Guidelines for Perinatal Care

Molina Healthcare has adopted the Guidelines for Perinatal Care from the American College of Obstetricians and Gynecologists.

The guideline was reviewed and adopted most recently by the Molina Healthcare National Quality Improvement Committee on April 3, 2019.

Clinical guidelines are not used by Molina to decide benefit coverage. The guidelines are an educational tool to aid clinical decision-making. They are not a standard of care. The physician should adapt the guideline when clinical judgment so indicates.

The Clinical Practice Guideline may be accessed at: <https://www.acog.org/>. **Guidelines can be reviewed by ACOG members only using a secure password.**
