Molina to Partner With SKYGEN Dental for Medicaid and D-SNP

Molina Healthcare of Illinois (Molina) announces an upcoming change in dental vendors for our Medicaid plan and our upcoming D-SNP plan. Beginning **January 1, 2026**, Molina will terminate the relationship with DentaQuest and begin a relationship with SKYGEN Dental.

For the January 1, 2026, transition, dental agreements will be on Molina paper, as opposed to the agreements that have historically been between the provider and Molina's dental vendor. Providers who plan to serve the dental needs of Molina Medicaid or D-SNP members must be contracted with Molina. SKYGEN will be assisting us with the contracting process. To check the status of your contract with Molina or to begin the contracting process, please email networkdevelopment@skygenusa.com.

We appreciate your support in helping us form partnerships to improve the quality of member care.
