Availity Essentials Migration Schedule Change/Update

This is an advisory notification to Molina Healthcare of California (MHC) network providers regarding Availity Essentials Migration schedule update.

As previously communicated, MHC scheduled all providers to migrate to Availity Essentials starting March 28, 2023. Given the various levels of provider readiness, we are going to migrate a set of states each month rather than all providers at once.

You are receiving this communication because your state will not be migrating this month.

We will provide an update on migration timing next month. While the scheduled migration will not occur this month, we encourage all providers to begin using Availity and help limit the risk of issues when direct login access to the Molina Legacy Provider Portal is removed.

If you are not yet registered for Availity, please do so as soon as possible.

Registering your organization is easy and free. Your organization's administrator should register on: <https://availity.com/molinahealthcare>.

For registration issues, call **Availity Client Services at: (800) AVAILITY (282-4548)**. Assistance is available Monday-Friday 8 a.m. to 8 p.m. ET

Thank you for your patience and for your partnership. Please see the attached Flyer.
