

SOCIAL NEED SCREENING AND INTERVENTION (SNS-E)

Measure Description

The percentage of persons who were screened using prespecified instruments or assessed by a provider at least once during the measurement period for unmet food, housing and transportation needs, and received a corresponding intervention within 30 days if screened positive.

- **Food Screening:** The percentage of persons who were screened for food insecurity during the measurement period.
- **Food Intervention:** The percentage of persons who received a corresponding intervention within 1 month (31 days total) of screening positive for food insecurity.
- **Housing Screening:** The percentage of persons who were screened for housing instability, homelessness or housing inadequacy during the measurement period.
- **Housing Intervention:** The percentage of persons who received a corresponding intervention within 1 month (31 days total) of screening positive for housing instability, homelessness, or housing inadequacy.
- **Transportation Screening:** The percentage of persons who were screened for transportation insecurity during the measurement period.
- **Transportation Intervention:** The percentage of persons who received a corresponding intervention within 1 (31 total days) month of screening positive for transportation insecurity.

Product Lines: Medicaid, Medicare, and Exchange

Measurement Period: January 1 – December 31

Codes Included in the Current HEDIS® Measure

Description	Code
Food Insecurity	ICD-10: Z59.41, Z59.48 CPT: 97802-97804 HCPCS: S5170, S9470
Homelessness <i>or</i> Housing Inadequacy <i>or</i> Housing Instability	ICD-10: Z59.00-Z59.02, Z59.13, Z59.811, Z59.812, Z59.819, Z59.89
Transportation Insecurity Procedures	ICD-10: 59.82

Ways To Improve HEDIS® Performance

- Screen persons during visits for food insecurity, housing instability, homelessness, housing inadequacy and transportation insecurity using prespecified instruments.
 - Food Insecurity: Uncertain, limited, or unstable access to food that is: adequate in quantity and

- in nutritional quality; culturally acceptable; safe and acquired in socially acceptable ways.
- Housing Instability: Currently consistently housed but experiencing any of the following circumstances in the past 12 months: being behind on rent or mortgage, multiple moves, cost burden or risk of eviction.
- Homelessness: Currently living in an environment that is not meant for permanent human habitation (e.g., cars, parks, sidewalks, abandoned buildings, on the street), not having a consistent place to sleep at night, or because of economic difficulties, currently living in a shelter, motel, temporary or transitional living situation.
- Housing Inadequacy: Housing does not meet habitability standards.
- Transportation Insecurity: Uncertain, limited or no access to safe, reliable, accessible, affordable and socially acceptable transportation infrastructure and modalities necessary for maintaining one's health, well-being or livelihood.
- Help persons find free or low-cost resources for basic needs (i.e., housing, food, clothing, job training, and more) in their community at www.MolinaHelpFinder.com.
- An intervention may include any of the following intervention categories: assistance, assessment, counseling, coordination, education, evaluation of eligibility, provision, or referral.

Required Exclusions

- Persons with a date of death any time during the measurement period.
- Persons in hospice or using hospice services, or who elect to use a hospice benefit any time during the measurement period.
- Medicare enrollees in an institutional SNP (I-SNP) or living long-term in an institution (LTI).
 - Enrolled in an Institutional SNP (I-SNP) any time during the measurement period.
 - Living long-term in an institution any time during the measurement period as identified by the LTI flag in the Monthly Membership Detail Data File.
