## **Evaluation and Management of Chronic Kidney Disease Guidelines**

Molina Healthcare has adopted the Evaluation and Management of Chronic Kidney Disease Guidelines from the National Kidney Foundation, Kidney Disease Outcome Quality Initiative (NKF KDOQI).

The guidelines were reviewed and adopted the Molina Healthcare National Quality Improvement Committee on February 12, 2020.

The guidelines were also reviewed and adopted most recently by the Molina Healthcare of Washington Quality Improvement Committee on March 2, 2020.

Clinical guidelines are not used by Molina Healthcare to decide benefit coverage. The guidelines are an educational tool to aid clinical decision-making. They are not a standard of care. The physician should adapt the guidelines when clinical judgment so indicates.
