## Rite Aid Pharmacy Closures

This is an advisory notification to Molina Healthcare of California (MHC) network providers applicable to the Marketplace line of business.

### **What you need to know:**

We would like to inform you that the recent closures of several Rite Aid pharmacy locations may impact our Marketplace members ability to access their prescriptions. Please be assured that CVS Caremark continues to have sufficient pharmacy network coverage and members will continue to have timely access to pharmacy services.

To support continued care, please note that CVS Caremark is the Pharmacy Benefit Manager (PBM) for our Marketplace members. Members can fill their prescriptions at any pharmacy in the CVS Caremark pharmacy network.

## Provider Action

To assist members in locating a nearby in-network CVS pharmacy, please share the CVS Pharmacy Locator link below:

Please note: Members will need to select **"Pharmacy"** to access the Pharmacy Locator tool on the site.

We appreciate your ongoing support in helping members navigate these changes and ensuring they continue to receive timely access to their medications.

If you have any questions, please don't hesitate to contact us.
