

MOLINA HEALTHCARE OF WASHINGTON

Guidelines for the Diagnosis, Evaluation, and Treatment of Attention-Deficit Hyperactivity Disorder in Children and Adolescents

Molina Healthcare has adopted the Guidelines for the Diagnosis, Evaluation, and Treatment of Attention-Deficit Hyperactivity Disorder in Children and Adolescents from the American Academy of Pediatrics (AAP).

The guidelines were reviewed and adopted by the Molina Healthcare National Quality Improvement Committee on February 12, 2020.

The guidelines were also reviewed and adopted by the Molina Healthcare of Washington Quality Improvement Committee on March 2, 2020.

Clinical guidelines are not used by Molina Healthcare to decide benefit coverage. The guidelines are an educational tool to aid clinical decision-making. They are not a standard of care. The physician should adapt the guidelines when clinical judgment so indicates.

The Clinical Practice Guidelines may be accessed at:
