

ANNOUNCEMENT

August 11, 2026

Important Update: CDA Requirements

Please be aware of the following CDA requirements and changes as previously discussed with providers and IDHW.

Current Requirements

- A CDA is considered **current** if it has been completed within the previous **12 months**.
- When an individual begins a **new service** and has a current CDA on file, **no new CDA is required**.
- When an individual begins a **new service** and does **not** have a CDA completed within the previous 12 months, a **new CDA must be completed within 60 days of service initiation**.

Questions

For questions regarding this policy, please contact your provider relations representative or utilization management department.
