## B. Preguntas frecuentes (FAQ)

Encuentre las respuestas a las preguntas que tenga sobre la *Lista de medicamentos cubiertos*. Puede leer las preguntas más frecuentes para obtener más información, o bien buscar una pregunta y ver su respuesta.

---

### B1. ¿Qué medicamentos recetados se encuentran en la *Lista de medicamentos cubiertos*? (Llamamos a la *Lista de medicamentos cubiertos* como “Lista de medicamentos”).

Los medicamentos que se encuentran en la *Lista de medicamentos cubiertos* que comienza en la página 13 son los medicamentos cubiertos por Molina Dual Options. Estos medicamentos están disponibles en las farmacias de nuestra red. Una farmacia está incluida dentro de nuestra red si tenemos un contrato para trabajar con ellos y ofrecerle los servicios. Nos referimos a estas farmacias como “farmacias de la red”.

- Molina Dual Options cubrirá todos los medicamentos médicaamente necesarios incluidos en la Lista de medicamentos si se cumplen las siguientes condiciones:

---

 Si tiene alguna pregunta, llame a Molina Dual Options al (855) 735-5604, TTY: 711, de lunes a viernes, de 8 a. m. a 8 p. m., hora del este. Esta llamada es gratuita. Para obtener más información, visite MolinaHealthcare.com/Duals.

- Su médico u otra persona que le receta indica que los necesita para mejorar o mantenerse saludable.
- Surte la receta médica en una farmacia de la red de Molina Dual Options.
- Es posible que Molina Dual Options disponga pasos adicionales para acceder a ciertos medicamentos (consulte la pregunta B4 a continuación).

También puede encontrar una lista actualizada de los medicamentos que tienen cobertura en nuestro sitio web en MolinaHealthcare.com/Duals, puede pedirle ayuda a su coordinador de atención o llamar al número de teléfono gratuito del Departamento de Servicios para Miembros al (855) 735-5604, TTY: 711, de lunes a viernes, de 8 a. m. a 8 p. m., hora del este.

## B2. ¿Se modifica alguna vez la Lista de medicamentos?

Sí, y Molina Dual Options debe seguir las reglas de Medicare y Medicaid de Michigan cuando realiza cambios. Durante el año, podemos agregar medicamentos a la Lista o eliminar medicamentos de ella.

También podemos cambiar nuestras reglas sobre los medicamentos. Por ejemplo, podríamos:

- Decidir si exigir o no una autorización previa (PA) para algún medicamento. (Una autorización previa es el permiso otorgado por Molina Dual Options antes de que usted pueda obtener un medicamento).
- Agregar o cambiar la cantidad de un medicamento que usted puede obtener (llamado “límites de cantidades”).
- Añadir o cambiar restricciones de terapia progresiva con respecto a un medicamento. (Terapia progresiva significa que usted podría tener que probar un medicamento antes que cubramos otro medicamento).

Para obtener más información sobre estas políticas de medicamentos, consulte la pregunta B4.

Si está tomando un medicamento que estaba cubierto **al principio** del año, generalmente no retiraremos ni cambiaremos la cobertura de ese medicamento **durante el resto del año**, a menos que:

- Se incorpore al mercado un nuevo medicamento más económico y que sea tan efectivo como alguno de los medicamentos que se encuentran en la Lista de medicamentos actual.
- Nos enteramos de que un medicamento no es seguro.
- Un medicamento es retirado del mercado.

Las preguntas B3 y B6 a continuación contienen más información sobre lo que ocurre cuando se modifica la Lista de medicamentos.

**Si tiene alguna pregunta,** llame a Molina Dual Options al (855) 735-5604, TTY: 711, de lunes a viernes, de 8 a. m. a 8 p. m., hora del este. Esta llamada es gratuita. **Para obtener más información,** visite MolinaHealthcare.com/Duals.

### B3. ¿Qué ocurre cuando hay un cambio en la Lista de medicamentos?

Algunos cambios a la Lista de medicamentos serán **inmediatos**. Por ejemplo:

- **Un nuevo medicamento genérico se vuelve disponible.** A veces, se lanzan al mercado medicamentos genéricos nuevos que son tan efectivos como los medicamentos de marca registrada que se encuentran en la Lista de medicamentos actual. Cuando eso sucede, podemos retirar el medicamento de marca registrada y agregar el nuevo medicamento genérico, pero su costo por el nuevo medicamento permanecerá igual. Cuando agregamos un nuevo medicamento genérico, también podemos decidir mantener el medicamento de marca registrada en la lista, pero cambiar las políticas o los límites de cobertura.
  - Es posible que no le avisemos antes de efectuar el cambio, pero le enviaremos información sobre los cambios específicos que hagamos cuando esto ocurra.
  - Usted o su proveedor pueden solicitar una excepción a esos cambios. Le enviaremos una notificación con los pasos que puede tomar para una excepción. Consulte la pregunta B10 para obtener más información sobre las excepciones.
- **Un medicamento es retirado del mercado.** Si la Administración de Alimentos y Medicamentos (FDA) dice que un medicamento que está tomando no es seguro o el fabricante del medicamento saca un medicamento del mercado, lo sacaremos de la Lista de medicamentos. Si está tomando el medicamento, le haremos saber. Hable con su médico u otra persona que le receta para encontrar una alternativa que sea segura para usted.

**Es posible que hagamos otros cambios que afecten a los medicamentos que usted toma.**

Le diremos con anticipación acerca de estos otros cambios a la Lista de medicamentos. Estos cambios pueden ocurrir si:

- La FDA proporciona nuevas guías o hay nuevas pautas clínicas sobre un medicamento.
- Agregamos un medicamento genérico que no es nuevo en el mercado.
  - Se reemplaza un medicamento de marca que actualmente está en la Lista de medicamentos.
  - Cambian las normas o los límites de cobertura para el medicamento de marca.

---

 **Si tiene alguna pregunta,** llame a Molina Dual Options al (855) 735-5604, TTY: 711, de lunes a viernes, de 8 a. m. a 8 p. m., hora del este. Esta llamada es gratuita. **Para obtener más información,** visite [MolinaHealthcare.com/Duals](http://MolinaHealthcare.com/Duals).

Cuando estos cambios se efectúen, realizaremos lo siguiente:

- Le avisaremos al menos 30 días antes de implementar el cambio en la Lista de medicamentos.
- Le avisaremos y le proporcionaremos un suministro de medicamentos de 31 días después de que solicite una renovación.

Esto le dará tiempo para hablar con su médico u otra persona que le receta. Esa persona podrá ayudarle a decidir lo siguiente:

- Si hay algún otro medicamento similar en la Lista de medicamentos que pueda tomar en su lugar.
- Si debe pedir una excepción a estos cambios. Para conocer más sobre las excepciones, consulte la pregunta B10.

---

#### **B4. ¿Hay alguna restricción o límite en la cobertura de medicamentos? ¿O hay alguna medida necesaria para poder tomar ciertos medicamentos?**

Sí, algunos medicamentos tienen políticas de cobertura o límites en la cantidad que puede obtener. En algunos casos usted, su médico u otra persona que le receta deben seguir una serie de pasos para obtener el medicamento. Por ejemplo:

- **Autorización previa (PA) o aprobación previa:** En el caso de algunos medicamentos, usted, su médico u otra persona que le receta deben obtener una PA de Molina Dual Options antes de surtir la receta. Si no recibe la aprobación, Molina Dual Options no podrá cubrir el medicamento.
- **Límites de cantidades:** Algunas veces, Molina Dual Options limita la cantidad de un medicamento que puede recibir.
- **Terapia progresiva:** Algunas veces, Molina Dual Options le solicita que realice terapia progresiva. Esto significa que tendrá que probar medicamentos en un orden determinado para el tratamiento de su enfermedad. Tendrá que probar un medicamento antes de que cubramos otro medicamento. Si la persona que le receta cree que el primer medicamento no funciona para tratar su enfermedad, entonces cubriremos el segundo.

