Contracted SNF Medical Group for Molina Members

This is an advisory notification to Molina Healthcare of California (MHC) network providers applicable to the Medi-Cal line of business.

What you need to know:

Dear Skilled Nursing Facility Partners,

This letter is to confirm that **GeriNet Medical Associates (GNMA)** is Molina Healthcare's **contracted skilled nursing facility (SNF) provider** for Molina members admitted to and/or residing in contracted SNFs across San Diego County.

GNMA has been selected based on their experience with high-acuity skilled and long-term care patients; their 24/7 coverage model; and their strong results in care coordination, transitions of care, and avoidance of medically unnecessary hospitalizations.

To ensure seamless, timely care for Molina members:

- **Please ensure all Molina SNF admissions are assigned to GeriNet Medical Associates (GNMA) as the admitting SNFist**
- If another medical group is contacted in error, please redirect the case to GNMA so the patient can be appropriately assigned.
- GNMA maintains rapid-response admission availability and communicates directly with facility nursing and administrative teams.
- **All requests for specialty consultations for Molina members in the SNF should be approved by the GNMA clinician. As per CCR, Title 22, § 72303, (b)(5), treatment of patients by others requires a written and signed order [by Attending Physician or collaborating NP or PA].**
