This booklet gives you a summary of what we cover and what you pay. It doesn't list every service that we cover or list every limitation or exclusion. To get a complete list of services we cover, call us and ask for the "Evidence of Coverage."

You have choices about how to get your Medicare benefits

- One choice is to get your Medicare benefits through Original Medicare (fee-for-service Medicare). Original Medicare is run directly by the Federal government.
- Another choice is to get your Medicare benefits by joining a Medicare health plan (such as **Molina Medicare Options Plus (HMO SNP)**).

Tips for comparing your Medicare choices

This Summary of Benefits booklet gives you a summary of what **Molina Medicare Options Plus (HMO SNP)** covers and what you pay.

- If you want to compare our plan with other Medicare health plans, ask the other plans for their Summary of Benefits booklets. Or, use the Medicare Plan Finder on http://www.medicare.gov.
- If you want to know more about the coverage and costs of Original Medicare, look in your current "Medicare & You" handbook. View it online at http://www.medicare.gov or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

Who can join?

To join **Molina Medicare Options Plus (HMO SNP)**, you must be entitled to Medicare Part A, be enrolled in Medicare Part B and Centennial Care, and live in our service area.

Our service area includes the following counties in New Mexico: Bernalillo, Chaves, Dona Ana, Luna, McKinley, Otero, San Juan, Sandoval, Santa Fe, Sierra, Torrance, and Valencia.

Which doctors, hospitals, and pharmacies can I use?

Molina Medicare Options Plus (HMO SNP) has a network of doctors, hospitals, pharmacies, and other providers. If you use the providers that are not in our network, the plan may not pay for these services.

You must generally use network pharmacies to fill your prescriptions for covered Part D drugs. You can see our plan's provider and pharmacy directory at our website (www.molinahealthcare.com/medicare).

Or, call us and we will send you a copy of the provider and pharmacy directories.

What do we cover?

Like all Medicare health plans, we cover everything that Original Medicare covers - and *more*.

- Our plan members get all of the benefits covered by Original Medicare.
- Our plan members also get *more than what* is covered by Original Medicare. Some of the extra benefits are outlined in this booklet

We cover Part D drugs. In addition, we cover Part B drugs such as chemotherapy and some drugs administered by your provider.

- You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website, http://www.molinahealthcare.com/medicare.
- Or, call us and we will send you a copy of the formulary.

How will I determine my drug costs?

The amount you pay for drugs depends on the drug you are taking and what stage of the benefit you have reached. Later in this document we discuss the benefit stages that occur after you meet your deductible: Initial Coverage, Coverage Gap, and Catastrophic Coverage.

January 1, 2016 – December 31, 2016

MONTHLY PREMIUM, DEDUCTIBLE, AND LIMITS ON HOW MUCH YOU PAY FOR COVERED SERVICES

How much is the monthly premium?	\$20.70 per month. In addition, you must keep paying your Medicare Part B premium.
How much is the deductible?	This plan has deductibles for some hospital and medical services. \$0 or \$147 per year for in-network services, depending on your level of Medicaid eligibility. This amount may change for 2016. \$0 to \$74 per year for Part D prescription drugs.
Is there any limit on how much I will pay for my covered services?	Yes. Like all Medicare health plans, our plan protects you by having yearly limits on your out-of-pocket costs for medical and hospital care. In this plan, you may pay nothing for Medicare-covered services, depending on your level of Centennial Care eligibility. Your yearly limit(s) in this plan: • \$6,700 for services you receive from in-network providers. If you reach the limit on out-of-pocket costs, you keep getting covered hospital and medical services and we will pay the full cost for the rest of the year. Refer to the "Medicare & You" handbook for Medicare-covered services. For Centennial Care-covered services, refer to the Medicaid Coverage section in this document. Please note that you will still need to pay your monthly premiums and cost-sharing for your Part D prescription drugs.
Is there a limit on how much the plan will pay?	Our plan has a coverage limit every year for certain in-network benefits. Contact us for the services that apply.

SUMMARY OF NEW MEXICO MEDICARE/MEDICAID BENEFITS

Your state Medicaid program is called Centennial Care

A person who is entitled to both Medicare and medical assistance from a State Medicaid plan is considered a dual eligible. As a dual eligible beneficiary your services are paid first by Medicare and then by Medicaid. Your Medicaid coverage varies depending on your income, resources, and other factors. Benefits may include full Medicaid benefits and/or payment of some or all of your Medicare cost-share (premiums, deductibles, coinsurance, or copays). Depending on your level of dual eligible coverage, you may not have any cost-sharing responsibility for Medicare-covered services.