Puede consultar si el medicamento tiene requisitos o límites adicionales en las tablas que comienzan en la páginas 13-112. También puede obtener más información en nuestro sitio web MolinaHealthcare.com/Duals. Publicamos documentos *en línea* en los que se explican nuestras restricciones de PA y terapia progresiva. También puede pedirnos que le enviemos una copia.

Además puede solicitar una excepción a estos límites. Esto le dará tiempo para hablar con su médico u otra persona que le receta. Esta persona le podrá ayudar a decidir si hay algún otro medicamento similar en la Lista de medicamentos que usted pueda tomar en su lugar o si tiene que solicitar una excepción. Consulte las preguntas de la B10 a la B12 para obtener más información sobre las excepciones.

---

## **B5. ¿Cómo sabré si el medicamento que necesito tiene límites o si tengo que seguir algunos pasos necesarios para obtenerlo?**

La tabla de medicamentos de la página 13 tiene una columna llamada “Acciones necesarias, restricciones o límites de uso”.

---

## **B6. ¿Qué sucede si Molina Dual Options cambia sus políticas sobre algunos medicamentos (por ejemplo, la autorización previa o aprobación, los límites de cantidad o las restricciones en la terapia progresiva)?**

En algunos casos, le notificaremos con anticipación si agregamos o cambiamos las condiciones sobre la PA, los límites de cantidad o las restricciones en la terapia progresiva de un medicamento. Consulte la pregunta B3 para obtener más información sobre este aviso previo y las situaciones en las que es posible que no le notifiquemos con anticipación los cambios de las políticas sobre los medicamentos de la Lista de medicamentos.

---

## **B7. ¿Cómo puedo encontrar un medicamento en la Lista de medicamentos?**

Hay dos maneras de encontrar un medicamento:

- Puede buscar alfabéticamente por el nombre del medicamento.
- O puede buscar por enfermedad.

Para buscar **alfabéticamente**, consulte el índice de la sección de Medicamentos Cubiertos. Puede encontrarlo en la página 113.

Para buscar **por afección médica**, busque la sección llamada “Medicamentos agrupados por afección médica” en la página 13. Los medicamentos de esta sección se agrupan en categorías según el tipo de enfermedades que tratan. Por ejemplo, si tiene una afección médica, debe buscar en la categoría Cardiovascular. Ahí es donde encontrará medicamentos que tratan las enfermedades cardíacas.

---

## **B8. ¿Qué ocurre si el medicamento que necesito tomar no está incluido en la Lista de medicamentos?**

Si no encuentra su medicamento en la Lista de medicamentos, llame al Departamento de Servicios para Miembros al (855) 735-5604 TTY: 711, de lunes a viernes, de 8 a. m. a 8 p. m., hora del este y consulte al respecto. Si le informan que Molina Dual Options no cubrirá el medicamento, puede tomar alguna de las siguientes medidas:

- Solicitar al Departamento de Servicios para Miembros una Lista de medicamentos que sean similares al que tiene que tomar. Luego, muestre la lista a su médico o persona que le receta. Esta persona le puede recetar un medicamento que sea similar al que necesita tomar y que se encuentre en la Lista de medicamentos. O
- Puede solicitarle al plan de salud que haga una excepción para cubrir su medicamento. Consulte las preguntas de la B10 a la B12 para obtener más información sobre las excepciones.

## **B9. ¿Qué sucede si soy un miembro nuevo de Molina Dual Options y no puedo encontrar mi medicamento en la Lista o tengo problemas para obtener mi medicamento?**

Podemos ayudarle. Podemos cubrir el suministro provisional de 31 días del medicamento durante los primeros 90 días de su membresía en Molina Dual Options. Esto le dará tiempo para hablar con su médico u otra persona que le receta. Esta persona le podrá ayudar a decidir si hay algún otro medicamento similar en la Lista de medicamentos que usted pueda tomar en su lugar o si tiene que solicitar una excepción.

Si la receta médica está escrita para menos días, permitiremos varias renovaciones hasta proveer un máximo de 31 días del medicamento.

