A fax bulletin for the Molina Healthcare of Washington Provider Network

Important Prior Authorization Information – December 14, 2020 Important Molina MEDICARE Changes Affecting J Code Prior Authorization for Providers

Dear Provider:

Effective January 1, 2021, you will be required to submit prior authorization requests for Medicare Medical Part B injectable drugs (HCPCS J codes) through:

- 1) a new fax number at **800-391-6437** or
- 2) through a CVS Caremark powered by NovoLogix's web-based application via the Molina Provider Portal. The fax number and web application are to be used only for Medicare J codes requests. Prior authorization forms for faxing can be found on the molinahealthcare.com website.

The CVS Caremark powered by NovoLogix Prior Authorization system provides streamlined process for your medicines through the following online prior authorization management services:

- Efficient intake process through the utilization of a web-based authorization system
- Real-time status updates

NovoLogix is offering training via webex sessions in the coming weeks. Through these sessions, you will receive training on how to access the NovoLogix prior authorization tool, request prior authorization, and review the status of authorized services. Please choose a session below that will work best for your team members and attend the conference call URL.
