

# MOLINA HEALTHCARE OF OHIO IMMUNIZATION GUIDELINE

Molina Healthcare of Ohio has adopted the Centers for Disease Control and Prevention (CDC). Recommended Immunization Schedule for Persons Aged 0 through 18 Years and Persons Aged 19 and Older, 2016. The guideline was reviewed and adopted by the Molina Healthcare of **Ohio Clinical Quality Improvement Committee** on **July 11, 2017**.

The easy-to-read immunization schedules (as referenced in the attached guideline below) will be added to the Staying Healthy section of the Molina Member Web site for easy viewing by health plan members. These immunization schedules cover the recommendations for children between 0 and 6 years of age, preteens and teens between 7 and 18 years of age, and adults over 18 years of age.

The Preventative Health Guideline may be accessed from:
