

MOLINA HEALTHCARE OF OHIO

SICKLE CELL CLINICAL PRACTICE GUIDELINE

Molina Healthcare of Ohio has reviewed its screening and treatment for the Sickle Cell Clinical Practice Guideline. The current guideline is based on the National Institutes of Health. The NIH recommendations were adopted by the Molina Healthcare of Ohio Clinical Quality Improvement Committee July 11, 2013 and July 17, 2014. The Clinical Practice Guideline may be accessed from http://www.nhlbi.nih.gov/health/prof/blood/sickle/sc_mngt.pdf
