## Roster Training and Resources for Providers

Molina Healthcare of Illinois (Molina) reminds providers that the Illinois Association of Medicaid Health Plans (IAMHP) is your go-to source for education and resources related to provider rosters. As a reminder, the IAMHP universal roster is statutorily required to be accepted by all Medicaid health plans (such as Molina) and required to be completed by **all providers** participating in Medicaid networks.

IAMHP offers many resources to assist providers with completing and submitting rosters.