Cubriremos un suministro de 31 días del medicamento si se encuentra en una de las siguientes situaciones:

- Usted toma un medicamento que no está en nuestra Lista de Medicamentos.
- Las políticas del plan de salud no le permiten obtener la cantidad solicitada por el recetador.
- El medicamento requiere la autorización previa de Molina Dual Options.
- Está tomando un medicamento sujeto a una restricción de terapia progresiva.

Podemos ayudarle si se encuentra en una residencia para ancianos o en otro centro de atención a largo plazo y necesita un medicamento que no está en la Lista de medicamentos, o si no puede obtener fácilmente el medicamento que necesita. Si usted ha estado en el plan durante más de 90 días, reside en un centro de atención a largo plazo y necesita un suministro de inmediato, tomaremos las siguientes medidas:

- Cubriremos un suministro de 31 días *de/* medicamento que necesite (a menos que tenga una receta médica por menos días), independientemente de si es un miembro nuevo de Molina Dual Options.
- Esto es además del suministro temporal durante los primeros 90 días de su membresía en Molina Dual Options.

### Política de transición

Es posible que los miembros nuevos de nuestro plan estén tomando medicamentos que no están en nuestro formulario o que están sujetos a ciertas restricciones, como la autorización previa o la terapia progresiva. Los miembros actuales también pueden resultar afectados por los cambios en nuestro formulario de un año al otro. Los miembros deben hablar con sus médicos para decidir si deben cambiarse a otro medicamento cubierto o solicitar una excepción de formulario con el fin de obtener la cobertura del medicamento. Consulte el Manual del Miembro para obtener más información sobre cómo solicitar una excepción. Comuníquese con el Departamento de Servicios para Miembros si su medicamento no está en nuestro formulario, está sujeto a determinadas restricciones, como la autorización previa o la terapia progresiva, o si ya no estará en nuestro

**Si tiene alguna pregunta,** llame a Molina Dual Options al (855) 735-5604, TTY: 711, de lunes a viernes, de 8 a. m. a 8 p. m., hora del este. Esta llamada es gratuita. **Para obtener más información,** visite MolinaHealthcare.com/Duals.

formulario del próximo año y usted necesita ayuda para reemplazarlo con un medicamento diferente cubierto o solicitar una excepción de formulario.

Durante el período en que los miembros consultan con sus médicos para determinar el curso de acción correcto, es posible que proporcionemos un suministro provisional del medicamento que no está en el formulario si esos miembros necesitan renovar el medicamento durante los primeros 90 días de la nueva membresía en nuestro plan para medicamentos Parte D (categoría 1 y 2) y 90 días para los medicamentos de Medicaid (categoría 3). Si usted es un miembro actual afectado por un cambio en el formulario de un año al otro, proporcionaremos un suministro provisional del medicamento que no está en el formulario si necesita una renovación del medicamento durante los primeros 90 días del nuevo año del plan.

Cuando un miembro va a una farmacia de la red porque le proporcionamos un suministro provisional de un medicamento que no está en nuestro formulario, está sujeto a restricciones o tiene límites de cobertura (pero que de otro modo se considera un “medicamento Parte D”), cubriremos un suministro de 31 días (a menos que la receta esté hecha para menos días). Por lo general, después de cubrir el suministro provisional de 31 días, no cubriremos nuevamente estos medicamentos como parte de nuestra política de transición.

Le enviaremos un aviso por escrito después de cubrir su suministro provisional. En este aviso, se explicarán los pasos que puede seguir para solicitar una excepción y cómo trabajar con su médico para decidir si debe cambiar su medicamento por uno apropiado que sí esté cubierto.

