COVID-19 Vaccine Member Reward Limited Time Offer (Medicaid)

Dear Provider,

November 10, 2021

In an effort to encourage more members to get the COVID-19 vaccine, Molina Healthcare of Washington is pleased to offer a **NEW member reward for the COVID-19 vaccine** to unvaccinated Apple Health (Medicaid) members* (ages 12+). Members can earn a **\$100 Amazon.com Gift Card** (Tobacco, ATF restricted) if they receive the first dose of the COVID-19 vaccine between October 1, 2021 and December 31, 2021.

We encourage you to let your Molina Apple Health patients know about this reward as part of COVID-19 vaccination efforts.

Members are eligible for the reward after receiving the first dose of the vaccine but are strongly encouraged to complete the entire vaccine series. Members have until January 1, 2022 to submit their attestation of having received the vaccine and be eligible to earn the gift card.

Members may fill out the attestation form that is available on our [website](#) with all required information and email the completed form to MHW_COVIDReward@MolinaHealthcare.com. The forms are available in English and Spanish. If members are unable to email the form, they may also provide all the required information in the body of the email. If all required information is not provided, the reward will be denied.

The attestation form as well as information on the reward requirements are posted on our website: MolinaHealthcare.com/WA-Medicaid-Wellness.

Regards,
