## In-Office Laboratory Tests for Marketplace

Molina Healthcare of Illinois (Molina) reminds Marketplace providers that our policies allow only certain lab tests to be performed in a provider's office regardless of the line of business. Refer to page 15 of the 2023 Marketplace Provider Manual, located on the [Forms & Documents page](#) at [MolinaMarketplace.com](https://MolinaMarketplace.com).

All other lab testing must be referred to an In-Network Laboratory provider that is a certified, full-service laboratory, offering a comprehensive test menu that includes routine, complex, drug, genetic testing, and pathology.
