Language Access Services for Interpretation Appointments

This is an advisory notification to Molina Healthcare of California (MHC) network providers regarding the availability of interpretation services for Molina members.

Molina strives to provide quality and increased access to interpreter services for members with Limited English Proficiency (LEP) or who use sign language. The law prohibits providers from requesting a beneficiary to provide their interpreter or rely on a staff member who is not qualified to communicate directly with an LEP individual.

What you need to know:

Molina offers three (3) types of interpretation services for members at no cost:

- Telephonic
- Video Remote
- In-Person (Onsite) Interpreters

All interpretation services can be scheduled with the Molina Provider Contact Center at (855) 322-4075.

Molina members can also call the following numbers to schedule interpreter services:

- For Medi-Cal members, call (888) 665-4621; Mon-Fri, 7am-7pm
- For Marketplace members, call (888) 858-2150; Mon-Fri, 8am-6pm
- For Medicare members, call (800) 665-0898; Mon-Fri, 8am-8pm

What you need to do:

Please **always** inform the Molina Contact Center when canceling or rescheduling a member interpretation appointment. This will help reduce the cost associated with no show rates for interpretation services.

For more information on interpreter services, please refer to the attached flyer!

Access to Interpreter Services

- Molina provides free 24-hour access to interpreter services for members with limited English proficiency (LEP) or who use sign language.
- Molina delivers interpretation in three ways:
 1. Over the phone (Telephonic)
 2. By Video (Video Remote Interpretation or VRI)
 3. In person (Onsite)
- Please call Molina's **Provider Contact Center** to arrange for interpretation:
 - Please call Molina's Provider Contact Center at (855) 322-4075
- For after-hours and weekends, please call Molina's **Nurse Advice Line** to connect to an interpreter (888) 275-8750.
- To speak to members who are deaf, hard of hearing, or have a speech difficulty, Providers may use the California Relay Service. Dial 711 and give the Relay Operator (RO) / Communication Assistant (CA) the member's area code and telephone number. The RO/CA will connect and communicate via the member's preferred type of communication (TTY, VCO, Internet, ASCII, etc.)

Interpretation Delivery Methods

The method of delivery for interpretation depends on the type of medical appointment. Molina strives to provide meaningful access to language services and tailors the method of delivery to the needs of the member and the specific appointment.

1. Over the phone:

- Telephonic interpretation is best for most routine appointments.
- Molina recommends using a wireless phone with a speaker capability.
- Call the Contact Center to be immediately connected to an interpreter. No appointment needed!

2. Video Remote Interpretation (VRI):

- VRI is best for more complicated appointments or when the member needs access to a sign language interpreter.
- VRI is HIPAA compliant. It can be accessed from any standard smartphone, tablet, or laptop equipped with a webcam and requires no special software.
- Call the Contact Center at least 2 business days before the appointment to schedule. Be prepared with the following:
 1. Member name, Molina ID number, and language needed
 2. Provider name and appointment information
 3. An email address or textable phone number where we can send a link for the scheduled VRI session
- On-demand VRI is also available as a backup.

3. In-Person:

- Onsite interpretation is used for the most complex appointments, or when VRI is not possible.
- Call the Contact Center at least 5 business days before the appointment to schedule. Be prepared with the following:
 1. Member name, Molina ID number, and language needed
 2. Provider name and appointment information
 3. A detailed address including suite and floor number to ensure the interpreter arrives at the correct location

Language Rights and the Law

- Section 1557 of the Affordable Care Act (ACA) requires that all limited English proficient (LEP) beneficiaries' language access needs be met for all medical appointments.
- To refuse an LEP beneficiary access to language services is a violation of that individual's civil rights.
- The ACA also prohibits providers from requesting a beneficiary to provide his or her own interpreter or rely on a staff member who is not qualified to communicate directly with the LEP individual.
- Please remember it is never permissible to ask a minor, family member, or friend to interpret.
- Molina complies with all guidance set forth in the ACA, Title VI of the Civil Rights Act, and CA SB 223, which includes instructions for accessing language services in significant member materials.

Translation of Written Documents

- Written member-informing documents that provide information regarding access to and usage of plan services are translated into appropriate threshold languages in Molina's counties of operation.
