

Molina Musculoskeletal Surgical Quality and Safety Management Program in Partnership with TurningPoint

Dear Provider:

Molina is pleased to announce the launch of a new and innovative Musculoskeletal Surgical Quality and Safety Management Program. The program is designed to work collaboratively with physicians to promote patient safety through the practice of high quality and cost-effective care for Molina members undergoing Musculoskeletal Surgical Procedures.

PROGRAM HIGHLIGHTS INCLUDE:

- ✓ **Administrative Tools** to support an efficient, user-friendly request process for obtaining medical necessity prior authorizations for procedures which require precertification. Easy and efficient post-procedural documentation submission which will be shared with Molina to facilitate timely claims payment.
- ✓ **Specialized “Peer to Peer” Engagement** where a TurningPoint physician (from the same specialty) engages the provider regarding authorization requests that require additional clinical discussion to validate the clinical appropriateness of the procedure specific to the patient’s needs and current condition.
- ✓ **Clinical Support Tools** to assist in the tracking and monitoring of patient outcomes and education around patient risks and preventive measures to better coordinate care for members and reduce infection rates and complications due to patient comorbidities.
- ✓ **Reporting and Analytics** gives physicians and practice administrators greater visibility and transparency into their performance compared to the practice, as well as the rest of the market.

This correspondence serves as notice under your Participating Molina Provider Agreement of these program changes, effective 10/01/2026. Physicians will be able to begin submitting requests to TurningPoint for Prior Authorization for Medicare, Marketplace, and Medicaid members for dates of service on or after 10/01/2026 beginning on 11/01/2026. While it is the responsibility of the rendering physician to obtain prior authorization, facility providers are encouraged to contact TurningPoint to verify the prior authorization has been obtained for Molina members prior to admission.

The program will include the following Molina Membership: Medicare, Marketplace, and Medicaid

Prior Authorization for medical necessity and appropriate length of stay (when applicable) has been delegated to **TurningPoint Healthcare Solutions, LLC** and will be required for the following surgical procedures in both inpatient and outpatient settings:

1. Who is TurningPoint Healthcare Solutions, LLC?

TurningPoint Healthcare Solutions, LLC (TurningPoint) provides an innovative Musculoskeletal Surgical Quality and Management Program which empowers the collaboration of patients, payers, and providers to improve the quality and affordability of healthcare services. Our comprehensive solution integrates evidence-based utilization management guidelines with clinical best practices, site of service optimization, specialized Peer to Peer engagement, claims review and management, innovative quality programs, and advanced reporting and analytics to promote the overall health management of each member.

2. What is the relationship between Molina and TurningPoint?

Molina has contracted with TurningPoint to provide an innovative solution to work collaboratively with providers, facilities, and physicians to reduce treatment variability, promote safety, quality of care improvements, and support for your patients. As part of this program, Molina has delegated its utilization management function to TurningPoint for a limited scope of procedures (see FAQ question 5 for a detailed listing of procedures included in the scope of the program).

3. Which Molina group members are impacted?

Provider Network	Member Plan Names
Medicare	Molina Healthcare of Idaho Medicare
Marketplace	Molina Healthcare of Idaho

4. Will new ID cards be issued to the appropriate members?

No new ID cards will be issued to the members. Providers will be redirected to TurningPoint by the Utilization Management Departments within Molina. TurningPoint will also be actively engaged in the education of each provider practice to ensure they have the appropriate contact information to limit the number of redirections that need to take place.

5. What procedures will require prior authorizations?

Prior Authorization is required for inpatient, outpatient, and doctor's office settings for these procedures. Clinical coding specific to the procedures included in the program may be accessed using the provider auth tool at: [Molina Healthcare of Idaho Medicare](#) and [Welcome to Molina Healthcare of Idaho](#). Please note the coding is subject to regular updates/changes as CPT/HCPCS coding is added or deleted.

6. What happens if TurningPoint receives a request that is not within the Musculoskeletal scope above?

When TurningPoint receives each request for prior authorization, the procedure and medical codes are validated against the scope of services agreed upon between TurningPoint and Molina. If the request received is determined to be out of scope, TurningPoint will redirect providers to Molina based on the member's eligibility plan product information.

7. What medical providers will be affected by this agreement?

All Musculoskeletal (Orthopedic and Spine) providers whose members fall under the enrolled plan names will be affected.

