## 2025 Year-Round Medical Record Review Program

This is an advisory notification to Molina Healthcare of California (MHC) network providers applicable to all lines of business regarding the 2025 Year-Round Medical Record Review Program.

### **What you need to know:**

Dear Practitioners & Office Managers:

During the past several months in response to our requests, you and your colleagues provided medical records to assist MHC in collecting and compiling data for the Healthcare Effectiveness Data and Information Set (HEDIS®) efforts. Thank you very much for assisting us with these important projects.

MHC, will facilitate a Year-Round Medical Record Review Program, resulting in a medical record collection process that is more efficient and manageable. Instead of focusing exclusively on the traditional HEDIS® timeframes, record requests will now occur throughout the calendar year.

### **When this is happening:**

Molina Healthcare staff will contact you, beginning May 26, 2025, to arrange a convenient collection method of required medical record information.

## Provider Action

In order to provide adequate time to prepare the requested information, a member list with required medical record information will be provided and communicated to you. We welcome you to send records fast, quick, and secure by utilizing our Secure Email: [MHCHEDISDepartment@MolinaHealthcare.com](mailto:MHCHEDISDepartment@MolinaHealthcare.com)

MHC can also coordinate site visits to access medical records, please contact us at **1-562-517-1689**.

As a reminder, providers must follow all HIPAA, State, and Plan contractual requirements when submitting member records that contain PHI electronically via email.

We appreciate your cooperation and professional courtesy to Molina Healthcare Quality Improvement staff, as they begin this year's medical record review process.

Thank you for your assistance in this effort and for your continued work to improve the health of our members and communities.

Sincerely,

**Molina Healthcare of California  
Quality Improvement Department**
