

# MHIL Provider Memo

Molina Healthcare of Illinois | February 1, 2024

## Molina's PA Requirements: Second Quarter 2024

The codes listed in the Molina Healthcare of Illinois (Molina) Prior Authorization (PA) Codification List **require** Prior Authorization for members. The additions below will be reflected on the PA Codification List found on the [Molina provider website](#) on the [Frequently Used Forms](#) page, under Authorization Requests. The downloadable file lists the Current Procedural Terminology (CPT) and Healthcare Common Procedural Coding System (HCPCS) codes that require PA.

**Important:** This memo only addresses codes being **added** to the Codification List. Codes removed from the grid that no longer require Prior Authorization are **not** listed here. This is a notification only and does **not** determine if the benefit is covered by the member's plan. Providers are **strongly** encouraged to review all updates regularly and confirm whether a code requires PA.

**Note:** Obtaining authorization does **not** guarantee payment. Molina retains the right to review benefit limitations and exclusions, eligibility on the date of the service, correct coding, billing practices, and whether the service was provided in the most appropriate and cost-effective setting of care.

### PA Process

The process for obtaining Prior Authorization has **not** changed. Please use the [Availity Essentials Portal](#) (preferred) or complete the Prior Authorization Request Form with **all** pertinent information **and** medical notes as applicable.

## Convenient Tool for PA Codes

Providers are encouraged to use Molina's online [PA LookUp Tool](#) to help find the correct codes. It is intended for **searches only** and should **not** be used to make determinations about coverage.

The PA Tool is for outpatient services **only**. All elective inpatient admissions to acute hospitals, Skilled Nursing Facilities (SNF), rehabilitation facilities, or Long-Term Acute Care Hospitals (LTACH) **must** follow standard Molina Utilization Management notification and review procedures.