8. Do emergency room visits require prior authorization from TurningPoint?

No, emergent surgeries do not require prior authorization from TurningPoint.

9. How do I obtain a Prior Authorization from TurningPoint?

TurningPoint requests a digital-first approach, with case submissions expected to be submitted through the portal whenever feasible. TurningPoint's provider portal can be accessed at: <https://myturningpoint-healthcare.com>.

10. What are TurningPoint's hours and days of operation?

TurningPoint is available 8:00am – 5:00pm of each normal business day in each time zone where the TurningPoint conducts its review activities. In the event a provider needs to contact TurningPoint for prior authorization after hours or on weekends, TurningPoint has medical professionals on-call 24 hours a day, 7 days a week.

11. What information will be required to obtain prior authorization?

The following minimum information is requested when a provider calls, faxes, or utilizes the portal:

- a. Provider Name, Tax ID, & NPI
- b. Facility Name, Tax ID, & NPI
- c. Anticipated surgery date
- d. Molina member ID & patient demographics
- e. Requested procedure(s) & diagnosis code(s)
- f. Relevant clinical information for the member

12. How long will the prior authorization process take?

**turnaround time shall not exceed listed timeframes*

Plan Product Line of Business	Standard (Non-Urgent) TAT*	Expedited (Urgent) TAT*	Retrospective
Medicare	7 calendar days	72 hours	30 calendar days
Marketplace	2 business days	2 calendar days	30 calendar days

13. Does obtaining a prior authorization number guarantee payment?

The authorization number is not a guarantee of payment. Claims submitted for these services will also be subject, but not limited to the following:

- Member eligibility at the time services were provided
- Benefit limitations and/or exclusions
- Appropriateness of codes billed
- Medical Necessity review, if prior authorization does not occur

14. How long will the authorization approval be valid?

Prior Authorizations are valid for 30 calendar days for outpatient procedures and for the initial day of planned admission.

15. What if there is an existing authorization on file for a date of service after 10/01/2026?

An additional authorization for services is not required from TurningPoint, and providers should follow their standard claim submission process through Molina.

16. Will TurningPoint be processing claims for Molina?

No, TurningPoint Healthcare is not delegated to process claims. Providers should continue to submit claims as they do currently. Claims submitted without the approved authorization may be denied for payment.

17. Who is responsible for requesting prior authorization?

The physician's/provider's office who requests the procedure should request prior authorization.

18. How are providers/members notified of the outcome of the prior authorization request?

Providers will be notified of the status of the request regardless of outcome. The provider, facility and member will receive a notification determination letter regarding the status of the request along with supporting information.

19. If a provider wishes to modify a request or if there is a change in the surgical plan during the procedure, does the office need to notify TurningPoint to update the authorization?

Call TurningPoint. If medical necessity review is required for the new coding, a new request will be created, and you may need to submit additional clinical documentation. If a change was made to the procedure that was originally authorized, a Post Service Change Review (PSCR) can be submitted to TurningPoint to update the procedure prior to submitting the claim to the health plan. You may have to submit additional clinical documentation including post-operative notes.

20. What happens if the TurningPoint medical review team denies the procedure?

Once an adverse determination is rendered, TurningPoint notifies the requesting provider office, facility, and the member to explain the rationale for the denial. When communicating with the provider's office, TurningPoint offers the physician the opportunity to schedule a Peer to Peer conversation with a TurningPoint reviewer.

21. What qualifications do the TurningPoint physicians have to review prior authorization requests?

TurningPoint employs Musculoskeletal physicians who have all held positions within the various associations related to their specialties:

- ✓ Six former presidents of the American Academy of Orthopaedic Surgeons (AAOS)
- ✓ President and Founder of American Association of Latino Orthopedic Surgeons
- ✓ Former presidents of the American Board of Orthopedic Surgery
- ✓ Past presidents and Current Board Members of the North American Spine Society
- ✓ Two of AAOS's former Board representatives to CMS for all spine related billing and coding changes
- ✓ Multiple past regional and state orthopedic association presidents, including the former President of the New Jersey Orthopaedic Association, and AAOS Board Members

22. Who do I contact with questions, or any support needs regarding the program?

For questions regarding the TurningPoint Program, or to setup an in-service with your practice, please call 866-422-0800.
