Chula Vista community baby shower

This is an advisory notification to Molina Healthcare of California (MHC) network providers applicable to Medi-Cal and Marketplace lines of business.

What you need to know:

Molina is hosting Community Baby Showers at local Molina One-Stop Help Centers to support individuals who are currently pregnant or up to one year postpartum. These events provide an opportunity for families to connect with maternal health resources, community programs, and health education in a welcoming environment.

Attendees will receive diaper bags, diapers, baby wipes, and other giveaways, and can participate in raffles, enjoy refreshments, and learn about available health and wellness resources. Local community-based organizations will also be onsite to share information about programs and services that support pregnant and postpartum families.

These events are open to the entire community, not just Molina members. We encourage providers to share this opportunity with eligible patients who may benefit from the resources and support available. For more information, please contact

MCABabyShowerConnect@molinahealthcare.com.

When this is happening:

Date & time:

Thursday, September 24, 2026

11:00 A.M. – 1:00 P.M.
