

MOLINA HEALTHCARE OF CALIFORNIA

Management of Sickle Cell Disease

Molina Healthcare has adopted the Management of Sickle Cell Disease Guideline from the National Heart, Lung, and Blood Institute.

The guideline was reviewed and adopted most recently by the Molina Healthcare National Quality Improvement Committee on March 21, 2018.

The guideline was reviewed and adopted by the Molina Healthcare of California Quality Improvement Committee on March 20, 2018.

Clinical guidelines are not used by Molina to decide benefit coverage. The guidelines are an educational tool to aid clinical decision-making. They are not a standard of care. The physician should adapt the guideline when clinical judgment so indicates.

The Clinical Practice Guideline may be accessed at:
