Dental Providers: Join Us for Live Training Sessions

Molina Dental Services invites dental providers to join upcoming **live** webinars in our Provider Education Series. Sessions are one hour and free of charge. All Illinois dental providers and staff are invited! Registration is required to enter the webinars.

These webinars are an overview of Molina's dental plan for Medicaid and D-SNP through SKYGEN, highlighting resources and frequently asked questions. Training is presented by your dedicated Molina Dental Senior Provider Services Representative. We hope to see you there! Please email questions to: MDVSPProviderServices@molinahealthcare.com.
