Marketplace Policy for DME Purchase and Rental

Molina Healthcare of Illinois (Molina) is reminding providers of our reimbursement policy for rental and purchase of Durable Medical Equipment (DME). This applies to the Marketplace (HMO) line of business.

DME refers to specialized medical devices designed for in-home use to assist individuals with specific medical conditions or ailments. Some DME items are eligible for rental as well as for purchase, while others are eligible for rental only.

This DME Policy, located on MolinaMarketplace.com under [Forms and Documents](#), includes Place of Service (POS) codes, HCPCS codes, applicable modifiers, reimbursement, and other guidelines. The policy also outlines what is not covered. Providers serving Molina Marketplace members are encouraged to review this policy.