Below is a list of dual eligibility coverage categories for beneficiaries who may enroll in the Molina Medicare Options Plus (HMO SNP) Plan:

- Qualified Medicare Beneficiary (QMB): Medicaid pays your Medicare Part A and Part B premiums, deductibles, coinsurance, and copayment amounts only. You receive Medicaid coverage of Medicare cost-share but are not otherwise eligible for full Medicaid benefits.
- QMB+: Medicaid pays your Medicare Part A and Part B premiums, deductibles, coinsurance, and copayment amounts. You receive Medicaid coverage of Medicare cost-share and are eligible for full Medicaid benefits.
- **Specified Low-Income Medicare Beneficiary (SLMB)**: Medicaid pays your Medicare Part B premium only. You are not eligible for other Medicaid benefits.
- **SLMB**+: Medicaid pays your Medicare Part B premium and provides full Medicaid benefits.
- Qualifying Individual (QI): Medicaid pays your Medicare Part B premium only. You are not otherwise eligible for Medicaid benefits.
- Full-Benefit Dual Eligible (FBDE): At times, individuals may qualify for both limited coverage of Medicare cost-sharing as well as full Medicaid benefits.
- Qualified Disabled and Working Individual (QDWI): Eligible for Medicaid payment of your Medicare Part A premium only. You are not otherwise eligible for Medicaid.

See previous Summary of Benefits table for a full description of your **Molina Medicare Options Plus (HMO SNP)** Plan benefits and cost-sharing responsibilities.

If you are a QMB or QMB+ Beneficiary:

You have a 0% cost-share, except for Part D prescription drug copays, as long as you remain a QMB or QMB+Member

January 1, 2016 – December 31, 2016

If you are a SLMB+ or FBDE Beneficiary:

You are eligible for full Medicaid benefits and, at times, limited Medicare cost-share. As such your cost-share is 0% or 20%*. Typically your cost-share is 0% when the service is covered by both Medicare and Medicaid. Additionally, preventive wellness exams and most supplemental benefits provided by Molina Medicare are also at a 0% cost-share. In rare instances, you will pay 20%* when a service or benefit is not covered by Medicaid (see the chart below).

If you are a SLMB, QI, or QDWI Beneficiary:

Because Medicaid does not pay your cost-share, and you do not have full Medicaid benefits, your cost-share is typically 20%*. There are a few exceptions such as preventive wellness exams and most supplemental benefits provided by Molina Medicare, where you will have a 0% cost-share.

Note – Preventive wellness exams and most supplemental benefits have a 0% cost-share.

Eligibility Changes:

It is important to read and respond to all mail that comes from Social Security and your state Medicaid office and to maintain your Medicaid eligibility status.

Periodically, as required by CMS, we will check the status of your Medicaid eligibility as well as your dual eligible coverage category. If your dual eligible coverage category changes, your cost-share may also change from 0% to 20%* or from 20%* to 0%. If you lose Medicaid coverage entirely, you will be given a grace period so that you can reapply for Medicaid and become reinstated if you still qualify.

If you no longer qualify for Medicaid you may be involuntarily disenrolled from the Plan. Your state Medicaid agency will send you notification of your loss of Medicaid or change in dual eligible coverage category. We may also contact you to remind you to reapply for Medicaid. For this reason it is important to let us know whenever your mailing address and/or phone number changes.

If you are currently entitled to receive full or partial Medicaid benefits please see your Medicaid member handbook or other state Medicaid documents for full details on your Medicaid benefits, limitations, restrictions, and exclusions. In your state, the Medicaid program is called Centennial Care.

*Annual deductible for Part B services, and 20% coinsurance (as applicable), in addition to varying cost-share amounts for Part A services apply when Member's cost-share amount is not 0%.

January 1, 2016 – December 31, 2016

How to Read the Medicaid Benefit Chart

The chart below shows what services are covered by Medicare and Medicaid. You will see the word "Covered" under the Medicaid column if Medicaid also covers a service that is covered under the **Molina Medicare**Options Plus (HMO SNP) Plan. The chart applies only if you are entitled to benefits under your state's Medicaid program. Your cost-share varies based on your Medicaid category.

^{*}Depending on your level of Medicaid eligibility, you may not have any cost-sharing responsibility for Original Medicare services.
