated.

In expedited external appeal situations, requests for expedited review can be initiated by calling MAXIMUS Federal Services toll free at 1 (888) 866-6205, or by faxing the request to 1 (888) 866-6190, or by mailing the request to:

HHS Federal External Review Request  
MAXIMUS Federal Services  
3750 Monroe Avenue, Suite 705  
Pittsford, NY 14534.

Additionally, at Your request, Molina can send You copies of the actual benefit provision, and will provide a copy at no charge, of the actual benefit, clinical guidelines or clinical criteria used to make the determination upon receipt of Your request. A request can be made by calling the Molina Complaints and Appeals Coordinator.

### **General Rules and Information**

## BINDING ARBITRATION

### OPTION TO RESOLVE ALL DISPUTES EXCEPT MEDICAL MALPRACTICE BY BINDING ARBITRATION

#### \*\*\*Important Information About Your Rights\*\*\*

Any and all disputes of any kind whatsoever, including but not limited to claims relating to the coverage and delivery of services under this product (except for claims of medical malpractice which would be governed by Chapter 766 of the Florida Statute ("F.S.") and which are expressly excluded) between Member (including any heirs, successors or assigns of the Member) and Molina Healthcare, or any of its parents, subsidiaries, affiliates, successors or assigns may be submitted to binding arbitration in accordance with applicable state and federal laws, including the Federal Arbitration Act, 9 U.S.C. Sections 1-16, the Florida Arbitration Act, Chapter 682 F.S. *et seq.*, and the Affordable Care Act. Any such dispute will not be resolved by a lawsuit, resort to court process, or be subject to appeal, except

as provided by applicable law. Arbitration shall not preclude review pursuant to Rule 69O-191.081 of the Florida Administrative Code. Any arbitration under this provision will take place on an individual basis; class arbitrations and class actions are not permitted.

Member and Molina Healthcare acknowledge that, by agreeing to arbitrate, they will waive the right to trial by jury or to participate in a class action. Through binding arbitration, Member and Molina Healthcare will give up their constitutional rights to have any such dispute decided in a court of law before a jury. If Member agrees to submit a dispute to binding arbitration, Member further agrees to the following:

- The final and binding arbitration shall be conducted in accordance with the American Arbitration Association (AAA) Commercial Arbitration Rules and Mediation Procedures, and administration of the arbitration shall be performed by the AAA or such other arbitration service as the parties may agree in writing. Judgment upon the award rendered by the arbitrator may be entered in any court having jurisdiction.
- The parties will endeavor to mutually agree to the appointment of the arbitrator, but if such agreement cannot be reached within 30 days following the date demand for arbitration is made, the arbitrator appointment procedures in the AAA Commercial Arbitration Rules and Mediation Procedures will be utilized. The arbitrator shall hold a hearing within a reasonable time from the date of notice of selection of the neutral arbitrator.
- Arbitration hearings shall be held in the County in which the Member lives or at such other location as the parties may agree in writing. Civil discovery may be taken in such arbitration in accordance with the Florida Arbitration Act. The arbitrator selected shall have the power to control the timing, scope and manner of the taking of discovery and shall further have the same powers to enforce the parties' respective duties concerning discovery as would a Florida state law court, including, but not limited to, the imposition of sanctions. The arbitrator shall have the power to grant all remedies in accordance with, and subject to any limitations of, applicable law.

- The arbitrator shall prepare in writing an award that indicates the prevailing party or parties, the amount and other relevant terms of the award, and that includes the legal and factual reasons for the decision. Proceeding with binding arbitration shall not preclude a party from seeking a temporary restraining order or preliminary injunction or other provisional remedies from a court with jurisdiction; however, any and all other claims or causes of action, including, but not limited to, those seeking damages, shall be subject to binding arbitration as provided herein.
- The parties shall divide equally the costs and expenses of the AAA and the arbitrator. In cases of extreme hardship, Molina Healthcare may assume all or part of the Member's share of the fees and expenses of AAA and the arbitrator, provided the Member submits a hardship application to the AAA. The hardship application shall be made in a manner and with the information and any documentation as required by the AAA. The AAA (and not the neutral assigned to hear the case) shall determine whether to grant the Member's hardship application.
- Member acknowledges that care, diagnosis and treatment will be provided whether or not the Member agrees to binding arbitration.

IN PROCEEDING WITH ARBITRATION, THE PARTIES WILL WAIVE THEIR CONSTITUTIONAL RIGHT TO HAVE DISPUTES BETWEEN THEM RESOLVED BEFORE A JURY AND WOULD INSTEAD ACCEPT THE USE OF BINDING ARBITRATION.
