Annual Model of Care Training Requirement

Molina Healthcare of Washington is required to provide annual training regarding our Model of Care program for Medicare D-SNP enrollees. The Model of Care is the architecture for Molina's care management policy, procedures, and operational systems for our D-SNP population.

The written training materials on the Molina Healthcare Model of Care can be found on the Molina website at: <https://www.molinahealthcare.com/providers/common/medicare/PDF/2020-MOC-Provider-Training.pdf>. Anyone that provides care to Molina D-SNP members should take this training.
