

## **MOLINA HEALTHCARE CLINICAL PRACTICE GUIDELINE: Standards of Medical Care in Diabetes - 2018**

Molina Healthcare has adopted the guideline for Standards in Medical Care in Diabetes – 2018 from the American Diabetes Association (ADA).

The guideline was reviewed and adopted most recently by the Molina Healthcare National Quality Improvement Committee on March 21, 2018.

Clinical guidelines are not used by Molina to decide benefit coverage. The guidelines are an educational tool to aid clinical decision-making. They are not a standard of care. The physician should adapt the guideline when clinical judgment so indicates.
