Molina Healthcare of Illinois | March 13, 2024

Update On Optum-Change Healthcare Outage

Molina Healthcare of Illinois (Molina) is updating providers on the critical outage of our third-party vendor Optum-Change Healthcare (**CHC**), resulting in impacts to electronic claims submission, payment, and settlement services.

Status update

Eligibility verification

Molina has reestablished member eligibility verification (270/271) services using **SSI Group**, our alternate clearinghouse. In addition to online verification with SSI Group, eligibility verification continues to be available via the **Availity Essentials portal**, the Molina Contact Center, and IVR (Molina's automated phone system). Molina's member eligibility continues to be updated timely.

Reminders

Claim submission

Providers utilizing **CHC** to submit claims to Molina prior to this outage may now do so via our alternate established connection with **SSI Claimsnet, LLC** (SSI Group) clearinghouse or another clearinghouse of their choice.

Providers not directly utilizing **CHC** can and should continue using their current clearinghouse for claim submission. **Note:** This outage did **not** impact our Availity Essentials portal, which remains available as another option for claim submission.

Providers can register with SSI Group for claim submission via Claimsnet's Provider Registration Form online at products3.ssigroup.com/ProviderRegistration/register.

Providers can register with Availity Essentials at availability.com/molinahealthcare.

During this transition, we encourage all providers submitting paper claims to explore our electronic submission options.

Important: For those providers who have submitted electronic claims to Molina via a clearinghouse on or after February 21, 2024, and have not received acknowledgment from Molina of receipt, we advise resubmitting those claims as soon as possible. This statement does not apply to providers submitting directly to SSI Group, UHIN, TMHP, COBA, or via the Availity Essentials portal.

Provider payments

Molina has established a direct connection with **ECHO**, a CHC partner, to resume provider payment processing. ECHO has **not** been impacted by this outage. Payments have resumed and will be processed in the order received.

835 Electronic Remittance Advice files and Explanation of Payment

835 Electronic Remittance Advice (ERA) files and Explanation of Payment (EOP) will continue to be

available on providerpayments.com. **Note:** You may see slight changes to the format of the EOP; however, all required data elements are included.
