## Important Update to Language: Molina Marketplace End of COVID-19 Public Health Emergency

This is an advisory notification to Molina Healthcare of California (MHC) network providers. This notice is intended to replace the Just the Fax entitled Molina Marketplace End of COVID-19 Public Health Emergency that was issued on May 12, 2023.

The federal COVID-19 Public Health Emergency (PHE) has ended, and MHC is committed to assisting our Providers and Members through this transition. Please read each section for the most up-to-date information, as certain Marketplace benefits and processes will change.

**What you need to know:**

MHC will continue covering COVID-19 vaccines, medical and drug treatments, and lab testing from both in-network and out-of-network licensed Providers with no prior authorization or Member cost-sharing. Member cost-sharing includes co-pays, co-insurance, deductibles, or other enrollee out-of-pocket costs not including health plan premiums. MHC covers eight free over-the-counter at-home COVID-19 tests per month for each Member.

**When this is happening:**

The federal COVID-19 PHE ended on **May 11, 2023**, and state laws extend these requirements for six months through **November 11, 2023**. After November 11, 2023, Members can continue to access COVID-19 tests, vaccines, and treatment with no prior authorization or cost-sharing when they access these services through MHC's network. Members can be charged cost-sharing only if these services are provided out of network after November 11, 2023.

**What you need to do:**

For information on prior authorization requirements, please visit: <https://www.molinamarketplace.com>. Prior authorization tools and materials are located under the "Providers" drop-down in "Forms & Documents." This includes our easy-to-use Prior Authorization Lookup Tool for verifying specific requirements by code.

Please refer Members to the Department of Managed Health Care (DMHC) Know Your Health Care Rights Fact Sheet for further details on coverage and benefits: <https://www.dmhc.ca.gov/Portals/0/Docs/DO/COVID-FactSheet2022.pdf>.

We appreciate your continued partnership in caring for our Members and your patients.
