Share your thoughts – shape your care

Soon, some Molina members will get a survey in the mail from Press Ganey. It's called the CAHPS® Survey. It asks about your health care experience with your doctors and with Molina.

Your answers help us know what is going well and what we can make better.

Because of feedback from members like you, we have been able to:

- Add more doctors and clinics so you have more choices.
- Give you more ways to get your medicine, like mail-order delivery.
- Make it easier to get rides to your doctor visits.

The survey is private. Your answers will not change your benefits.

If you get the CAHPS Survey, please take the time to complete it. It only takes a few minutes to fill it out and send it back.

Your voice matters, and your feedback helps us improve your health care experience!
