Molina to Partner with Codoxo on Provider Scope® Education

Molina Healthcare of Illinois (Molina) is informing providers that, beginning May 14, 2026, we will be partnering with Codoxo to implement its Provider Scope® Education solution. Provider Scope is a platform that reviews the coding patterns and practices of providers.

How it will help providers

Provider Scope provides transparency, education, and coding pattern insights to the provider community to ensure you are following correct documentation and coding guidelines.

You will have the ability to log in to Codoxo's provider portal to review your billing activity as compared to your specialty or peer group. Molina encourages providers to take advantage of the portal to assist with ongoing education, as it will offer insights into specific billing patterns. These patterns could be cause for prepay or post-pay audits in the future, if not addressed.

In addition, the program may involve Codoxo reaching out to providers directly via letters, emails, or phone calls to discuss billing patterns. Codoxo has experienced coding, clinical, and billing staff who can answer questions about identified billing patterns and provide relevant guidance.
