2023 Annual Model of Care Provider Training Requirements

The countdown is on! There are 2 months remaining to complete the 2023 Annual Model of Care (MOC) Training Requirements!

What you need to know:

Molina Healthcare of California (MHC) is required to provide annual training regarding our MOC program for Special Needs Program (SNP) enrollees. The MOC program is the foundation for MHC's care management policy, procedures, and operational systems for our SNP population. MHC requires compliance with provider education and training programs. All contracted Medicare PCPs and key high-volume specialists and certain delegates are required to complete MOC training annually.

When this is happening:

To ensure that MHC remains compliant with the Centers for Medicare and Medicaid (CMS) regulatory requirements for MOC training, ***receipt of a completed Attestation Form is due to MHC no later than October 31, 2023.***

What you need to do:

1. Take the MOC Training
 - The written MOC training materials can be found on the Molina website at: <https://www.molinahealthcare.com/providers/common/medicare/~media/Molina/PublicWebsite/PDF/Providers/common/medicare/model-of-care-Provider-Training>

2. Complete and sign the MOC Training Attestation Form available at: <https://www.molinahealthcare.com/providers/common/MOC/CA.aspx>

Note: If one Attestation Form is being returned for a group or clinic, it must be signed by an individual with the authority to sign on behalf of the group/clinic. Additionally, an attendance roster indicating which providers completed the training must be attached.
