Molina Supports HFS and BigHeart Health on New Initiative

Molina Healthcare of Illinois (Molina) is informing providers of a new Illinois preventive care initiative sponsored by the Illinois Department of Healthcare and Family Services (HFS).

HFS has contracted with BigHeart Health to operate the Medicaid Preventive Care Education Organization (MPCEO), known as “My Health. My Power.” The program is designed to educate, engage, and support more than 500,000 Illinois Medicaid members by:

- Increasing awareness of preventive health services
- Identifying gaps in care
- Coordinating care plans with providers
- Connecting members to in-network primary care and preventive services

Next steps

BigHeart Health will begin outreach to eligible Medicaid members to enroll them in “My Health. My Power.” When gaps in care are identified, the program will coordinate with in-network providers to schedule annual wellness visits and other preventive services, supporting HEDIS® measures and addressing unmet care needs.

Outreach efforts will focus on three priority regions:

- South Suburban Cook and Will Counties
- Central Illinois
- Southern Illinois

We ask that you anticipate outreach from BigHeart Health to assist with scheduling primary care visits for members enrolled in the program.