Si un nuevo miembro es residente de un centro de atención a largo plazo (como una residencia para ancianos), cubriremos un suministro temporal de transición de 31 días (a menos que la receta esté escrita para menos días). Si es necesario, cubriremos más de una renovación de estos medicamentos durante los primeros 90 días en que se inscriba un nuevo miembro en nuestro plan. Si el residente ha estado inscrito en nuestro plan durante más de 90 días y necesita un medicamento que no se encuentra en nuestro formulario o está sujeto a otras restricciones, tales como una terapia progresiva o dosis limitada, cubriremos un suministro provisional de emergencia de 31 días de ese medicamento (a menos que tenga una receta médica por una cantidad menor de días) mientras el miembro tramita una excepción de formulario. Existen excepciones disponibles en situaciones en que usted experimenta un cambio en el nivel de atención que recibe, que también requiere que realice una transición desde un centro de tratamiento a otro. En dichas circunstancias, usted sería elegible para una excepción provisional de un surtido por única vez, aunque hayan pasado los primeros 90 días como miembro del plan.

Sí. Puede solicitarle a Molina Dual Options una excepción para que cubra un medicamento que no esté incluido en la Lista de medicamentos.

---

 **Si tiene alguna pregunta**, llame a Molina Dual Options al (855) 735-5604, TTY: 711, de lunes a viernes, de 8 a. m. a 8 p. m., hora del este. Esta llamada es gratuita. **Para obtener más información**, visite MolinaHealthcare.com/Duals.

- Otros ejemplos: Puede solicitar que quitemos las restricciones de la terapia progresiva o los requisitos de PA.

---

## B11. ¿Cómo puedo solicitar una excepción?

Si desea solicitar una excepción, llame al Departamento de Servicios para Miembros. Un representante del Departamento de Servicios para Miembros trabajará con usted y con su proveedor para solicitar una excepción. También puede leer el Capítulo 9 del *Manual del Miembro* para obtener más información sobre las excepciones.

---

## B12. ¿Cuánto tiempo se requiere para obtener una excepción?

Después de que obtengamos una declaración de la persona que le receta que respalde su solicitud de una excepción, le informaremos nuestra decisión dentro de 72 horas. La persona que le receta puede llamar a Molina Dual Options o enviar por fax la declaración de apoyo al (866) 290-1309.

Si usted o la persona que le receta considera que su salud podría verse afectada por esperar 72 horas para recibir la resolución, puede solicitar una excepción acelerada. Esta es una decisión más rápida. Si la persona que le receta respalda su solicitud, le informaremos de la resolución dentro de las 24 horas siguientes a la recepción de la declaración de respaldo de la persona que le receta.

---

## B13. ¿Qué son los medicamentos genéricos?

Los medicamentos genéricos tienen los mismos principios activos que los medicamentos de marca registrada. Por lo general, el costo es menor en comparación con el medicamento de marca registrada y no suelen tener nombres conocidos. Los medicamentos genéricos están aprobados por la Administración de Alimentos y Medicamentos (FDA).

Si tiene problemas para encontrar el medicamento en la lista, consulte el índice de los Medicamentos Cubiertos que comienza en la página 113. El índice enumera alfabéticamente todos los medicamentos cubiertos por Molina Dual Options.

En la primera columna de la tabla, se indica el nombre del medicamento. Los medicamentos de marca registrada aparecen en mayúsculas (p. ej., CIPRO) y los medicamentos genéricos aparecen en minúsculas y cursiva (p. ej., *ciprofloxacina*).

En la columna de acciones necesarias, restricciones o límites de uso se informa si Molina Dual Options tiene políticas de cobertura para su medicamento.

**Nota:** El símbolo \* junto a un medicamento significa que el medicamento no es un “medicamento de la Parte D”.

- Estos medicamentos tienen diferentes políticas para las apelaciones. Una apelación es una manera formal de solicitarnos que revisemos nuestra decisión de cobertura y la cambiemos si usted cree que cometimos un error. Por ejemplo, podríamos decidir que un medicamento que usted desea no tenía cobertura o ya no está cubierto por Medicare o Medicaid de Michigan.
- Si usted o su recetador no están de acuerdo con nuestra decisión, puede apelar. Para solicitar información sobre cómo apelar, llame al Departamento de Servicios para Miembros al (855) 735-5604, TTY: 711, de lunes a viernes, de 8 a. m. a 8 p. m., hora del este. También puede leer el Capítulo 9 del *Manual del Miembro* para obtener información sobre cómo apelar una decisión.
